

OAK RIDGE RESERVATION

Environmental Management

August 17, 1998

Mr. Rod Nelson
Assistant Manager for Environmental Management
DOE/ORO
P.O. Box 2001, EM-90
Oak Ridge, TN 37831

Dear Mr. Nelson:

At our August 5, 1998 Board meeting, the Oak Ridge Reservation Environmental Management Site Specific Advisory Board (ORREMSSAB) endorsed *The Oak Ridge Reservation Stakeholder Report on Stewardship* dated July, 1998. (copy enclosed) The report was prepared by the End Use Working Group (EUWG) Stewardship Committee in collaboration with the Friends of Oak Ridge National Laboratory Stewardship Committee. The EUWG as a whole adopted the report.

On pages 45 and 46, Section 5.7, is the Summary of Key Recommendations, explained at various points in the report, for Stewardship on the Oak Ridge Reservation. The recommendations propose Department of Energy (DOE) actions for the near term; DOE responses to the proposed actions will be evident in forthcoming Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA) documentation.

We thank you, DOE staff, and contractor staff for your strong support of the EUWG.

Sincerely,

William M. Pardue, Chair
