

CHALLENGING CAREERS

Online FEMA
courses available

**UTTC ONLINE COURSES ARE NOW AVAILABLE IN
EMERGENCY MANAGEMENT AND RELATED FIELDS**

United Tribes Technical College is working in collaboration with FEMA to provide students and professionals with opportunities for advancement in the field of Emergency Management. It is the only tribal college in the nation to offer Emergency Management courses online.

Because of the increasing need to respond effectively to terrorism and other disaster threats, there has been an increasing need for security managers, safety officers, program planners, contract specialists, human services specialists, and many other kinds of trained personnel.

Professionals from a wide variety of public and private agencies will find the courses essential in advancing their careers. Students in a wide range of subject areas choose to take Emergency Management as a Minor or second Major. Online students can take courses sequentially as they work towards certificates and degrees.

ONLINE COURSES AVAILABLE FOR FALL 2003:

**EMP 101 Principles of Emergency Management
EMP 102 Emergency Planning**
