Comments: These forms will be helpful. However,
companies like Morningstar, STP, Value Line (that
need to be REQUIRED to ~~submit~~ evaluated
post all fees. They do NOT! They funds)
could post a maximum fee. Posting
no fees, redemption fees in particular,
misleads investors. You think that funds
do not have these fees! To find fees
I need to actually call the fund! - this informa-
tion needs to be made public and clear
to investors before the sale.
