BILLING CODE 6717-01-P

DEPARTMENT OF THE TREASURY**Office of International Investment****31 CFR Part 800****Regulations Pertaining to Mergers, Acquisitions, and Takeovers by Foreign Persons****AGENCY:** Office of International Investment, Department of the Treasury.**ACTION:** Proposed rule.

SUMMARY: This proposed rule amends regulations in part 800 of 31 CFR that implement section 721 of Title VII of the Defense Production Act of 1950 (the "DPA"), as added by section 5021 of the Omnibus Trade and Competitiveness Act of 1988. The proposed regulation amends only those provisions relating to the filing of voluntary notice with the Committee on Foreign Investment in the United States (CFIUS).

DATES: Written comments on the proposed rule may be submitted on or before December 23, 2002.

ADDRESSES: Because paper mail in the Washington area may be subject to delay, commenters are encouraged to e-mail comments. Comments should be sent by one method only. Comments may be mailed to Gay Sills, Director, Office of International Investment, Room 4201 NY, Department of the Treasury, Washington, DC 20220, or sent electronically to CFIUS@do.treas.gov.

FOR FURTHER INFORMATION CONTACT: Gay Sills, Director, Office of International Investment, Department of the Treasury, 15th Street and Pennsylvania Ave., NW., Washington, DC 20220, (202) 622-1860.

SUPPLEMENTARY INFORMATION: Section 136 of the Defense Production Act Amendments of 1992 (Pub. L. 102-558) amended section 709 of the DPA by requiring that any regulation issued under the DPA be published in the **Federal Register** and that opportunity for public comment be provided for not less than thirty days. Due to the relatively routine nature of these regulations, the comment period will be 30 days.

This proposed regulation provides parties that file a notice with CFIUS under section 721 with the option of filing electronically, providing just a single paper copy to CFIUS, or the option of continuing the current practice of providing CFIUS 13 paper copies. By filing electronically, companies could substantially decrease the paperwork burden of providing CFIUS notice under section 721.

Executive Order 12866

These regulations are not subject to the requirements of Executive Order 12866 because they relate to a foreign and military affairs function of the United States.

Paperwork Reduction Act

The collections of information provided for in this rule have been previously reviewed and approved by the Office of Management and Budget in accordance with the Paperwork Reduction Act of 1980 (44 U.S.C. 3504(h)) under OMB control number 1505-0121. The proposed rule does not change the information collection other than to permit an alternative means of submitting notice to the Committee on Foreign Investment in the United States.

Regulatory Flexibility Act

This regulation implements section 721 of the Defense Production Act of 1950 ("Section 721") (50 U.S.C. App. 2170) ("DPA"). Section 709 of the DPA (50 U.S.C. App. 2159) provides that the regulations issued under it are not subject to the rulemaking requirements of the Administrative Procedure Act (5 U.S.C. 553). Notwithstanding this exemption, section 709 of the DPA was amended by section 136 of the Defense Production Act Amendments of 1992 (Pub. L. 102-558) to require any regulation issued under the DPA to be published in the **Federal Register** for at least thirty days to provide for public comment. This requirement subjects this proposed rule to the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). It is hereby certified that this proposed rule will not impose a significant economic impact on a substantial number of small businesses. Currently, the Treasury Department estimates that an average filing requires about 60 hours of preparation time. This proposed rule will permit parties to file notifications electronically, which is expected to reduce the preparation time somewhat because it will no longer be necessary to provide 13 paper copies of a filing. Instead, a filer can provide a single paper copy to the Treasury Department along with the electronic filing. Therefore, the impact of the proposed rule on small companies that file notifications with CFIUS is expected to be marginally beneficial.
