Commission on Civil Rights

**45 CFR Chapter VII
Operations, Functions, and Structure of
Civil Rights Commission; Final Rule**

COMMISSION ON CIVIL RIGHTS**45 CFR Chapter VII****Operations, Functions, and Structure of Civil Rights Commission**

AGENCY: U.S. Commission on Civil Rights Commission.

ACTION: Final rule.

SUMMARY: This final rule revises the regulations of the United States Commission on Civil Rights to provide the organizational structure, procedures, and program processes of the Commission.

EFFECTIVE DATE: This final rule is effective August 30, 2002.

FOR FURTHER INFORMATION: Contact Debra A. Carr, Deputy General Counsel, U.S. Commission on Civil Rights, 624 Ninth Street, NW., Washington, DC 20425, (202) 376-8351.

SUPPLEMENTARY INFORMATION: On April 10, 2002, (97 FR 17528) the U.S. Commission on Civil Rights published its proposed rule for public comment. Comments and inquiries were received from two sources.

The inquiries generally concerned internal policies, practices and procedures of the Commission, many of which were not specifically related to the proposed revisions. In addition, there were inquiries and comments concerning the relationship, if any, between the Solicitor and the General Counsel; the impact of the proposed changes, if any, on current employees; the Commission's need for the revisions, as well as the process and timing.

The following information generally addresses the relevant and significant comments and inquiries received by the Commission: The United States General Accounting Office (GAO) conducted an audit of the Commission and issued a report in July 1997. The report noted that the Commission underwent a major reorganization in 1986, during which it eliminated several offices, including the Solicitor's Unit or Solicitor's Office. The GAO report further noted that the Commission has been operating under obsolete documentation of its operating structure, as reflected by regulations that have not been revised since 1985. Furthermore, the position of Solicitor has not been formally filled since 1995. Rather, for the past seven years, attorneys in the Office of General Counsel have been handling matters assigned to the Solicitor's Office under the outdated 1985 regulations. In 1998 the Commission approved changes to its regulations as recommended by GAO. The proposed revisions to the regulations published on April 10, 2002

in the **Federal Register** incorporate the GAO recommendations by reflecting the agency's organization, procedures, and practices. As such, the proposed regulations should not adversely impact any current Commission employee. Thus, after appropriate careful consideration of the comments and inquiries summarized above, the Commission determined that changes were not required for formulation of the final rule. The text of the final rule appears below.

The United States Commission on Civil Rights (hereinafter referred to as the "Commission") is a bipartisan agency of the executive branch of the Government. The predecessor agency to the present Commission was established by the Civil Rights Act of 1957, 71 Stat. 634. This Act was amended by the Civil Rights Act of 1960, 74 Stat. 86; the Civil Rights Act of 1964, 78 Stat. 241; by 81 Stat. 582 (1967); by 84 Stat. 1356 (1970); by 86 Stat. 813 (1972); and by the Civil Rights Act of 1978, 92 Stat. 1067. The present Commission was established by the United States Commission on Civil Rights Act of 1983, 97 Stat. 1301, as amended by the Civil Rights Commission Amendments Act of 1994, 108 Stat. 4339. The statutes are codified in 42 U.S.C. 1975 through 1975d. (Hereinafter, the 1994 Act will be referred to as "the Act.")

§ 701.2 Responsibilities.

(a) The Commission's authority under 42 U.S.C. 1975a(a) may be summarized as follows:

(1) To investigate allegations in writing under oath or affirmation that citizens of the United States are being deprived of their right to vote and have that vote counted by reason of color, race, religion, sex, age, disability, or national origin;

(2) To study and collect information relating to discrimination or a denial of equal protection of the laws under the Constitution because of color, race, religion, sex, age, disability or national origin or in the administration of justice;

(3) To appraise the laws and policies of the Federal Government relating to discrimination or denials of equal protection of the laws under the Constitution because of, color, race, religion, sex, age, disability, or national origin or in the administration of justice;

(4) To serve as a national clearinghouse for information relating to discrimination or denials of equal

protection of the laws because of color, race, religion, sex, age, disability, or national origin;

(5) To prepare public service announcements and advertising campaigns to discourage discrimination or denials of equal protection of the laws because of color, race, religion, sex, age, disability, or national origin.

(b) Under 42 U.S.C. 1975a(c), the Commission is required to submit at least one report annually that monitors Federal civil rights enforcement efforts in the United States and other such reports to the President and to the Congress at such times as the Commission, the Congress, or the President shall deem appropriate.

(c) In fulfilling these responsibilities the Commission is authorized by the Act to hold hearings and to issue subpoenas for the attendance of witnesses; to consult with governors, attorneys general; and other representatives of State and local governments, and private organizations; and is required to establish an advisory committee in each State. The Act also provides that all Federal agencies shall cooperate fully with the Commission so that it may effectively carry out its functions and duties.

Subpart B—Organization Statement

§ 701.10 Membership of the Commission.

(a) The Commission is composed of eight members (or "Commissioners"), not more than four of whom may be of the same political party. The President shall appoint four members, the President pro tempore of the Senate shall appoint two, and the Speaker of the House of Representatives shall appoint two.

(b) The Chairperson and Vice Chairperson of the Commission are designated by the President with the concurrence of a majority of the Commissioners. The Vice Chairperson acts as Chairperson in the absence or disability of the Chairperson or in the event of a vacancy in that office.

(c) No vacancy in the Commission affects its powers and any vacancy is filled in the same manner and is subject to the same limitations with respect to party affiliations as previous appointments.

(d) Five members of the Commission constitute a quorum.

§ 701.11 Commission meetings—duties of the Chairperson.

(a) At a meeting of the Commission in each calendar year, the Commission shall, by vote of the majority, adopt a schedule of Commission meetings for the following calendar year.

(b) In addition to the regularly scheduled meetings, it is the responsibility of the Chairperson to call the Commission to meet in a special open meeting at such time and place as he or she shall deem appropriate; provided however, that upon the motion of a member, and a favorable vote by a majority of Commission members, a special meeting of the Commission may be held in the absence of a call by the Chairperson.

(c) The Chairperson, after consulting with the Staff Director, shall establish the agenda for each meeting. The agenda at the meeting of the Commission may be modified by the addition or deletion of specific items upon the motion of a Commissioner and a favorable vote by a majority of the members.

(d) In the event that after consulting with the members of the Commission and consideration of the views of the members the Chairperson determines that there are insufficient substantive items on a proposed meeting agenda to warrant holding a scheduled meeting, the Chairperson may cancel such meeting.

(g) The Chairperson may punish breaches of order and decorum by censure and exclusion from the proceedings.

§ 702.6 Executive session.

(a) If the Commission determines that evidence or testimony at any hearing may tend to defame, degrade, or incriminate any person, it shall receive such evidence or testimony or summary of such evidence or testimony in executive session.

(b) The Commission shall afford any persons defamed, degraded, or incriminated by such evidence or testimony an opportunity to appear and be heard in executive session, with a reasonable number of additional witnesses requested by them, before deciding to use such evidence or testimony.

(1) Such person shall be served with notice, in writing, at least 10 days prior to the date, time, and location for the appearance of witnesses at executive session or where service is by mail at least 14 days prior to such date. This notice shall be accompanied by a copy of the rules in this part and by a brief summary of the information that the Commission has determined may tend to defame, degrade, or incriminate such person;

(2) The notice, summary, and rules in this part shall be served by certified mail or by leaving a copy thereof at the last known residence or business address of such person; and

or the verified return of the one making service shall be proof of the same.

