**Freshwater Crawfish Tail Meat From the People's Republic of China: Extension of Time Limit for Final Results of Antidumping Duty New-Shipper Reviews**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** December 24, 2002.

**FOR FURTHER INFORMATION CONTACT:** Holly Hawkins or Scott Lindsay, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-0414 and (202) 482-0780, respectively.

**SUPPLEMENTARY INFORMATION:****Background**

On September 20, 2001, the Department of Commerce received a request from Shouzhou Huaxiang Foodstuffs, Co., Ltd. to conduct a new shipper review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China. On September 28, 2001, the Department received a similar request from North Supreme Seafood (Zhejiang) Co., Ltd. On November 8, 2001, the Department initiated these new shipper antidumping reviews covering the period September 1, 2001, through August 31, 2001. See *Freshwater Crawfish Tail Meat From the People's Republic of China: Initiation of New Shipper Antidumping Review*, 66 FR 56536 (November 8, 2001). The preliminary results were published on August 12, 2002. See *Notice of Preliminary Results of Antidumping Duty New Shipper Reviews: Freshwater Crawfish Tail Meat from the People's Republic of China*, 67 FR 52442 (August 12, 2002). On November 7, the Department extended the final results of these new shipper reviews for 44 days to December 17, 2002. See *Freshwater Crawfish Tail Meat From the People's Republic of China: Extension of Time Limit for Final Results of Antidumping Duty New-Shipper Reviews*, 67 FR 67821 (November 7, 2002).

**Extension of Time Limits for Final Results**

Pursuant to section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the Department's regulations, the Department may extend the deadline for completion of the final results of a new shipper review if it determines that the case is extraordinarily complicated. The Department has determined that this case is extraordinarily complicated, and the final results of these new shipper reviews cannot be completed by the deadline established in the November 7, 2002 extension. The Department needs more time to analyze the issues raised in the parties' briefs with respect to input valuation, the scrap offset, and the *bona fides* of the sales. Given these issues, the Department finds that these reviews are extraordinarily complicated. Accordingly, the Department is extending the time limit for the completion of the final results until no later than January 2, 2003, in accordance with section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the Department's regulations.

Dated: December 17, 2002.

*Acting Deputy Assistant Secretary for Import Administration, Group III.*

**Notice of Continuation of Antidumping Duty Order: Persulfates from the People's Republic of China**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Continuation of Antidumping Duty Order: Persulfates from the People's Republic of China.

**SUMMARY:** On September 30, 2002, the Department of Commerce ("the Department"), pursuant to sections 751(c) and 752 of the Tariff Act of 1930, as amended ("the Act"), determined that revocation of the antidumping duty order on persulfates from the People's Republic of China ("PRC") would be likely to lead to continuation or recurrence of dumping.<sup>1</sup> On October 29, 2002, the International Trade Commission ("the Commission"), pursuant to section 751(c) of the Act,

<sup>1</sup> *Final Results of Expedited Sunset Review: Persulfates from the People's Republic of China*, 67 FR 62226 (October 4, 2002)

determined that revocation of the antidumping duty order on persulfates from the PRC would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.<sup>2</sup> Therefore, pursuant to 19 CFR 351.218(f)(4), the Department is publishing notice of the continuation of the antidumping duty order on persulfates from the PRC.

**EFFECTIVE DATE:** December 24, 2002.

**FOR FURTHER INFORMATION CONTACT:** Amir R. Eftekhari or James P. Maeder, Jr., Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5331 or (202) 482-3330.

**SUPPLEMENTARY INFORMATION:**

**Scope of Review:**

The products covered by this review are persulfates, including ammonium, potassium, and sodium persulfates. The chemical formula for these persulfates are, respectively, (NH<sub>4</sub>)<sub>2</sub>S<sub>2</sub>O<sub>8</sub>, K<sub>2</sub>S<sub>2</sub>O<sub>8</sub>, and Na<sub>2</sub>S<sub>2</sub>O<sub>8</sub>. Ammonium and potassium persulfates are currently classified under subheading 2833.40.60 of the Harmonized Tariff Schedule of the United States (HTSUS). Sodium persulfates are classified under HTSUS subheading 2833.40.20. The HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of this proceeding is dispositive.

**Background:**

On June 3, 2002, the Department initiated (67 FR 38332), and the Commission instituted (67 FR 38333), a sunset review of the antidumping duty order on Persulfates from the PRC, pursuant to section 751(c) of the Act. As a result of its review, the Department found that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping and notified the Commission of the magnitude of the margin likely to prevail were the order revoked. See *Final Results of Expedited Sunset Review: Persulfates from the People's Republic of China*, 67 FR 62226 (October 4, 2002).

The Commission determined, pursuant to section 751 (c) of the Act, that revocation of the antidumping duty order on persulfates from the PRC would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a

reasonably foreseeable time. See *Persulfates from the PRC*, 67 FR 66001 (October 29, 2002) and USITC Publication 3555 (October 2002), Investigation No. 731-TA-749 (Review).

**Determination:**

As a result of the determinations by the Department and the Commission that revocation of this antidumping duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on persulfates from the PRC. The Department will instruct Customs to continue to collect antidumping at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of this order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of this order not later than November 30, 2007.

Dated: December 16, 2002.

**Certain Preserved Mushrooms from India: Initiation and Preliminary Results of Changed-Circumstances Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Initiation and Preliminary Results of Changed-Circumstances Review.

**SUMMARY:** The Department of Commerce has received information sufficient to warrant initiation of a changed-circumstances review of the antidumping order on certain preserved mushrooms from India. Based on this information, we preliminarily determine that KICM (MADRAS) Limited is the successor-in-interest to Hindustan Lever Limited for purposes of determining antidumping duty liability. Interested parties are invited to comment on these preliminary results.

**EFFECTIVE DATE:** December 24, 2002.

**FOR FURTHER INFORMATION CONTACT:** David J. Goldberger or Tinna E. Beldin, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-4136 or 482-1655, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On February 19, 1999, the Department of Commerce ("Department") published in the **Federal Register** an amended final determination and antidumping duty order on certain preserved mushrooms from India (64 FR 8311), which included a cash deposit rate for Ponds India Limited ("Ponds"). In the course of the first administrative review, the Department noted that Ponds had become Hindustan Lever Limited ("HLL"). See *Certain Preserved Mushrooms From India: Final Results of Antidumping Duty Administrative Review*, 66 FR 42507, 42508 (August 13, 2001). On October 17, 2002, HLL submitted a request that the Department initiate a changed-circumstances review to confirm that its wholly-owned subsidiary, KICM (MADRAS) Limited, is its successor-in-interest and should be entitled to the same cash deposit rate. The Department determined that HLL's request was incomplete and could not serve as a basis to initiate a changed-circumstances review. See Letter from Department to HLL Re: Certain Preserved Mushrooms from India: Request for Changed-Circumstances Review (October, 28, 2002). On November 6, 2002, HLL submitted supplemental information and documentation, and renewed its request that the Department conduct a changed-circumstances review to determine whether KICM should receive the same antidumping duty treatment as is accorded to HLL with respect to the subject merchandise.

**Scope of the Order**

The product covered by this order are certain preserved mushrooms whether imported whole, sliced, diced, or as stems and pieces. The preserved mushrooms covered under this order are the species *Agaricus bisporus* and *Agaricus bitorquis*. "Preserved mushrooms" refer to mushrooms that have been prepared or preserved by cleaning, blanching, and sometimes slicing or cutting. These mushrooms are then packed and heated in containers including but not limited to cans or glass jars in a suitable liquid medium, including but not limited to water,
