

Ecosystem Committee DRAFT Agenda

Wednesday, August 22, 2007 1pm-5pm
Second floor conference room, Ted Stevens Marine Research Institute,
17109 Pt Lena Loop Rd, Juneau, AK

1. give feedback on approach to developing Arctic FMP

- timeline and approach for analysis
- draft outline of FMP
- plan for community outreach
- include overview of Arctic ecosystem as appendix (flavor of an FEP)?
- other considerations: should FMP include a policy for future fishing?

2. AI FEP

- review glossy pamphlet
- discuss approach to identifying desirable/ undesirable states of the ecosystem: follow on from Ecosystem Committee recommendations in May 2007

3. other updates

- Alaska Marine Ecosystem Forum meeting
- NOAA's Integrated Ecosystem Assessments
- ARCTic – NOAA's Alaska Regional Collaboration Team
