SECURITIES AND EXCHANGE COMMISSION (Release No. 34-55932; File No. SR-NYSEArca-2007-54)

June 20, 2007

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Establish Position and Exercise Limits for Options on the KBW Bank Index

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 13, 2007, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Exchange has designated the proposed rule change as "non-controversial" under Section 19(b)(3)(A)(iii)³ of the Act and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. <u>Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed</u> Rule Change

NYSE Arca proposes to amend NYSE Arca Rule 5.16 in order to increase the position and exercise limits for options on the KBW Bank Index. The text of the proposed rule change is available at NYSE Arca, at the Commission's Public Reference Room, and on the Exchange's Web site (http://www.nyse.com).

II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change</u>

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NYSE Arca has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

1. <u>Purpose</u>

The Exchange recently listed for trading options on the KBW Bank Index ("BKX") pursuant to the generic listing standards of NYSE Arca Rule 5.13. Under NYSE Arca Rule 5.16(a), a narrow-based index option such as BKX cannot have position and exercise limits that exceed 31,500 contracts. The Exchange notes that the Philadelphia Stock Exchange, Inc. ("Phlx") and the International Securities Exchange, LLC ("ISE") currently list options on BKX and expanded their position and exercise limits for options on BKX to 44,000 contracts. Accordingly, the Exchange proposes to amend NYSE Arca Rule 5.16 to increase the position and exercise limits for options on BKX to 44,000 contracts also. The Exchange believes it is important for a product traded at multiple exchanges to have uniform position and exercise limits in order to eliminate any confusion among investors and other market participants.

2. Statutory Basis

The Exchange believes the basis under the Act for this proposed rule change is found in

See Securities Exchange Act Release Nos. 49312 (February 24, 2004), 69 FR 9672 (March 1, 2004) (SR-Phlx-2004-13) and 55279 (February 12, 2007), 72 FR 7784 (February 20, 2007) (SR-ISE-2007-02).

Section 6(b)(5),⁶ in that the adoption of uniform position and exercise limits for BKX will serve to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

The Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others</u>

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

^{6 15} U.S.C. 78f(b)(5).

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6).

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest.

The Commission believes that waiving the five-day prefiling requirement and the 30-day operative delay is consistent with the protection of investors and the public interest because it would allow the Exchange to immediately implement this proposal and make NYSE Arca's position and exercise limits for options on BKX consistent with the Phlx's and ISE's position and exercise limits for such options. Further, the Commission further notes that the increased position and exercise limits for Phlx were previously noticed for comment and no comments were received. The Commission designates the proposal to become effective and operative upon filing. 12

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

^{10 &}lt;u>Id.</u>

See supra note 5.

For purposes only of waiving the 30-day operative delay, the Commission has considered the impact of the proposed rule on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
