SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval of the following information collection:

Title: Privacy of Consumer Financial Information (12 CFR part 40).

OMB Number: 1557-0216.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB extend its approval of the information collection.

These information collection requirements are required under the Gramm-Leach-Bliley Act (Pub. L. 106-102) which required the OCC to issue regulations as necessary to implement notice requirements and restrictions on a financial institution's ability to disclose nonpublic personal information about consumers to nonaffiliated third parties.

The information collection requirements in part 40 are as follows: Section 40.4(a) requires a bank to provide an initial notice to consumers that accurately reflects its privacy policies and practices.

Section 40.5(a) requires a bank to provide a notice annually to customers during the continuation of the customer relationship that accurately reflects the bank's privacy policies and practices.

Section 40.7(a)(1) requires a bank to provide a clear and conspicuous notice to each of its consumers that accurately explains the right to opt out. The notice must state that the bank discloses or reserves the right to disclose nonpublic personal information to a nonaffiliated third party; that the consumer has the right to opt out of that disclosure; and a reasonable means by which the consumer may exercise the opt out right. Section 40.10(c) states that a bank may allow a consumer to select certain nonpublic personal information or certain nonaffiliated third parties with respect to which the consumer wishes to opt out (partial opt-out).

Section 40.8(a) requires a bank to provide consumers with a revised notice of the bank's policies and procedures and a new opt out notice, if the bank wishes to disclose information in a way that is inconsistent with the notices previously given to a consumer.

Part 40 also contains affirmative actions that consumers must take to exercise their rights. In order for consumers to prevent banks from sharing their information with nonaffiliated parties, they must opt out (§§ 40.7(a)(2)(ii), 40.10(a)(2) and 40.10(c)).

Consumers also have the right at any time during their continued relationship with the bank to change or update their opt out status with the bank (§§ 40.7(f) and (g)).

These information collection requirements ensure bank compliance with applicable Federal law. The requirements also inform banks of

consumers' preference regarding disclosure of their personal information and allow consumers to determine whether they want their personal information disclosed to nonaffiliated parties.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses or other for-profit; individuals.

Estimated Number of Respondents: 2,400.

Estimated Total Annual Responses: 2,400.

Estimated Burden Hours Per Response: 43 hours (disclosure burden, includes initial notice).

Estimated Burden Hours Per Response: 2 hours (reporting burden).

Frequency of Response: Annually.

Estimated Total Annual Burden: 108,000 hours.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;
