

OFFICE OF ENFORCEMENT AND COMPLIANCE ASSURANCE ENVIRONMENTAL SCIENTIST

(The Mid-level positions available at the EPA's Office of Enforcement and Compliance Assurance (OECA) provide full-time employment.)

OECA promotes compliance and enforces U.S. environmental laws while inspiring the regulated community to pursue pollution prevention and environmental stewardship. Environmental Scientists are utilized in: The Office of Criminal Enforcement, Forensics, and Training (OCEFT), The Office of Site Remediation Enforcement (OSRE), The Office of Compliance (OC), The Office of Regulatory Enforcement (ORE) and The Office of Planning, Policy Analysis, and Communications (OPPAC). Environmental Scientists are professional environmental scientists and expert analysts with mastery of program-related Federal, State and local laws and regulations, documentation and reporting requirements. They resolve problems of major significance to EPA and serve as authorities in technical and scientific areas.