(c) If a person receiving notice under this section notifies the Commission within five days of service of such notice or where service is by mail within eight days of service of such notice that the scheduled appearance constitutes a hardship, the Commission may, in its discretion, set a new date or time for such person's appearance at the executive session.

(d) In the event such persons fail to appear at executive session at the time and location scheduled under paragraph (b) or (c) of this section, they shall not be entitled to another opportunity to appear at executive session, except as provided in § 702.11.

(e) If such persons intend to submit sworn statements of themselves or others, or if they intend that witnesses appear in their behalf at executive session, they shall, no later than 48 hours prior to the time set under paragraph (b) or (c) of this section, submit to the Commission all such statements and a list of all witnesses. The Commission will inform such persons whether the number of witnesses requested is reasonable within the meaning of paragraph (b) of this section. In addition, the Commission will receive and dispose of requests from such persons to subpoena other witnesses. Requests for subpoenas shall be made sufficiently in advance of the scheduled executive session to afford subpoenaed persons reasonable notice of their obligation to appear at that session. Subpoenas returnable at executive session shall be governed by the provisions of § 702.4.

(f) Persons for whom an executive session has been scheduled, and persons compelled to appear at such session, may be represented by counsel at such session to the extent provided by § 702.7.

(g) Attendance at executive session shall be limited to Commissioners; authorized Commission staff personnel; witnesses, and their counsel at the time scheduled for their appearance; and such other persons whose presence is requested or consented to by the Commission.

(h) In the event the Commission determines to release or to use evidence or testimony that it has determined may tend to defame, degrade, or incriminate any persons in such a manner as to reveal publicly their identity, such evidence or testimony, prior to such public release or use, will be presented at a public session, and the Commission will afford them an opportunity to appear as voluntary witnesses or to file a sworn statement in their own behalf

and to submit brief and pertinent sworn statements of others.

§ 702.7 Counsel.

(a) Persons compelled to appear in person before the Commission and any witness appearing at a public session of the Commission will be accorded the right to be accompanied and advised by counsel, who will have the right to subject their clients to reasonable examination, make objections on the record, and briefly argue the basis for such objections.

(b) For the purpose of this section, counsel shall mean an attorney at law admitted to practice before the Supreme Court of the United States or the highest court of any State or Territory of the United States.

(c) Failure of any persons to obtain counsel shall not excuse them from attendance in response to a subpoena, nor shall any persons be excused in the event their counsel is excluded from the proceeding pursuant to § 702.6(g). In the latter case, however, such persons shall be afforded a reasonable time to obtain other counsel, said time to be determined by the Commission.

§ 702.8 Evidence at Commission proceedings.

(a) The rules of evidence prevailing in courts of law or equity shall not control proceedings of the Commission.

(b) Where a witness testifying at a public session of a hearing or a session for return of subpoenaed documents offers the sworn statements of other persons, such statements, in the discretion of the Commission, may be included in the record, provided they are received by the Commission 24 hours in advance of the witness' appearance.

(c) The prepared statement of a witness testifying at a public session of a hearing, in the discretion of the Commission, may be placed into the record, provided that such statement is received by the Commission 24 hours in advance of the witness' appearance.

(d) In the discretion of the Commission, evidence may be included in the record after the close of a public session of a hearing provided the Commission determines that such evidence does not tend to defame, degrade, or incriminate any person.

(e) The Commission will determine the pertinence of testimony and evidence adduced at its proceedings and may refuse to include in the record of a proceeding or may strike from the record any evidence it considers to be cumulative, immaterial, or not pertinent.

§ 702.9 Cross-examination at public session.

If the Commission determines that oral testimony of a witness at a public session tends to defame, degrade, or incriminate any person, such person, or through counsel, shall be permitted to submit questions to the Commission in writing, which, in the discretion of the Commission, may be put to such witness by the Chairperson or by authorized Commission staff personnel.

§ 702.10 Voluntary witnesses at public session of a hearing.

A person who has not been subpoenaed and who has not been afforded an opportunity to appear pursuant to § 702.6 may be permitted, in the discretion of the Commission, to make an oral or written statement at a public session of a hearing. Such person may be questioned to the same extent and in the same manner as other witnesses before the Commission.

§ 702.11 Special executive session.

If, during the course of a public session, evidence is submitted that was not previously presented at executive session and that the Commission determines may defame, degrade, or incriminate any person, the provisions of § 702.6 shall apply and such extensions, recesses or continuances of the public session shall be ordered by the Commission, as it deems necessary. The time and notice requirements of § 702.6 may be modified by the Commission provided reasonable notice of a scheduled executive session is afforded such person; the Commission may, in its discretion, strike such evidence from the record, in which case the provisions of § 702.6 shall not apply.

§ 702.12 Contempt of the Commission.

Proceedings and process of the Commission are governed by 42 U.S.C. 1975a(e)(2), which provides that in case of contumacy or refusal to obey a subpoena, the Attorney General may in a Federal court of appropriate jurisdiction obtain an appropriate order to enforce the subpoena.

§ 702.13 Intimidation of witnesses.

Witnesses at Commission proceedings are protected by the provisions of 18 U.S.C. 1505, which provide that whoever, with intent to avoid, evade, prevent, or obstruct compliance, in whole or in part, with any civil investigative demand duly and properly made under the Antitrust Civil Process Act, willfully withholds, misrepresents, removes from any place, conceals, covers up, destroys, mutilates, alters, or by other means falsifies any documentary material, answers to

written interrogatories, or oral testimony, which is the subject of such demand; or attempts to do so or solicits another to do so; or whoever corruptly, or by threats or force, or by any threatening letter or communication influences, obstructs, or impedes or endeavors to influence, obstruct, or impede the due and proper administration of the law under which any pending proceeding is being had before any department or agency of the United States, or the due and proper exercise of the power of inquiry under which any inquiry or investigation is being had by either House, or any committee of either House or any joint committee of the Congress shall be fined under this title or imprisoned not more than five years, or both.

§ 702.14 Transcript of Commission proceedings.

(a) An accurate transcript shall be made of the testimony of all witnesses at all proceedings of the Commission. Transcripts shall be recorded solely by the official reporter or by any other person or means designated by the Commission.

(b) Every person who submits data or evidence shall be entitled to retain or, on payment of lawfully prescribed costs, procure a copy or transcript thereof, except that witnesses in a hearing held in executive session may be limited, for good cause, to inspection of the official transcript of their testimony. Transcript copies of public sessions may be obtained by the public upon the payment of the cost thereof.

(c) Persons who have presented testimony at a proceeding may ask within 60 days after the close of the proceeding to correct errors in the transcript of their testimony. Such requests shall be granted only to make the transcript conform to their testimony as presented at the proceeding.

§ 702.15 Witness fees.

A witness attending any session of the Commission shall be paid the same fees and mileage that are paid witnesses in the courts of the United States. Mileage payments must be tendered at the witness' request upon service of a subpoena issued on behalf of the Commission or any subcommittee thereof.

§ 702.16 Attendance of news media at public sessions.

Reasonable access for coverage of public sessions shall be provided to the various communications media, including newspapers, magazines, radio, newsreels, and television, subject

to the physical limitations of the room in which the session is held and consideration of the physical comfort of Commission members, staff, and witnesses. However, no witnesses shall be televised, filmed, or photographed during the session nor shall the testimony of any witness be broadcast or recorded for broadcasting if the witness objects.

§ 702.17 Communications with respect to Commission proceedings.

