

Products in the above categories exported during 2002 shall be charged to the applicable category limits for that year (see directive dated January 3, 2002) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

These limits may be revised if Cambodia becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Cambodia.

Moreover, these limits may be revised in light of the U.S. determination as to whether working conditions in the Cambodian textile and apparel sector substantially comply with Cambodian labor law and internationally recognized core labor standards (see **Federal Register** notice 64 FR 60428, published on November 5, 1999).

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,
D. Michael Hutchinson,
*Acting Chairman, Committee for the
Implementation of Textile Agreements.*
