Notification of the National Advisory Council for Environmental Policy and Technology (NACEPT) Standing Committee on Compliance Assistance Meeting; Open Meeting

AGENCY: Environmental Protection
Agency (EPA).

ACTION: Notification of public NACEPT
standing committee on compliance
assistance meeting on December 3,
2002.

SUMMARY: Pursuant to the Federal
Advisory Committee Act, Public Law
92-463, notice is hereby given that the
U.S. Environmental Protection Agency
(EPA) will hold an open meeting of the
NACEPT Standing Committee on
Compliance Assistance (Committee) on
Tuesday, December 3, 2002 from 8 a.m.
to 4 p.m. The meeting will be held at the
Adams Mark Hotel at 111 Pecan Street
East, San Antonio, Texas 78205. Seating
at the meeting will be on a first-come
basis and limited time will be provided
for public comment. The meeting will
focus on the areas of the Compliance
Assistance program on which the
Committee has been asked to advise the
EPA. These are: (1) Strengthening the
national compliance assistance network
by helping identify opportunities to
enhance communication among
compliance assistance providers and by
promoting collaboration in compliance
assistance planning and tool
development; (2) developing and testing
performance measurement systems to
demonstrate the effectiveness and
environmental outcomes of compliance
assistance; and (3) acting as a sounding
board to provide feedback on
compliance assistance policies,
strategies or other related matters. A
formal agenda will be available at the
meeting.

SUPPLEMENTARY INFORMATION: NACEPT
is a federal advisory committee under
the Federal Advisory Committee Act,
Public Law 92-463. NACEPT provides
advice and recommendations to the EPA
Administrator and other EPA officials
on a broad range of domestic and
international environmental policy

issues. NACEPT consists of a
representative cross-section of EPA's
partners and principal constituents who
provide advice and recommendations
on policy issues and serve as a sounding
board for new strategies. Over the last
two years, EPA has undertaken a
number of actions to improve our
compliance assistance activities. To
ensure that the Agency's efforts to
improve compliance assistance are
implemented in a way that continues to
reflect stakeholder needs, NACEPT
created a new Standing Committee on
Compliance Assistance. This will
provide a continuing Federal Advisory
Committee forum from which the EPA
can continue to receive valuable
stakeholder advice and
recommendations on compliance
assistance activities. For further
information concerning the NACEPT
Standing Committee on Compliance
Assistance, including the upcoming
meeting, contact Joanne Berman,
Designated Federal Officer (DFO), on

interested in agricultural biotechnology
or may be required to conduct testing of
chemical substances under the Federal
Food, Drug, and Cosmetic Act (FFDCA),

B. How Can I Get Copies of This Document and Other Related Information?

1. *Docket.* EPA has established an
official public docket for this action
under docket identification (ID) number
OPP-2002-0301. The official public
docket consists of the documents
specifically referenced in this action,
any public comments received, and
other information related to this action.
Although a part of the official docket,
the public docket does not include
Confidential Business Information (CBI)
or other information whose disclosure is
restricted by statute. The official public
docket is the collection of materials that
is available for public viewing at the
Public Information and Records
Integrity Branch (PIRIB), Rm. 119,
Crystal Mall #2, 1921 Jefferson Davis
Hwy., Arlington, VA. This docket
facility is open from 8:30 a.m. to 4 p.m.,
Monday through Friday, excluding legal
holidays. The docket telephone number
is (703) 305-5805.

2. *Electronic access.* You may access
this **Federal Register** document
electronically through the EPA Internet
under the "**Federal Register**" listings at
<http://www.epa.gov/fedrgstr/>.

An electronic version of the public
docket is available through EPA's
electronic public docket and comment
system, EPA Dockets. You may use EPA

Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in the appropriate docket ID number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. EPA intends to work towards providing electronic access to all of the publicly available docket materials through EPA's electronic public docket.

For public commenters, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EPA's electronic public docket. The entire printed comment, including the copyrighted material, will be available in the public docket.

Public comments submitted on computer disks that are mailed or delivered to the docket will be transferred to EPA's electronic public docket. Public comments that are mailed or delivered to the Docket will be scanned and placed in EPA's electronic public docket. Where practical, physical objects will be photographed, and the photograph will be placed in EPA's electronic public

docket along with a brief description written by the docket staff.

C. How and To Whom Do I Submit Comments?

You may submit comments electronically, by mail, or through hand delivery/courier. To ensure proper receipt by EPA, identify the appropriate docket ID number in the subject line on the first page of your comment. Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments. If you wish to submit CBI or information that is otherwise protected by statute, please follow the instructions in Unit I.D. Do not use EPA Dockets or e-mail to submit CBI or information protected by statute.