During any proceeding held outside Washington, DC, communications to the Commission with respect to such proceeding must be made to the Chairperson or authorized Commission staff personnel in attendance. All requests for subpoenas returnable at a hearing, requests for appearance of witnesses at a hearing, and statements or other documents for inclusion in the record of a proceeding, required to be submitted in advance, must be submitted to the Chairperson, or such authorized person as the Chairperson may appoint, at an office located in the community where such hearing or proceeding is scheduled to be held. The location of such office will be set forth in all subpoenas issued under the rules in this part and in all notices prepared pursuant to § 706.2.

§ 702.18 Commission reports.

(a) If a Commission report tends to defame, degrade, or incriminate any person, the report or relevant portions thereof shall be delivered to such person at least 30 days before the report is made public to allow such person to make a timely verified answer to the report. The Commission shall afford such person an opportunity to file with the Commission a verified answer to the report or relevant portions thereof not later than 20 days after service as provided by the regulations in this part.

(1) Such person shall be served with a copy of the report or relevant portions thereof, with an indication of the section(s) that the Commission has determined tend to defame, degrade, or incriminate such person, a copy of the Act, and a copy of the regulations in this part.

(a) A meeting or portion thereof will be closed, and information pertaining to a closed meeting will be withheld, only after four Commissioners when no Commissioner's position is vacant, three Commissioners when there is a vacancy, or two Commissioners on a subcommittee authorized under 42 U.S.C. 1975a(e)(1), vote to take such action.

(b)(1) A separate vote shall be taken with respect to each meeting, a portion or portions of which are proposed to be closed to the public under § 702.53, and with respect to any information to be withheld under § 702.53.

(2) A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as:

- (i) Each meeting in such series involves the same particular matters, and
 - (ii) Is scheduled to be held no more than thirty (30) days after the initial meeting in such series.

the Staff Director, within one working day of such vote, shall make publicly available by putting in a place easily accessible to the public a written copy of such vote reflecting the vote of each Commissioner.

(ii) A list of all persons other than staff members expected to attend the meeting and their affiliation (the identity of persons expected to attend such meeting will be withheld only if revealing their identity would reveal the exempt information that is the subject of the closed meeting).

(d) Prior to any vote to close a meeting or portion thereof under paragraph (c) of this section, the Commissioners shall obtain from the General Counsel an opinion as to whether the closing of a meeting or portions thereof is in accordance with paragraphs (a)(1) through (10) of § 702.53.

(1) For every meeting closed in accordance with paragraphs (a)(1) through (10) of § 702.53, the General Counsel shall publicly certify in writing that, in his or her opinion, the meeting may be closed to the public and shall cite each relevant exemptive provision.

(2) A copy of certification by the General Counsel together with a statement from the presiding officer of the closed meeting setting forth the time and location of the meeting and the persons present, shall be retained by the Commission.

(e) For all meetings closed to the public, the Commission shall maintain a complete verbatim transcript or electronic recording adequate to record fully the proceedings of each meeting or portion of a meeting, which sets forth the time and location of the meeting and the persons present. the question). All documents considered in connection with any action shall be identified in such minutes.

(f) Any person whose interests may be directly affected by a portion of a meeting may request that such portion be closed to the public under § 702.53 or that it be open to the public if the Commission has voted to close the meeting pursuant to § 702.53(a)(5), (6) or (7). The Commission will vote on the request if one Commissioner asks that a vote be taken. Such requests shall be made to the Staff Director within a reasonable amount of time after the meeting or vote in question is publicly announced.

§ 702.55 Public announcement of meetings.

(a) *Agenda.* The Staff Director shall set as early as possible but in any event at least eight calendar days before a meeting, the time, location, and subject matter for the meeting. (3) The subject matter of a meeting or the determination to open or close a meeting or a portion of a meeting to the public may be changed following the public announcement required by paragraph (b) of this section if:

regulations in this part shall begin when the request is recorded pursuant to paragraph (d)(2)(iii) of this section. A written request pursuant to FOIA but sent to an office of the Commission other than the Office of the General Counsel shall be date stamped, initialed, and redirected immediately to the Office of the General Counsel. The required period for agency determination shall begin when it is received by the Office of the General Counsel in accordance with paragraph (d)(2)(iii) of this section.

(ii) In unusual circumstances, pursuant to 5 U.S.C. 552(a)(6)(B), the General Counsel may, in the case of initial determinations under the regulations in this part, extend the 10 working day time limit in which the agency is required to make its determination notification. Such extension shall be communicated in writing to the requesting party setting forth with particularity the reasons for such extension and the date on which a determination is expected to be transmitted. Such extensions may not exceed 10 working days for any request and may only be used to the extent necessary to properly process a particular request. Such extension is permissible only where there is a demonstrated need:

(A) To search for and collect the requested records from field facilities or other establishments that are separate from the Office of the General Counsel;

(B) To search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request; or

(C) For consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the same agency having substantial subject matter interest therein.

(e) *Fees—(1) Definitions.* The following definitions apply to the terms when used in this section:

(i) *Direct costs* means those expenditures that the Commission actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a request made under paragraph (d) of this section. Direct costs include, for example, the salary of the employee(s) performing the work (the basic rate of pay for the employee(s) plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space and

heating or lighting the facility in which the records are stored.

(ii) *Search* means all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification within documents. However, an entire document will be duplicated if this would prove to be a more efficient and less expensive method of complying with a request than a more detailed manner of searching. Search is distinguished from review of material in order to determine whether the material is exempt from disclosure.

(iii) *Duplication* means the process of making a copy of a document necessary to respond to a request for disclosure of records. Such copies can take the form of paper or machine readable documentation (e.g., magnetic tape or disk), among others.

(iv) *Review* means the process of examining documents located in response to an information request to determine whether any portion of any document is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(v) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In deciding whether a requester properly belongs in this category, the General Counsel will determine the use to which a requester will put the documents requested. When the General Counsel has reasonable cause to doubt such intended use, or where such use is not clear from the request itself, the General Counsel will seek additional clarification before assigning the request to a specific category.

(vi) *Educational institution* means a school, an institution of higher education, an institution of professional education, or an institution of vocational education that operates a program or programs of scholarly research.

(vii) *Noncommercial scientific institution* means an institution that is not operated on a commercial basis and that is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(viii) *Representative of the news media* means any person actively gathering news for an entity that is

organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. News media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news) who make their products available for purchase or subscription by the general public. Freelance journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(2) *Costs to be included in fees.* The direct costs included in fees will vary according to the following categories of requests:

(i) *Commercial use requests.* Fees will include the Commission's direct costs for searching for, reviewing, and duplicating the requested records.

(ii) *Educational and noncommercial scientific institution requests.* The Commission will provide documents to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request is being made under the auspices of a qualifying institution and that the records are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a noncommercial scientific institution) research.

(iii) *Requests from representatives of the news media.* The Commission will provide documents to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category a requester must meet the criteria in paragraph (e)(1)(viii) of this section.

(iv) *All other requests.* The Commission will charge requesters who do not fit into any of the categories in paragraphs (e)(2)(i) through (iii) of this section fees that cover the direct costs of searching for and duplicating records that are responsive to the requests, except for the first two hours of search time and the first 100 pages duplicated. However, requests from persons for records about themselves will continue to be treated under the fee provisions of the Privacy Act of 1974 and § 705.10 of this chapter.

(3) *Fee calculation.* Fees will be calculated as follows:

(i) *Manual search.* At the salary rate (basic pay plus 16 percent) of the employee(s) making the search.

