5.a.6) Performance Bond – Centex Homes

University Parkside CPR #4902

The agenda was taken out of order to accommodate those present at the meeting.

Condominium Project Registration:

Bill Byrns, Esq. and Bill Boyle representing University Parkside, CPR # 4902 were present. There was no one present representing the County of Hawaii Planning Department.

Specialist Yee reported that the Committee is in receipt of a letter dated June 9, 2003 from Christopher Yuen, Hawaii County Planning Department Director, in response to the published minutes of the September 4, 2002 and January 10, 2003 meetings of the Condominium Review Committee ratifying effective registration dates for University Parkside. Mr. Yuen wrote that the project is not in compliance with the County of Hawaii Codes and Ordinances.

Mr. Byrns of MacDonald Rudy Byrns O'Neill & Yamauchi, an attorney representing the developer, informed the committee that the project consists of 12 units in North Kohala and was issued an effective date of August 20, 2002 for a developer's final public report. Mr. Byrns then received an August 23, 2002 letter from the County of Hawaii Planning Department informing them of the violations of the subdivision codes and further stating that no building permits were issued. Mr. Byrns stated that he then corrected and clarified all of Mr. Yuen's points to Senior Condominium Specialist Yee via telephone and in a letter dated October 15, 2002

Mr. Byrns further reported that the County did issue building permits for each unit. The developer stopped sales and submitted for a developer's supplemental public report which was issued an effective date of December 11, 2002. Mr. Byrns reported that the June 9, 2003 letter from Mr. Yuen raises old incorrect issues that were previously disclosed.

Commissioner Yamanaka questioned whether there has been any additional correspondence with Mr. Yuen.

Mr. Byrns replied in the negative.

Commissioner Abrams questioned whether the County of Hawaii Planning Department has provided them with any type of denials.

Mr. Byrns replied that the building permits were issued and the zoning, density and utilities were there.

Chair Imanaka discussed the two statements. Chair Imanaka further noted that the project has been sold out.

Upon a motion by Commissioner Okawa, seconded by Commissioner Abrams it was voted on and unanimously carried to take the matter under advisement.

Commissioner Ohama was excused at 11:05 a.m.

#### Performance Bond – Centex Homes (Kolea Condominium Villas)

Rick James, Esq. of Carlsmith Ball, LLP, was present to represent the developer, Centex Homes. Mr. James reported that Centex Homes is acting as its own general contractor for the project and since there is no separate general contractor to provide the usual performance bond, an equivalent bond has been proposed. Mr. James stated that the proposed form of bond provides a greater level of protection. Under the proposed bond, the third party surety is guaranteeing both the completion of the construction of the buildings and the availability of the funds necessary to do so. The proposed bond also names the developer as the obligor and the AOAO as the obligee.

Chair Imanaka questioned if the developer is acting as the AOAO until the first meeting is called and questioned whether the developer would be willing to name the State as an additional obligee.

Mr. James responded the developer would act as the AOAO until the first meeting is called and that he believes that his client would be willing to list the state as an additional obligee.

Chair Imanaka informed Mr. James that he had some comments to the proposed bond and would pass that language on to him via the Senior Condominium Specialist.

Upon a motion by Commissioner Okawa, seconded by Commissioner Ching, it was voted on and unanimously carried to take the matter under advisement.

Minutes: Upon a motion by Commissioner Rice, seconded by Commissioner Abrams, it was voted on and unanimously carried to accept the minutes of the June 10, 2003 Condominium Review Committee meeting as circulated.

Condominium

Governance and Management:

Specialist Grupen reported that as of June 30, 2003, 1048 AOAOs have successfully registered.

#### Mediation and Arbitration

Specialist Yee reported that she received a telephone complaint about the services provided by the Mediation Center of the Pacific, Inc. She then contacted Ms. Tracey Wiltgen of MCP about the complaint. Ms. Wiltgen, in a letter dated June 4, 2003, informed Specialist Yee that MCP case managers have made regular efforts to schedule a mediation session as requested by one of the parties since the case was opened on February 20, 2003, but have not yet been able to find a mutually agreeable date and time. If the parties are unable to work with MCP to find a mutually agreeable date and time within twenty-four hours, the case will be closed. Ms. Wiltgen further requested in her letter that to prevent similar problems in the future that the Commission along with all the contracted mediation vendors should agree on a specific timeline and circumstances for closing a request for mediation which can be explained to parties in advance.

Chair Imanaka noted that the recodification process will address this issue.

Upon a motion by Commissioner Abrams, seconded by Commissioner Rice, it was voted on and unanimously carried to recommend approval to refer the letter dated June 4, 2003 from the Mediation Center of the Pacific to the recodification attorney for study and where appropriate, inclusion of a timetable for concluding mediation.

Upon a motion by Commissioner Abrams, seconded by Commissioner Rice, it was voted on and unanimously carried to recommend approval to ratify issuance of effective registration dates of July 1, 2003 for Association of Apartment Owners through June 30, 2003 for the 2003-2005 registration.
