

Lexington - Leestown Campus

VISN 9 –Leestown - Comprehensive Capital and Reuse Plans

Secretary's CARES Decision

- The Secretary will not consider consolidation of the Leestown campus with the Cooper Drive campus, but VA will pursue opportunities to reduce the footprint of the Leestown campus.
- While the mission of the Leestown campus will remain unchanged, the Master Plan will propose an efficient, cost-effective, and appropriately sized footprint that will reduce vacant and underused space on the campus.
- The Master Plan will consider enhanced use lease opportunities and will ensure that any plan for alternate use or disposal of VA property serves to enhance the Department's mission.

Specific Considerations/Requirements

- The comprehensive Capital and Reuse Plans will be accomplished using demand data to determine the appropriate capacity and foot print size of the campus that maximize the re use potential of the balance of the site.
- Another contractor in coordination with this Contractor shall develop the Reuse Plan and as a part of the site options presented the most likely potential reuse for available property identified in the capital planning process is to be included. The contractors will coordinate their work and exchange information on the capital planning process and stakeholder communications.