(ii) *Computer search.* At the actual direct cost of providing the search, including computer search time directly attributable to search for records responsive to the request, runs, and operator salary apportionable to the search.

(iii) *Review* (commercial use requests only). At the salary rate (basic pay plus 16 percent) of the employee(s) conducting the review. Only the review necessary at the initial administrative level to determine the applicability of any exemption, and not review at the administrative appeal level, will be included in the fee.

(iv) *Duplication.* At 20 cents per page for paper copy. For copies of records prepared by computer (such as tapes or printouts), the actual cost of production, including operator time, will be charged.

(v) *Additional services; certification.* Express mail and other additional services that may be arranged by the requester will be charged at actual cost. The fee for certification or authentication of copies shall be \$3.00 per document.

(vi) *Assessment of interest.* The Commission may begin assessing interest charges on the 31st day following the day the fee bill is sent. Interest will be at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of billing.

(vii) No fee shall be charged if the total billable cost calculated under paragraphs (e)(2) and (3) of this section is less than \$10.00.

(4) *Waiver or reduction of fees.* (i) Documents will be furnished without charge, or at a reduced charge, where disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

(ii) Whenever a waiver or reduction of fees is granted, only one copy of the record will be furnished.

(iii) The decision of the General Counsel on any fee waiver or reduction request shall be final and unappealable.

(5) *Payment procedures*—(i) *Fee payment.* Payment of fees shall be made by cash (if delivered in person), check, or money order payable to the United States Commission on Civil Rights.

(ii) *Notification of fees.* No work shall be done that will result in fees in excess of \$25.00 without written authorization from the requester. Where it is anticipated that fees will exceed \$25.00, and the requester has not indicated in advance a willingness to pay fees as high as are anticipated, the requester

will be notified of the amount of the projected fees. The notification shall offer the requester an opportunity to confer with the General Counsel in an attempt to reformulate the request so as to meet the requester's needs at a lower cost. The administrative time limits prescribed in 5 U.S.C. 552(a)(6) will not begin until after the requester agrees in writing to accept the prospective charges.

(6) *Advance payment of fees.* When fees are projected to exceed \$250.00, the requester may be required to make an advance payment of all or part of the fee before the request is processed. If a requester has previously failed to pay a fee in a timely fashion (*i.e.*, within 30 days of the billing date), the requester will be required to pay the full amount owed plus any applicable interest, and to make an advance payment of the full amount of the estimated fee before a new or pending request is processed from that requester. The administrative time limits prescribed in 5 U.S.C. 552(a)(6) will not begin until after the requester has complied with this provision.

(7) *Other provisions*—(i) *Charges for unsuccessful search.* Charges may be assessed for time spent searching for requested records, even if the search fails to locate responsive records or the records are determined, after review, to be exempt from disclosure.

(ii) *Aggregating requests to avoid fees.* Multiple requests shall be aggregated when the General Counsel reasonably determines that a requester or group of requesters is attempting to break down a request into a series of requests to evade fees.

(iii) *Debt Collection Improvement Act of 1996.* The Debt Collection Improvement Act of 1996 (Pub. L. 104-134), including disclosure to consumer reporting agencies and use of collection agencies, will be used to encourage payment where appropriate.

(f) *Exemptions* (5 U.S.C. 552(b))—(1) *General.* The Commission may exempt from disclosure matters that are:

(i)(A) Specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and

(B) Are in fact properly classified pursuant to such Executive Order.

(ii) Related solely to the internal personnel rules and practices of an agency;

(iii) Specifically exempted from disclosure by statute;

(iv) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(v) Interagency or intra-agency memoranda or letters that would not be

available by law to a party other than an agency in litigation with the agency;

(vi) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(vii) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(A) Could reasonably be expected to interfere with enforcement proceedings;

(B) Could deprive a person of a right to a fair trial or an impartial adjudication;

(C) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(D) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution that furnished information on a confidential basis;

(E) Could disclose techniques and procedures for all enforcement investigations or prosecutions, or could disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(F) Could reasonably be expected to endanger the life or physical safety of any individual;

(viii) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; and

(ix) Geological and geophysical information and data, including maps, concerning wells.

(2) Investigatory records or information. (5 U.S.C. 552(b)(7)).

(i) Among the documents exempt from disclosure pursuant to paragraph (f)(1)(vii) of this section shall be records or information reflecting investigations that either are conducted for the purpose of determining whether a violation(s) of legal right has taken place, or have disclosed that a violation(s) of legal right has taken place, but only to the extent that production of such records or information would fall within the classifications established in paragraphs (f)(1)(vii)(B) through (F) of this section.

(ii) Among the documents exempt from disclosure under paragraphs (f)(1)(vii)(D) and (f)(2)(i) of this section concerning confidential sources shall be documents that disclose the fact or the substance of a communication made to the Commission in confidence relating to an allegation or support of an allegation of wrongdoing by certain persons. It is

sufficient under this section to indicate the confidentiality of the source if the substance of the communication or the circumstances of the communication indicate that investigative effectiveness could reasonably be expected to be inhibited by disclosure.

(iii) Whenever a request is made that involves access to records described in paragraph (f)(1)(vii)(A) of this section and the investigation or proceeding involves a possible violation of criminal law and there is reason to believe that the subject of the investigation or proceeding is not aware of its pendency and disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings, the Commission may, during only such time as that circumstance continues, treat the records as not subject to the requirements of 5 U.S.C. 552 and this section.

(3) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions that are exempt under this section.

(g) *Administrative appeals.* (1) These procedures apply whenever a requester is denied records under paragraph (d)(2)(i) of this section.

(2) Parties may appeal decisions under paragraph (d)(2)(i) of this section within 90 days of the date of such decision by filing a written request for review addressed to the Staff Director, U.S. Commission on Civil Rights, 624 9th Street, NW., Washington, DC 20425, by certified mail, including a copy of the written denial, and may include a statement of the circumstances, reasons or arguments advanced in support of disclosure. Review will be made by the Staff Director on the basis of the written record.

(3) The decision on review of any appeal filed under this section shall be in writing over the signature of the Staff Director will be promptly communicated to the person requesting review and will constitute the final action of the Commission.

(4) Determinations of appeals filed under this section shall be made within 20 working days after the receipt of such appeal. If, on appeal, denial of records is in whole or part upheld, the Staff Director shall notify the persons making such request of the provisions for judicial review of that determination under 5 U.S.C. 552(a)(6).

(5) An extension of time may be granted under this section pursuant to criteria established in paragraph (d)(3)(ii) (A) through (C) of this section, except that such extension together with any extension, which may have been granted pursuant to paragraph (d)(3)(ii)

of this section, may not exceed a total of 10 working days.

§ 704.2 Complaints.

Any person may bring to the attention of the Commission a grievance that he or she believes falls within the jurisdiction of the Commission, as set forth in section 3 of the Act. This shall be done by submitting a complaint in writing to the Office of Civil Rights Evaluation, U.S. Commission on Civil Rights, 9th Street, NW., Washington, DC 20425. § 705.5 Disclosure of requested information to individuals.

