(Release No. 34-56786; File No. SR-NYSEArca-2007-114)

November 14, 2007

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness
of Proposed Rule Change Amending the Fill-or-Kill Order

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 7, 2007, NYSE Arca, Inc. (“NYSE Arca” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. NYSE Arca has designated the proposed rule change as “non-controversial” under Section 19(b)(3)(A)(iii)³ of the Act and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange, through its wholly owned subsidiary, NYSE Arca Equities, Inc. (“NYSE Arca Equities”), proposes to amend NYSE Arca Equities Rule 7.31(II) to allow Users⁵ to specify a minimum executable size for a Fill-or-Kill order. The text of the proposed rule change is available on the Exchange’s Web site at www.nyse.com, at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

⁵ See NYSE Arca Rule 1.1(yy) for the definition of “User.”

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE Arca included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NYSE Arca has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In order to provide additional flexibility and increased functionality to its system and its Users, the Exchange proposes to allow Users to specify a minimum executable size for a Fill-or-Kill order.

Pursuant to NYSE Arca Equities Rule 7.31(II), Fill-or-Kill orders are limit orders that are executed in full as soon as such order is received. However, if execution is not possible, the entire order is immediately cancelled.

According to this proposal, Users may specify a minimum executable size for a Fill-or-Kill order, no less than 100 shares. If Users do not specify a minimum executable size, then the Fill-or-Kill order will be executed in its entirety or immediately cancelled. A Fill-or-Kill order with a specified minimum executable size will execute only against orders that (in aggregate) meet its minimum executable size. Any unexecuted portion of a Fill-or-Kill order will be immediately cancelled. A Fill-or-Kill order with a minimum executable size that cannot be immediately executed at its minimum size will be immediately cancelled in its entirety.

The Exchange believes that offering Users a minimum execution size will further enhance order entry flexibility and execution opportunities on NYSE Arca.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism for a free and open market and a national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁹ As required under Rule 19b-4(f)(6)(iii),¹⁰ NYSE Arca

provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of the filing of the proposed rule change.

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹¹ However, Rule 19b-4(f)(6)(iii)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. NYSE Arca requests that the Commission waive the 30-day operative delay period for “non-controversial” proposals under Rule 19b-4(f)(6)¹³ and make the proposed rule change effective and operative upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it would permit the Exchange to offer the increased Fill-or-Kill order type functionality without delay. Accordingly, the Commission designates the proposed rule change operative upon filing with the Commission.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

¹⁴ For purposes only of waiving the 30-day operative delay, the Commission has considered the impact of the proposed rule on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
