**NATIONAL SCIENCE FOUNDATION****Notice of Intent to Extend an Information Collection**

**AGENCY:** National Science Foundation.

**ACTION:** Notice and request for comments.

**SUMMARY:** Under the Paperwork Reduction Act of 1995, Public Law 104-13 (44 U.S.C. 3501 et seq.), and as part of its continuing effort to reduce paperwork and respondent burden, the National Science Foundation (NSF) is inviting the general public or other Federal agencies to comment on this proposed continuing information collection. The National Science

Foundation (NSF) will publish periodic summaries of proposed projects.

*Comments:* Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

**DATES:** Written comments on this notice must be received by January 31, 2002 to be assured of consideration. Comments received after that date will be considered to the extent practicable.

**SUPPLEMENTARY INFORMATION:**

*Title of Collection:* Survey of Earned Doctorates.

*OMB Approval Number:* 3145-0019.

*Expiration Date of Approval:* May 31, 2003.

*Type of Request:* Intent to seek approval to extend an information collection for three years.

1. *Abstract:* The National Science Foundation Act of 1950, as subsequently amended, includes a statutory charge to “\* \* \* provide a central clearinghouse for the collection, interpretation, and analysis of data on scientific and engineering resources, and to provide a source of information for policy formulation by other agencies of the Federal Government.” The Survey of Earned Doctorates is part of an integrated survey system that meets the human resources part of this mission.

The Survey of Earned Doctorates has been conducted continuously since 1958 and is jointly sponsored by six Federal agencies in order to avoid duplication. It is an accurate, timely source of information on our Nation's most precious resource—highly
