Extension of Time Limits for the Final Results

Due to the complexity of issues, such as home-market affiliated downstream sales, U.S. further manufacturing sales and complicated cost accounting issues present in this administrative review, it is not practicable to complete this review within the original time limit. Therefore, the Department has postponed the deadline for issuing the final results until December 18, 2002, which is 133 days after publication of the *Preliminary Results*.

Dated: December 4, 2002.

Deputy Assistant Secretary for Import Administration, Group III.
