

MedImmune, Inc.

March 16, 2007

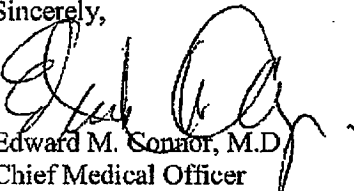

Dear Healthcare Professional:

MedImmune, Inc. has ceased production of Neutrexin® (trimetrexate glucuronate for injection). This action is in agreement with FDA and was not the result of any safety or efficacy issues involving the product. Commercial inventory is now depleted and Neutrexin is no longer available for sale. All distributed lots are now beyond their expiration dates.

Questions regarding Neutrexin may be directed to MedImmune Customer Service at (877) 633-4411.

Thank you for your continued support of MedImmune products.

Sincerely,

Edward M. Connor, M.D.
Chief Medical Officer