The General Counsel, or one or more assistants designated by him or her, upon receiving a request for notification of the existence of a record or for access to a record shall:

Within ten (10) working days (excluding Saturdays, Sundays and legal public holidays) of the receipt of the request for the correction or amendment of a record, the General Counsel shall acknowledge receipt of the request and inform the individual that his or her request has been received and inform the individual whether further information is required before the correction or amendment can be considered. Further, the General Counsel shall promptly and, under normal circumstances, not later than thirty (30) working days after receipt of the request, make the requested correction or amendment or notify the individual of his or her refusal to do so, including in the notification the reasons for the refusal and the procedures established by the Commission by which the individual may initiate a review of that refusal. In the event of correction or amendment, an individual shall be provided with one copy of each record or portion thereof corrected or

amended pursuant to his or her request without charge as evidence of the correction or amendment. The Commission shall also provide to all prior recipients of such a record, the corrected or amended information to the extent that it is relevant to the information previously furnished to a recipient pursuant to the Privacy Act.

§ 705.8 Appeal of an initial adverse agency determination.

(a) Any individual whose request for access or for a correction or amendment that has been denied, in whole or in part, by the General Counsel may appeal that decision to the Staff Director of the Commission, 624 9th Street, NW., Washington, DC 20425, or to a designee of the Staff Director.

(c) Not later than thirty (30) working days (excluding Saturdays, Sundays, and legal public holidays) after the date on which the agency received the appeal, the Staff Director shall complete his or her review of the appeal and make a final decision thereon, unless, for good cause shown, the Staff Director extends the appeal period beyond the initial thirty (30) day appeal period. In the event of such an extension, the Staff Director shall promptly notify the individual making the appeal that the period for a final decision has been extended.

(d) After review of an appeal request, the Staff Director will send a written notice to the requester containing the following information:

- (1) The decision; and if the denial is upheld, the reasons for the decision;
- (2) The right of the requester to institute a civil action in a Federal District Court for judicial review of the decision if the appeal is denied; and
- (3) The right of the requester to file with the Commission a concise statement setting forth the reasons for his or her disagreement with the Commission's decision denying the request. The Commission shall make this statement available to any person to whom the record is later disclosed together with a brief statement, if the Commission considers it appropriate, of

the agency's reasons for denying the requested correction or amendment. These statements shall also be provided to all prior recipients of the record to the extent that it is relevant to the information previously furnished to a recipient pursuant to the Privacy Act.

§ 705.9 Disclosure of records to a person other than the individual to whom the record pertains.

(a) Any individual who desires to have his or her record disclosed to or mailed to a third person may authorize that person to act as his or her agent for that specific purpose. The authorization shall be in writing, signed by the individual, and notarized. The agent shall also submit proof of his or her own identity as provided in § 705.4.

(b) The parent of any minor individual or the legal guardian of any individual who has been declared by a court to be incompetent, due to physical or mental incapacity, may act on behalf of that individual in any matter covered by this part. A parent or guardian who desires to act on behalf of such an individual shall present suitable evidence of parentage or guardianship by birth certificate, copy of a court order or similar documents, and proof of the individual's identity as provided in § 705.4.

(c) An individual to whom a record is to be disclosed, in person, pursuant to this part may have a person of his or her own choosing accompany the individual when the record is disclosed.

§ 705.10 Fees.

If an individual requests copies of his or her records the charge shall be three (3) cents per page; however, the Commission shall not charge for copies furnished to an individual as a necessary part of the process of disclosing the record to an individual. Fees may be waived or reduced in accordance with § 704.1(e) of this chapter because of indigency, where the cost is nominal, when it is in the public interest not to charge, or when waiver would not constitute an unreasonable expense to the Commission.

§ 705.11 Penalties.

Any person who makes a false statement in connection with any request for a record, or in any request for an amendment to a record under this part, is subject to the penalties prescribed in 18 U.S.C. 494 and 495.

§ 705.12 Special procedures: Information furnished by other agencies.

When records or information sought from the Commission include information furnished by other Federal agencies, the General Counsel shall

consult with the appropriate agency prior to making a decision to disclose or to refuse to disclose the record, but the decision whether or not to disclose the record shall be made by the General Counsel.

§ 705.13 Exemptions.

(a) Under the provision of 5 U.S.C. 552a(k), it has been determined by the agency that the following exemptions are necessary and proper and may be asserted by the agency:

(1) *Exemption (k)(2) of the Act.* Investigatory material compiled for law enforcement purposes, other than material within the scope of subsection (j)(2) of the Privacy Act: Provided, however, That if any individual is denied any right, privilege, or benefit that he or she would otherwise be eligible for, as a result of the maintenance of such material, such material shall be provided to such individual, except to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to [the effective date of this section], under an implied promise that the identity of the source would be held in confidence.

(2) *Exemption (k)(4) of the Act.* Statistical personnel records that are used only to generate aggregate data or for other evaluative or analytical purposes and that are not used to make decisions on the rights, benefits, or entitlements of individuals.

(3) *Exemption (k)(5) of the Act.* Investigatory material maintained solely for the purposes of determining an individual's qualifications, eligibility, or suitability for employment in the Federal civilian service, Federal contracts, or access to classified information, but only to the extent that disclosure of such material would reveal the identity of the source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence.

(4) *Exemption (k)(6) of the Act.* Testing or examination material used solely to determine individual qualifications for promotion or appointment in the Federal service the disclosure of which would compromise the objectivity or fairness of the testing or examination process.

(b) Following are Commission systems of records that are partially exempt under 5 U.S.C. 552a(k)(2), (4),

(5), and (6) and the reasons for such exemptions:

(1) Appeals, Grievances, and Complaints (staff)—Commission Project, CRC-001. Exempt partially under 5 U.S.C. 552a(k)(2). The reasons for possibly asserting the exemptions are to prevent subjects of investigation from frustrating the investigatory process, to prevent disclosure of investigative techniques, to maintain the ability to obtain necessary information, to fulfill commitments made to sources to protect their identities and the confidentiality of information and to avoid endangering these sources.

(2) Complaints, CRC-003—Exempt partially under 5 U.S.C. 552a(k)(2). The reasons for possibly asserting the exemptions are to prevent subjects of investigation from frustrating the investigatory process, to prevent disclosure of investigative techniques, to maintain the ability to obtain necessary information, to fulfill commitments made to sources to protect their identities and the confidentiality of information and to avoid endangering these sources.

(3) Commission projects, CRC-004—Partially exempt under 5 U.S.C. 552a(k)(2). The reasons for asserting the exemptions are to prevent subjects of investigation from frustrating the investigatory process, to prevent disclosure of investigative techniques, to maintain the ability to obtain necessary information, to fulfill commitments made to sources to protect their identities and the confidentiality of information and to avoid endangering these sources.

(4) Other Employee Programs: EEO, Troubled Employee, and Upward Mobility, CRC-006—Partially exempt under 5 U.S.C. 552a(k)(4), (5), and (6). The reasons for asserting the exemptions are to maintain the ability to obtain candid and necessary information, to fulfill commitments made to sources to protect the confidentiality of information, to avoid endangering these sources and, primarily, to facilitate proper selection or continuance of the best applicants or persons for a given position.

(5) State Advisory Committees Projects, CRC-009—Partially exempt under 5 U.S.C. 552a(k)(2). The reasons for possibly asserting the exemptions are to prevent subjects of investigation from frustrating the investigatory process, to prevent disclosure of investigative techniques, to maintain the ability to obtain necessary information, to fulfill commitments made to sources to protect their identities and the confidentiality of information and to avoid endangering these sources.

§ 705.95 Accounting of the disclosures of records.

(a) All disclosures of records covered by this part, except for the exemptions listed in paragraph (b) of this section, shall be accounted for by keeping a written record of the particular record disclosed, the name and address of the person or agency to whom or to which disclosed, and the date, nature, and purpose of the disclosure.

