### What's New

Line 2 has been revised. In addition to the section 4051(d) tire credit, use line 2 for certain section 6426 credits. See *Line 2* for details.

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### **Purpose of Form**

Use Form 720X to make adjustments to liability reported on Forms 720 you have filed for previous quarters. Do not use Form 720X to make changes to claims made on Schedule C (Form 720), except for the section 4051(d) tire credit and section 6426 credits.

**Caution.** You must include in gross income (income tax return) any overpayment from line 4 of Form 720X if you took a deduction on the income tax return that included the amount of the taxes and that deduction reduced the income tax liability. See Publication 510 for more information.

### When To File

Generally, adjustments that decrease your tax liability for a prior quarter must be made within 3 years from the time the return was filed or 2 years from the time the tax was paid, whichever is later.

### Where To File

If you are filing Form 720X separately, send Form 720X to the Internal Revenue Service Center, Cincinnati, OH 45999-0009. Otherwise, attach Form 720X to your next Form 720.

## **Specific Instructions**

### Line 1

Report each adjustment separately on line 1. You can use line 6 for your explanation or you can attach additional sheets with your name and EIN as needed.

Communications excise tax, toll telephone service. Collectors stopped collecting and paying over the tax on nontaxable service billed after July 31, 2006. See Pub. 510 for the definition of nontaxable service. Collectors using the regular method for deposits must use

Form 720X (Rev. 4-2007) Page **3** 

Form 720X to claim a credit or refund for nontaxable service if the collector has repaid the tax to the person from whom the tax was collected, or obtained the consent of that person to the allowance of the credit or refund. The refund period is for nontaxable service that was billed after February 28, 2003, and before August 1, 2006. Collectors using the alternative method for deposits must adjust their separate accounts. For more information, see the Instructions for Form 720, Notice 2006-50, and Notice 2007-11. You can find Notice 2006-50 on page 1141 of Internal Revenue Bulletin 2006-25 at www.irs.gov/pub/irs-irbs/irb06-25.pdf. You can find Notice 2007-11 on page 405 of Internal Revenue Bulletin 2007-5 at www.irs.gov/pub/irs-irbs/irb07-05.pdf.

The above paragraph applies to nontaxable service billed to customers of the collector. All Form 720 taxpayers, including collectors, must request a credit or refund on their 2006 federal income tax return for nontaxable service paid by the taxpayer.

**Column (a).** Enter the quarter ending date of the Form 720 you are amending. If you are amending more than one quarter, make sure each quarter is clearly identified. Enter the date in the MMDDYYYY format. For example, if you are adjusting the first quarter return for 2007, enter "03312007."

**Column (d).** Enter the tax amount for the IRS No. entered in column (b) as originally reported on Form 720 or as later adjusted by you or the IRS.

**Column (e).** Enter the adjusted tax liability that should have been reported for the IRS No. in column (b).

**Column (f).** If column (e) is greater than column (d), subtract column (d) from column (e). This is an increase. If column (d) is greater than column (e), subtract column (e) from column (d). This is a decrease. Show the decrease in parentheses.

### Line 2

**4051(d)** tire credit. You must use line 2 to report any adjustment to the section 4051(d) tire credit for a prior quarter. For example, if you report an additional taxable vehicle on line 1 for IRS No. 33, the applicable tire credit is reported on line 2. Enter CRN 366 in column 2(b). See the Instructions for Form 720 for more information on the tire credit.

**6426 credits.** You must use line 2 to report any adjustment to section 6426 credits, if (a) you are reporting a change to certain taxable fuel liability (section 4081 liability in the case of mixtures or section 4041 liability in the case of alternative fuel) on line 1, or (b) you were unable to claim the credits against the section 4041 or 4081 liability on a prior Form 720 because you were not registered. Section 6426 credits include the alcohol fuel mixture credit, the biodiesel or renewable diesel mixture credit, the alternative fuel credit, and the alternative fuel mixture credit. Use a separate line for each adjustment. Enter the CRN from the table below in column 2(b). You must also complete line 6.

