Annual Southern Region Air Carrier Safety Award

It's time once again for us to recognize and honor an outstanding air carrier airport for safety initiatives and achievements that exceed 14 CFR Part 139. The award will be presented at the annual FAA Communications Conference in Atlanta at the end of January, 2008.

The selection criteria are based on a specific program, activity, or other special and unique accomplishment(s) of the airport that resulted in enhancing airport safety. These achievements may also include any actions taken by airport management to maximize service and efficiency to the flying public. Your nomination may include any supporting graphics or photos that will help describe the accomplishments.

Please mail or fax your nominations to:
