

## Education Center Highlights

### Learning Center Temporary Closure

The Learning Center on Group Astoria will be closed 14-25 July for construction. If you need to see Mrs. Shore, please do so before the closure. 10 JULY is the last day to test on the EPME or the EOCT and you still have 21 days left to retry if you don't pass it and need it for the NOV SWE.

Call Mrs. Shore and schedule an appointment on (503) 861-6231.

If you need to study more and want to take either test, you can still take it 28-31 July. You just will not have time to retake it and still make the 1AUG deadline for all requirements for the NOV SWE.

Third Annual College Fair,  
Tuesday, 19 August

1000-1300 in the Gymnasium at Group Astoria

There will be over 14 colleges and universities here this year. Come see what programs all our online schools have to offer you. There will also be some colleges who actually have classes nearby you can attend if you prefer live classes. Don't forget to bring your spouse so he/she can get started on their education as well.

### Vincennes University Fall Schedule:

2SEPT-23OCT, LIT 220, World Literature I, and

LIT 228, Introduction to World Poetry.

Both of these classes meet your Humanities requirement for the two-year General Education requirements. Miss Chrys Tobey will be teaching both classes. She has taught with us before and everyone enjoyed her classes. They meet on Tuesday and Thursday from 1700-1915 and 1930-2245. Registration is open now. Don't forget, TA pays for the class and they lend you the books so they are FREE! Spouses are welcome to attend as well. Registration is open now and the last day to register is 15AUGUST.

See Mrs. Shore in the Learning Center.

Are you a language interpreter for your unit? If you are the designated language person you must take the DLPT (Defense Language Proficiency Test) once a year to keep up your certification.

Call Mrs. Shore in the Learning Center to schedule a test time.