Credit	CRN	Credit Rate
Alcohol fuel mixture credit		
Alcohol fuel mixtures containing ethanol	393	\$ .51
Alcohol fuel mixtures containing alcohol (other than ethanol)	394	.60
Biodiesel or renewable diesel mixture credit		
Biodiesel (other than agri-biodiesel) mixtures	388	.50
Agri-biodiesel mixtures	390	1.00
Renewable diesel mixtures	307	1.00
Alternative fuel credit and alternative fuel mix	ture credi	t
Liquefied petroleum gas (LPG)	426	.50
"P Series" fuels	427	.50
Compressed natural gas (CNG)	428	.50
Liquefied hydrogen	429	.50
Any liquid fuel derived from coal (including peat) through the Fischer-Tropsch process	430	.50
Liquid hydrocarbons derived from biomass	431	.50
Liquefied natural gas (LNG)	432	.50

### Line 3a

Collectors using the alternative method for deposits must adjust their separate accounts for any credits or refunds made to customers of the collector. Form 720X cannot be used for this purpose. For more information, see *Alternative method* in the Instructions for Form 720.

### Line 5

If you want your overpayment refunded to you, check the box for line 5a.

If you want your overpayment applied to your next Form 720, check the box for line 5b and enter the quarter ending date of your next Form 720. You can file Form 720X separately or you can attach it to your next Form 720.

**Caution.** If you checked the box on line 5b, be sure to include the overpayment amount on lines 6 and 7 on your next Form 720. See Form 720 for details. If you owe other federal tax, interest, or penalty, the overpayment will first be applied to the unpaid amounts.

### Line 6

You can use line 6 for your explanation or you can attach additional sheets with your name and EIN as needed.

**Adjustments on line 1.** For each adjustment, you must include a detailed description of the adjustment and the computation of the amount.

Adjustments on line 2. Any section 6426 credits must first be applied against your section 4041 or 4081 liability. To make an adjustment, you must follow the instructions for lines 12, 13, and 14 in the Instructions for Form 720. For each adjustment you must attach a detailed explanation of the adjustment, including your registration number, and the computation of the amount. Your computation must include the number of gallons (or gasoline gallon equivalents for compressed natural gas) and credit rate (as shown above). You must include any information that is requested in the Instructions for Form 720, lines 12, 13, and 14. For example, the Certificate for Biodiesel and, if applicable, Statement of Biodiesel Reseller must be attached to Form 720X if it is the first claim filed that is supported by the certificate or statement. See the Instructions for Form 720 for more information.

**Certifications.** On line 6 or a separate sheet of paper, you must include the applicable statement shown below.

**Alcohol fuel mixture credit.** Claimant produced an alcohol fuel mixture by mixing taxable fuel with alcohol. The alcohol fuel mixture was sold by the claimant to any person for use as a fuel or was used as a fuel by the claimant.

Biodiesel or renewable diesel mixture credit. Claimant produced a mixture by mixing diesel fuel with biodiesel or renewable diesel. The biodiesel used to produce the biodiesel mixture must meet ASTM D6751 and be registered with the EPA as a fuel and fuel additive under section 211 of the Clean Air Act. The mixture was sold by the claimant to any person for use as a fuel or was used as a fuel by the claimant. For biodiesel, claimant has attached the Certificate for Biodiesel and, if applicable, the Statement of Biodiesel Reseller.

Alternative fuel mixture credit. Claimant produced a mixture by mixing taxable fuel with alternative fuel. Claimant certifies that it (a) produced the alternative fuel mixture, or (b) has in its possession the name, address, and EIN of the person(s) that sold the alternative fuel to the claimant; the date of purchase; and an invoice or other documentation identifying the amount of the alternative fuel. The alternative fuel mixture was sold by the claimant to any person for use as a fuel or was used as a fuel by the claimant.

### Signature

Form 720X must be signed by a person authorized by the entity to sign this return. You must sign Form 720X even if it is filed with Form 720 to apply an overpayment.