(b) No accounting is required for disclosures of records to those officials and employees of the Commission who have a need for the record in the performance of their duties or if disclosure would be required under the Freedom of Information Act, 5 U.S.C. 552.

(c) The accounting shall be maintained for 5 years or until the record is destroyed or transferred to the National Archives and Records Administrator for storage, in which event, the accounting pertaining to those records, unless maintained separately, shall be transferred with the records themselves.

(d) The accounting of disclosures may be recorded in any system the Commission determines is sufficient for this purpose, however, the Commission must be able to construct from its system a listing of all disclosures. The system of accounting of disclosures is not a system of records under the definition in § 705.2(e) and no accounting need be maintained for disclosure of the accounting of disclosures.

(e) Upon request of an individual to whom a record pertains, the accounting of the disclosures of that record shall be made available to the requester, provided that he or she has complied with § 705.3(a) and with § 705.4(c) or (d).

Subpart A—General Provisions**§ 706.1 Implementation of regulations.**

The U.S. Commission on Civil Rights (hereinafter referred to as the Commission) through the regulations in this part, implements, with appropriate modifications, relevant sections of Part III of Title 5 of the United States Code.

§ 706.2 Purpose.

The maintenance of unusually high standards of honesty, integrity, impartiality, and conduct by Government employees and special Government employees is essential to assure the proper performance of the Government's business and the maintenance of confidence by citizens in their Government. The avoidance of misconduct and conflicts of interest on the part of Government employees and special Government employees through informed judgment is indispensable to the maintenance of these standards. To accord with these concepts, this part sets forth the Commission's regulations covering the agency's employees and special Government employees, prescribing standards of conduct and responsibilities and governing statements reporting employment and financial interests.

§ 706.3 Definitions.

In this part:

Commission means the United States Commission on Civil Rights, an Executive agency as defined by 5 U.S.C. 105.

Employee means an officer or employee of the Commission including a special Government employee, as defined in 18 U.S.C. 202.

Executive order means Executive Order 11222 of May 8, 1965, (3 CFR, 1964–1965 Comp., p. 306), prescribing standards of ethical conduct for Government officers and employees.

Person means an individual, a corporation, a company, an association, a firm, a partnership, a society, a joint stock company, or any other organization or institution.

§ 706.4 Distribution.

(a) Within 90 days after August 30, 2002, the Commission shall furnish each employee with a copy of the regulations in this part.

(b) The Commission shall furnish all new employees with a copy of the regulations at the time of their entrance on duty.

(c) The Commission shall bring the regulations to the attention of each employee annually and at such other times as circumstances warrant.

(d) The Commission shall have available for review by employees copies of relevant laws, the Executive order, and pertinent Commission instructions relating to ethical and other standards of conduct.

§ 706.5 Counseling.

The General Counsel of the Commission shall serve as the agency's ethical conduct counselor and is the designated agency official for the purposes of the Ethics in Government Act. The General Counsel shall respond to requests by employees and special Government employees for advice and guidance respecting questions of ethical conduct, conflicts of interest, reporting of financial interests and other matters of law covered by the regulations in this part.

§ 706.6 Disciplinary and other remedial action.

An employee of the Commission who violates any of the regulations in this part may be disciplined. The disciplinary action may be in addition to any penalty prescribed by law for the violation. In addition to or in lieu of disciplinary action, remedial action to end conflicts or appearance of conflicts of interests may include but is not limited to:

- (a) Changes in assigned duties;
- (b) Divestment by an employee of any conflicting interest; or
- (c) Disqualification for a particular assignment.

§ 706.7 Outside employment and other activity.

Employees of the Commission may engage in outside employment or other outside activity not incompatible with the full and proper discharge of the duties and responsibilities of their Government employment. Employees who wish to engage in outside employment shall first obtain the approval, in writing, of their supervisor.

§ 706.8 Prohibition against disclosure of evidence.

All employees of the Commission are subject to the prohibition on disclosure of evidence taken in executive session contained in § 702.6 of this chapter.

Subpart B—Ethical and Other Conduct and Responsibilities of Employees**§ 706.9 Proscribed actions.**

An employee shall avoid any action, whether or not specifically prohibited by this subpart, which might result in, or create the appearance of:

- (a) Using public office for private gain;
- (b) Giving preferential treatment to any person;
- (c) Impeding Commission efficiency or economy;
- (d) Making a Commission decision outside official channels;
- (e) Losing complete independence or impartiality; or
- (f) Affecting adversely the confidence of the public in the integrity of the Commission.

§ 706.10 Gifts, entertainment, and favors.

(a) Except as provided in paragraphs (b) and (e) of this section, an employee shall not solicit or accept, directly or indirectly, any gift, gratuity, favor, entertainment, loan, or any other thing of monetary value from a person who:

- (1) Has, or is seeking to obtain, contractual or other business or financial relations with the Commission;
- (2) Conducts operations or activities that are regulated by the Commission; or
- (3) Has interests that may be substantially affected by the performance or nonperformance of the employee's official duty.

(b) Exceptions from the prohibitions contained in paragraph (a) of this section are as follows:

- (1) Gifts, entertainment, and favors that derive from family or personal relationships (such as those between parents, children, or spouse of the employee and the employee) when the circumstances make it clear that it is those relationships rather than the business of the persons concerned that are the motivating factors;
- (2) Acceptance of food and refreshments of nominal value on infrequent occasions in the ordinary course of a luncheon or dinner meeting or other meeting or on an inspection tour where an employee may properly be in attendance;
- (3) Acceptance of loans from banks or other financial institutions on customary terms to finance proper and usual activities of employees, such as home mortgage loans; and

This paragraph, however, does not prohibit a voluntary gift of nominal value or donation in a nominal amount made on a special occasion such as marriage, illness, or retirement.

(d) An employee shall not accept a gift, present, decoration, or other thing from a foreign government unless authorized by Congress as provided by the Constitution and 5 U.S.C. 7342.

(e) Neither this section nor § 706.11 precludes an employee from receipt of bona fide reimbursement, unless prohibited by law, for expenses of travel and such other necessary subsistence as is compatible with this part, for which no Government payment or reimbursement is made. This paragraph, however, does not allow employees to be reimbursed, or payment to be made on their behalf, for excessive personal living expenses, gifts, entertainment, or other personal benefits.

§ 706.11 Proscribed outside employment and other activities.

(a) An employee shall not engage in outside employment or other outside activity not compatible with the full and proper discharge of the duties and responsibilities of Government employment. Incompatible activities include but are not limited to:

- (1) Acceptance of a fee, compensation, gift, payment of expense, or any other thing of monetary value in circumstances in which acceptance may result in, or create the appearance of conflict(s) of interest; or
- (2) Outside employment that tends to impair mental or physical capacity to perform Governmental duties and responsibilities in an acceptable manner.

(b) An employee shall not receive any salary or anything of monetary value from a private source as compensation for service to the Government as prohibited by 18 U.S.C. 209.

(c) Employees are encouraged to engage in teaching, lecturing, and writing that is not prohibited by law, the Executive order, or Commission regulations. An employee shall not, either for or without compensation, engage in teaching, lecturing, or writing, including teaching, lecturing, or writing for the purpose of the special

preparation of a person or class of persons for an examination of the Office of Personnel Management or Board of Examiners for the Foreign Service, which depends on information obtained as a result of Government employment, except when that information has been made available to the general public or will be made available on request or when the agency head gives written authorization for use of nonpublic information on the basis that the use is in the public interest. In addition, an employee who is a Presidential appointee covered by section 401(a) of the order shall not receive compensation or anything of monetary value for any consultation, lecture, discussion, writing, or appearance the subject matter of which is devoted substantially to the responsibilities, programs, or operations of the Commission or which draws substantially on official data or ideas that have not become part of the body of public information.

