Alexander Statement on President's Announcement of Troop Reductions in Iraq

WASHINGTON, D.C. – U.S. Rep. Rodney Alexander, R-Quitman, today released the following statement regarding President Bush's announcement of troop reductions in Iraq:

"Today's announcement by President Bush that approximately 8,000 troops currently deployed in Iraq will return home by early next year is further affirmation that our servicemen and women are successfully carrying out their missions in Iraq and making the world a safer and more secure place for future generations," Alexander said.

"I am sure this announcement brings a renewed hope to military families in Louisiana that their loved ones will return home soon."
