### Office of the Secretary

#### Proposed Collection; Comment Request

**AGENCY:** Office of the Under Secretary of Defense for Acquisition, Technology, and Logistics, Department of Defense.

**ACTION:** Notice.

In compliance with section 35006(c)(2)(A) of the Paperwork Reduction Act of 1995, the Under Secretary of Defense for Acquisition, Technology, and Logistics announces the proposed extension of a public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of DoD's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or forms of information technology.

**DATES:** Consideration will be given to all comments received by January 28, 2003.

**ADDRESSES:** Written comments and recommendations on the proposed information collection should be sent to the Defense Standardization Program Office (DSPO), Defense Logistics Agency, J-307, Attention: Ms. Karen Bond, 8725 John J. Kingman Road, STOP 6233, Fort Belvoir, VA 22060-6221; telephone: (703) 767-6871.

**FOR FURTHER INFORMATION CONTACT:** To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please contact the Defense Standardization Program Office (DSPO) at (703) 767-6871.

*Title, Associated Forms, and OMB Number:* Acquisition Management Systems and Data Requirements Control List (AMSDDL); Numerous Forms; 0704-0188.

*Needs and Uses:* The Acquisition Management Systems and Data Requirements Control List (AMSDDL) is a list of data requirements used in Department of Defense (DoD) contracts. The information collected will be used by DoD personnel and other DoD contractors to support the design, test, manufacture, training, operation, and maintenance of procured items, including weapons systems critical to the national defense.

*Notice:* The Acquisition Management Systems and Data Requirements Control List (AMSDDL) will be canceled once reference to it has been removed from the Defense Federal Acquisition Regulation. The data item descriptions listed in the AMSDDL will be listed in the Department of Defense Index of Specifications and Standards (DoDISS). The extension of this information collection will be revised when the AMSDDL has been canceled.

*Responses per Respondent:* 540.

*Average Burden per Response:* 110 hours.

*Frequency:* On occasion.

#### SUPPLEMENTARY INFORMATION:

##### Summary of Information Collection

The Acquisition Management Systems and Data Requirements Control List (AMSDDL) is a list of data requirements used in Department of Defense contracts. Information collection requests are contained in DoD contract actions for supplies, services, hardware, and software. This information is collected and used by DoD and its component Military Departments and Agencies to support the design, test, manufacture, training, operation, maintenance, and logistical support of procured items, including weapons systems. The collection of such data is essential to accomplishing the assigned mission of the Department of Defense. Failure to collect this information would have a detrimental effect on the DoD acquisition programs and the National Security.

#### Defense Science Board

**AGENCY:** Department of Defense.

**ACTION:** Notice of Advisory Committee Meeting.

**SUMMARY:** The Defense Science Board Task Force on Unexploded Ordnance (UXO) will meet in closed session on January 22-23, 2003, February 12-13, 2003, and March 12-13, 2003, at SAIC Inc., 4001 N. Fairfax Street, Arlington, VA. This Task Force will review modern technology that can be exploited or developed to reduce the extremely high cost of UXO clean up.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings, the Defense Science Board Task Force will review and evaluate the Department's ability to exploit modern technology to reduce the extremely high cost of UXO clean up and improve its effectiveness for both contaminated land and water ranges and help accomplish the job in a reasonable time; and science and technologies that can be developed to support and sustain continued live fire training and testing of munitions at ranges across the United States with an acceptable environmental impact.

In accordance with Section 10(d) of the Federal Advisory Committee Act, Pub. L. No. 92-463, as amended (5 U.S.C. App. II), it has been determined that this Defense Science Board Task Force meeting concerns matters listed in 5 U.S.C. 552b(c)(1) and that, accordingly, these meetings will be closed to the public.

#### Defense Science Board

**AGENCY:** Department of Defense.

**ACTION:** Notice of Advisory Committee Meetings.

**SUMMARY:** The Defense Science Board Task Force on Joint Experimentation will meet in closed session on December 2-3, 2002, and December 18, 2002, at Strategic Analysis Inc., 3601 Wilson Boulevard, Arlington, VA. This Task Force will examine joint experimentation programs and activities and will recommend ways to enhance the contributions of joint experimentation to transformation.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings, the Defense Science Board Task Force will review the Joint Forces Command's program of joint experimentation and recommend steps to enhance its value by examining the goals, process and substance of the experimentation program, to include: creating an environment that fosters innovation and learning; collecting, analyzing, interpreting, vetting and disseminating data; engaging the Services, other Commands, key U.S. government agencies and allies; and developing and using models, simulations and other tools. In addition, the Task Force will review the recently completed Millennium Challenge 02 to identify insights and opportunities that may not have been focused on by those closer to the activity.

In accordance with Section 10(d) of the Federal Advisory Committee Act, Pub. L. No. 92-463, as amended (5 U.S.C. App. II), it has been determined that these Defense Science Board Task Force meetings concern matters listed in 5 U.S.C. 552b(c)(1) and that, accordingly, these meetings will be closed to the public.

Due to critical mission requirements and the short timeframe to accomplish this review, there is insufficient time to provide timely notice required by Section 10(a)(2) of the Federal Advisory Committee Act and Subsection 101-6.1015(b) of the GSA Final Rule on Federal Advisory Committee Management, 41 CFR part 101-6, which further requires publication at least 15 calendar days prior to the first meeting of the Task Force on Joint Experimentation.