(d) This section does not preclude an employee from:

- (1) Participation in the activities of national or State political parties not proscribed by law;
- (2) Participation in the affairs of or acceptance of an award for a meritorious public contribution or achievement given by a charitable, religious, professional, social, fraternal, nonprofit educational and recreational public service, or civic organization; or
- (3) Outside employment permitted under the regulations in this part.

§ 706.12 Financial interests.

(a) Employees shall not:

- (1) Have a direct or indirect financial interest that conflicts substantially, or appears to conflict substantially, with their Government duties and responsibilities; or
- (2) Engage in, directly or indirectly, a financial transaction as a result of, or primarily relying on, information obtained through their Government employment.

(b) This section does not preclude an employee from having a financial interest or engaging in financial transactions to the same extent as a private citizen not employed by the Government, so long as it is not prohibited by law, the Executive order, or Commission regulations.

(c) This section does not preclude an employee from having a financial interest or engaging in financial transactions to the same extent as a private citizen not employed by the Government, so long as it is not prohibited by law, the Executive order, or Commission regulations.

§ 706.13 Use of Government property.

Employees shall not directly or indirectly use, or allow the use of, Government property of any kind, including property leased to the Government, for other than officially approved activities. Employees have a

positive duty to protect and conserve Government property, including equipment, supplies, and other property entrusted or issued them.

For the purpose of furthering a private interest, employees shall not directly or indirectly use, or allow the use of, official information obtained through or in connection with their Government employment that has not been made available to the general public.

§ 706.15 Indebtedness.

An employee shall pay each just financial obligation in a proper and timely manner, especially one imposed by law such as Federal, State, or local taxes. For the purpose of this section, a just financial obligation means one acknowledged by the employee or reduced to judgment by a court, and in a proper and timely manner means in a manner that the agency determines does not, under the circumstances, reflect adversely on the Government as the employer. In the event of dispute between an employee and an alleged creditor, this section does not require the Commission to determine the validity or amount of the disputed debt.

§ 706.16 Gambling, betting, and lotteries.

Employees shall not participate while on Government-owned or leased property or while on duty for the Government in any gambling activity including the operation of a gambling device, in conducting a lottery or pool, in a game for money or property, or in selling or purchasing a numbers slip or ticket.

(c) The Agency shall take appropriate steps to provide individuals with disabilities with information regarding their section 504 rights under the Agency's programs or activities.

§ 707.6 General prohibitions against discrimination.

(a) No qualified individual with disabilities shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the Agency.

(b)(1) The Agency, in providing any aid, benefit, or service, shall not, directly or through contractual, licensing, or other arrangements, on the basis of disability—

(i) Deny a qualified individual with disabilities the opportunity to participate in or benefit from the aid, benefit(s), or service(s);

(ii) Afford a qualified individual with disabilities an opportunity to participate in or benefit from the aid, benefit(s), or service(s) that are not equal to that afforded others;

(iv) Provide different or separate aid, benefits, or services to individuals with disabilities or to any class of individuals with disabilities than are provided to others unless such action is necessary to provide qualified individuals with disabilities with aid, benefits, or services that are as effective as those provided to others:

(v) Deny a qualified individual with disabilities the opportunity to participate as a member of planning or advisory boards or committees; or

(vi) Otherwise limit a qualified individual with disabilities in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit(s), or service(s).

(2) The Agency shall not deny a qualified individual with disabilities the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The Agency shall not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with disabilities to discrimination on the basis of disability; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(4) The Agency shall not in determining the site or location of a facility or activity make selections the purpose or effect of which would—

(i) Exclude individuals with disabilities from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the Agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(5) The Agency, in the selection of procurement contractors, shall not use criteria that subject qualified individuals with disabilities to discrimination on the basis of disability.

needs of qualified individuals with disabilities.

§ 707.7 Employment.

No qualified individual with disabilities shall, on the basis of disability, be subjected to discrimination in employment under any program or activity conducted by the Agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR 1614.101 through 1614.110, shall apply to employment in programs or activities conducted by the Agency.

§ 707.8 Physical access.

(a) *Discrimination prohibited.* Except as otherwise provided in this section, no qualified individual with disabilities shall, because the Agency's facilities are inaccessible to or unusable by individuals with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Agency.

(b) *Existing facilities-program access—(1) Existing facilities defined.* For the purpose of this section, existing facilities means those facilities owned, leased or used through some other arrangement by the Agency on March 28, 1990.

(2) *General.* The Agency shall operate each program or activity conducted in an existing facility so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with disabilities. This paragraph does not—

(i) Necessarily require the Agency to make each of its existing facilities accessible to and usable by individuals with disabilities

(ii) Require the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Agency has the burden of proving that compliance with this paragraph would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Staff Director or his or her designee after considering all Agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a

written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the Agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with disabilities receive the benefits and services of the program or activity.

(3) *Methods.* (i) The Agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to individuals with disabilities, delivery of services at alternative accessible sites, alteration of existing facilities and construction of new facilities, use of accessible vehicles, or any other methods that result in making its program or activities readily accessible to and usable by individuals with disabilities.

(ii) The Agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (b)(2) of this section. The Agency, in making alterations to existing buildings to achieve program accessibility, shall meet accessibility requirements imposed by the Architectural Barriers Act of 1968, 42 U.S.C. 4151 through 4157,

(iii) In choosing among available methods for meeting the requirements of this section, the Agency shall give priority to those methods that offer programs and activities to qualified individuals with disabilities in the most integrated setting appropriate to the needs of qualified individuals with disabilities.

(4) *Time period for compliance.* The Agency shall comply with the obligations established under this section before April 17, 1990, except that where structural changes in facilities are undertaken, such changes shall be made before February 16, 1993, but in any event as expeditiously as possible.

(5) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Agency shall develop, before August 16, 1990, a transition plan setting forth the steps necessary to complete such changes. The Agency shall provide an opportunity to interested persons, including individuals with disabilities and organizations representing individuals with disabilities, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public

inspection. The plan shall, at a minimum—

(i) Identify physical obstacles in the Agency's facilities that limit the accessibility of its programs or activities to individuals with disabilities;

(ii) Describe in detail the methods that will be used to make the facilities accessible;

(iii) Specify the schedule for taking the steps necessary to achieve compliance with this paragraph and, if the time period of the transition plan is longer than 1 year, identify steps that will be taken during each year of the transition period; and

(iv) Indicate the official response for implementation of the plan.

(6) The Agency shall provide signs at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(c) *New purchases, leases, or other arrangements.* (1) Any building or facility acquired after March 28, 1990, whether by purchase, lease (other than lease renewal), or any other arrangement, shall be readily accessible to and usable by individuals with disabilities.

(2) Nothing in this paragraph requires the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Agency has the burden of proving that compliance with this paragraph would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Staff Director or his or her designee after considering all Agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the Agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with disabilities receive the benefits and services of the program or activity.

(d) *New construction and alterations.* Each building or part of a building that

is constructed or altered by, on behalf of, or for the use of the Agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with disabilities in accordance with the requirements imposed by the Architectural Barriers Act of 1968, 42 U.S.C. 4151 through 4157.

§ 707.9 Access to communications.

(a) *Discrimination prohibited.* Except as otherwise provided in this section, no qualified individual with disabilities shall, because the Agency's communications are inaccessible to or unusable by individuals with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Agency.

