News Release No. 2002-09

February 27, 2002

### **Attorney General Withdraws Appeals**

We have reassessed the remaining two criminal cases pending against former Bishop Estate Trustee Richard Wong and Developer Jeffrey Stone. We disagree with the Supreme Court's per curiam decision last Friday. On the other hand, because of the decision and other circumstances, we have decided to dismiss both cases. Both cases are in the Supreme Court on Appeal and we will be taking action immediately to dismiss them.
