§13.6 Reimbursement of State and local governments.

(a) State and local governments providing services, personnel, equipment, or facilities to the affected metropolitan area pursuant to §13.5 may forward to the Assistant Secretary a bill for reimbursement for the personnel, equipment, facilities, and services utilized in meeting the extraordinary protective need. The bill shall be in accordance with the format in Appendix II of this part. The Assistant Secretary will reimburse only those costs directly related to the extraordinary protective need including personnel and equipment costs resulting from assignments made to assist in providing security at an otherwise qualified location in connection with the arrival, departure, or during the visit of a foreign dignitary. Reimbursable costs will also include the costs for establishing both fixed posts at a qualified location and protective perimeters outside of a qualified location when it is clearly established to the satisfaction of the Assistant Secretary that such assignments were necessary to assure the safety of the qualified location. Overhead and administrative costs associated with an extraordinary protective need are reimbursable as either a flat 18 percent of the total extraordinary protective need costs, or, if such costs can be clearly segregated from routine police costs, on a dollar-for-dollar basis. The jurisdiction seeking such reimbursement may select either method but may not use both. For the purposes of reimbursement the Assistant Secretary will, in all cases, determine when the extraordinary protective need began and terminated.

31 CFR Subtitle A (7-1-02 Edition)

§ 13.7 Reimbursement when the Assistant Secretary makes no determination to utilize State and local government services, personnel, equipment and facilities.

(a) Where events require the State or local governments of the affected metropolitan area to provide protection to meet an extraordinary protective need otherwise qualifying for reimbursement, such reimbursement may be made even if the provisions of §§13.4 and 13.5 have not been complied with fully. In such circumstances the provisions of §13.6 shall apply.

(b) In cases where State or local governments, or both, utilized their own services, personnel, equipment, and facilities to provide protection for an extraordinary protective need, and no request for protective assistance pursuant to § 13.4 was made because the extraordinary protective need occurred prior to the promulgation of this part but after July 1, 1974, an application by such government to the Assistant Secretary for reimbursement otherwise conforming to the requirements of this part will be considered.