(b) The Agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(c) *Specific requirements regarding oral communications—*(1)

Telecommunications devices for deaf persons. (i) The Agency headquarters and each regional office shall maintain and reliably answer at least one telecommunications device for deaf persons (TDD) or equally effective telecommunications device.

(ii) The Agency shall ensure that all Agency letterhead, forms, and other documents listing any Agency telephone number list the appropriate TDD numbers.

(2) *Interpreter service.* (i) The Agency shall establish a reliable system for the provision of qualified interpreters to individuals with disabilities for Agency programs or activities. This provision does not require the Agency to have an interpreter on staff, but does require the Agency to be able to provide a qualified interpreter on reasonable notice.

(ii) *Notice of the availability of interpreter service* shall be included in all announcements notifying the public of Agency activities to which the public is invited or which it is permitted to attend, including but not limited to the Commission's meetings, consultations, hearings, press conferences, and State Advisory Committee conferences and meetings. This notice shall designate the Agency official(s) and the address, telephone and TDD number to call to request interpreter services.

(d) *Specific requirements for printed communications.* (1) The Agency shall establish a system to provide to individuals with disabilities appropriate reader or taping service for all Agency publications that are available to the

public. This provision does not require the Agency to have a reader or taper on staff, but does require the Agency to be able to provide appropriate reader or taping service within a reasonable time and on reasonable notice. The Agency shall effectively notify qualified individuals with disabilities of the availability of reader or taping services.

(2) *Notice of the availability of reader or taping service* shall be included in all publications that are available to the public. This notice shall designate the Agency official(s) and the address, telephone, and TDD number to call to request interpreter services.

(e) *Nothing in this section or § 707.10 requires the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.* In those circumstances where Agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Agency has the burden of proving that compliance with this section or § 707.10 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Staff Director or his or her designee after considering all Agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this paragraph would result in such an alteration or such burdens, the Agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits and services of the program or activity.

§ 707.10 Auxiliary aids.

(a) The Agency shall furnish appropriate auxiliary aids where necessary to afford an individual with disabilities an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Agency.

(b) In determining what type of auxiliary aid is necessary, the Agency shall give primary consideration to the requests of the individual with disabilities.

(c) The Agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

§ 707.11 Eliminating discriminatory qualifications and selection criteria.

The Agency shall not make use of any qualification standard, eligibility requirement, or selection criterion that excludes particular classes of individuals with disabilities from an Agency program or activity merely because the persons are disabled, without regard to an individual's actual ability to participate. An irrebuttable presumption of inability to participate based upon a disability shall be permissible only if the condition would, in all instances, prevent an individual from meeting the essential eligibility requirements for participating in, or receiving the benefits of, the particular program or activity.

§ 707.12 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of disability in programs or activities conducted by the Agency.

(b) The Agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established in 29 U.S.C. 791 by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Responsibility for implementation and operation of this section shall be vested in the Office of General Counsel.

(d) The Agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The Agency may extend this time period for good cause.

(e) If the Agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The Agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, 42 U.S.C. 4151 through 4157, is not readily accessible to and usable by individuals with disabilities.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the Agency shall notify the complainant of the results of the investigation in a letter containing—

- (1) Findings of fact and conclusions of law;
- (2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the Agency of the letter required by paragraph (g) of this section. The Staff Director may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the Staff Director or the Staff Director's designee.

(j) The Agency shall notify the complainant in writing of the results of the appeal within 60 days of the receipt of the request. If the head of the Agency determines that additional information is needed from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (d), (g), (h), and (j) of this section may be extended for an individual case when the Staff Director determines that there is good cause, based on the particular circumstances of that case, for the extension.

(l) The Agency may delegate its authority for conducting complaint investigations to other Federal agencies; however, the authority for making the final determination may not be delegated to another Agency.

(3) The Commission shall not review the merits of the creditor agency's determination of the amount of the certified claim or of its validity.

(4) If the employee transfers to another paying agency after the creditor

agency has submitted its debt claim but before the debt is collected completely, the Commission must certify the total amount collected to the creditor agency with notice of the employee's transfer. One copy of this certification must be furnished to the employee. The creditor agency will submit a properly certified claim to the new paying agency before collection can be resumed.

(5) When the Commission, as a paying agency, receives an incomplete debt claim from a creditor agency, it must return the debt claim with a notice that procedures under 5 U.S.C. 5514 and this subpart must be provided and a properly certified debt claim received before action will be taken to collect from the employee's current pay account.

§ 708.10 Procedures for salary offset.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Assistant Staff Director for Management's written notice of intent to collect from the employee's current pay, unless alternative arrangements for repayment are made.

(b) If the employee filed a petition for a hearing with the Assistant Staff Director for Management before the expiration of the period provided, then deductions will begin after the hearing official has provided the employee with a hearing, and a final written decision has been rendered in favor of the Commission.

(c) A debt will be collected in a lump-sum if possible.

(d) If an employee is financially unable to pay in one lump sum or the amount of the debt exceeds 15 percent of disposable pay for an officially established pay interval, collection must be made in installments. The size of the installment deduction(s) will bear a reasonable relationship to the size of the debt and the deduction will be established for a period not greater than the anticipated period of employment. The deduction for the pay intervals for any period must not exceed 15% of disposable pay unless the employee has agreed in writing to a deduction of a greater amount. If possible, the installment payment will be sufficient in size and frequency to liquidate the debt in no more than three years.

(e) Installment payments may be less than 15 percent of disposable pay if the Assistant Staff Director for Management determines that the 15 percent deduction would create an extreme financial hardship.

(f) Installment payments of less than \$25.00 per pay period or \$50.00 per

month, will only be accepted in the most unusual circumstances.

(g) Unliquidated debts may be offset by the paying agency under 31 U.S.C. 3716 against any financial payment due to a separating employee including but not limited to final salary payment, retired pay, or lump sum leave, etc. as of the date of separation to the extent necessary to liquidate the debt.

(h) If the debt cannot be liquidated by offset from any final payment due a separated employee it may be recovered by the offset in accordance with 31 U.S.C. 3716 from any later payments due the former employee from the United States.

§ 708.11 Refunds.

(a) The Commission will refund promptly any amounts deducted to satisfy debts owed to the Commission when the debt is waived, found not owed to the Commission, or when directed by an administrative or judicial order; or the creditor agency will

promptly return any amounts deducted and forwarded by the Commission to satisfy debts owed to the creditor agency when the debt is waived, found not owed, or when directed by an administrative or judicial order.

(b) Upon receipt of monies returned in accordance with paragraph (a) of this section, the Commission will refund the amount to the current or former employee.

(c) Unless required by law, refunds under this section shall not bear interest nor shall liability be conferred to the Commission for debt or refunds owed by other creditor agencies.

§ 708.12 Statute of limitations.

If a debt has been outstanding for more than 10 years after the agency's right to collect the debt first accrued, the agency may not collect by salary offset unless facts material to the government's right to collect were not known and could not reasonably have been known by the official or officials

who were charged with the responsibility for discovery and collection of such debts.

§ 708.13 Non-waiver of rights by payments.

An employee's involuntary payment of all or any part of a debt collected under the regulations in this part will not be construed as a waiver of any rights that employee may have under 5 U.S.C. 5514 or any other provision of contract or law unless there are statutory or contractual provisions to the contrary.

§ 708.14 Interest, penalties, and administrative costs.

Charges may be assessed for interest, penalties, and administrative costs.