1. *Electronically.* If you submit an electronic comment as prescribed in this unit, EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of your comment. Also include this contact information on the outside of any disk or CD ROM you submit, and in any cover letter accompanying the disk or CD ROM. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. EPA's policy is that EPA will not edit your comment, and any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

i. *EPA Dockets.* Your use of EPA's electronic public docket to submit comments to EPA electronically is EPA's preferred method for receiving comments. Go directly to EPA Dockets at <http://www.epa.gov/edocket/>, and follow the online instructions for submitting comments. Once in the system, select "search," and then key in docket ID number OPP-2002-0301. The system is an "anonymous access" system, which means EPA will not know your identity, e-mail address, or other contact information unless you provide it in the body of your comment.

ii. *E-mail.* Comments may be sent by e-mail to opp-docket@epa.gov, Attention: Docket ID Number OPP-2002-0301. In contrast to EPA's

electronic public docket, EPA's e-mail system is not an "anonymous access" system. If you send an e-mail comment directly to the docket without going through EPA's electronic public docket, EPA's e-mail system automatically captures your e-mail address. E-mail addresses that are automatically captured by EPA's e-mail system are included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket.

iii. *Disk or CD ROM.* You may submit comments on a disk or CD ROM that you mail to the mailing address identified in Unit I.C.2. These electronic submissions will be accepted in WordPerfect or ASCII file format. Avoid the use of special characters and any form of encryption.

2. *By mail.* Send your comments to: Public Information and Records Integrity Branch (PIRIB), Office of Pesticide Programs (OPP), Environmental Protection Agency (7502C), 1200 Pennsylvania Ave., NW., Washington, DC, 20460-0001, Attention: Docket ID Number OPP-2002-0301.

3. *By hand delivery or courier.* Deliver your comments to: Public Information and Records Integrity Branch (PIRIB), Office of Pesticide Programs (OPP), Environmental Protection Agency, Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA., Attention: Docket ID Number OPP-2002-0301. Such deliveries are only accepted during the docket's normal hours of operation as identified in Unit I.B.1.

D. How Should I Submit CBI To the Agency?

Do not submit information that you consider to be CBI electronically through EPA's electronic public docket or by e-mail. You may claim information that you submit to EPA as CBI by marking any part or all of that information as CBI (if you submit CBI on disk or CD ROM, mark the outside of the disk or CD ROM as CBI and then identify electronically within the disk or CD ROM the specific information that is CBI). Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

In addition to one complete version of the comment that includes any information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket and EPA's electronic public docket. If you submit the copy that does not contain CBI on disk or CD ROM, mark the outside of the disk or CD ROM clearly that it does not contain CBI.

Information not marked as CBI will be included in the public docket and EPA's electronic public docket without prior notice. If you have any questions about CBI or the procedures for claiming CBI, please consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

E. What Should I Consider as I Prepare My Comments for EPA?

You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. If you estimate potential burden or costs, explain how you arrived at the estimate that you provide.
5. Provide specific examples to illustrate your concerns.
6. Offer alternative ways to improve the notice.
7. Make sure to submit your comments by the deadline in this document.
8. To ensure proper receipt by EPA, be sure to identify the docket ID number assigned to this action in the subject line on the first page of your response. You may also provide the name, date, and **Federal Register** citation.

SUPPLEMENTARY INFORMATION:

I. Priced Services

A. Discussion

Over the period 1992 through 2001, the Reserve Banks recovered 99.8 percent of their total costs for providing priced services, including special project costs, imputed expenses, and targeted after-tax profits or return on equity (ROE).¹

Table 1 summarizes the priced services' actual, estimated, and budgeted cost recovery rates for 2001, 2002, and 2003 respectively. Cost recovery is estimated to be 92.2 percent in 2002 and budgeted to be 94.4 percent in 2003. The aggregate cost-recovery rates are heavily influenced by the performance of the check service, which accounts for approximately 85 percent of the total cost of priced services. The electronic services (FedACH, Fedwire funds transfer, Fedwire securities, and national settlement) account for approximately 15 percent of costs, while noncash and special cash services represent a de minimis amount.

¹ Imputed costs, such as taxes that would have been paid and return on equity that would have been provided had the services been furnished by a private business firm, are referred to as the private-sector adjustment factor (PSAF). The ten-year recovery rate is based upon the pro forma income statements for Federal Reserve priced services published in the Board's *Annual Report*. Beginning in 2000, the PSAF included additional financing costs associated with pension assets attributable to priced services. This ten-year cost recovery rate has been computed as if these costs were not included in the PSAF calculations prior to 2000. If these costs were included in the calculations, and assuming that the Reserve Banks would not have made any contemporaneous cost or revenue adjustments, the 10-year recovery rate would be 98.7 percent.
