This document is part of Agenda Document Number 01-62a on the agenda for consideration at the December 13, 2001, meeting of the Federal Election Commission.

December 6, 2001

MEMORANDUM

TO: The Commission

THROUGH: James A. Pehrkon, Staff Director

FROM: Penelope Bonsall, Director, Office of Election Administration

SUBJECT: Release for Public Comment of Voting System Standards - Errata

Attached, please find two items for your consideration:

- Suggested language for insertion in the *Voting System Performance and Test Standards: An Overview*; and
- A revised *Federal Register* notice.

The copy of the Overview submitted to you on December 3, 2001, inadvertently omitted summaries of the last two sections in Volume II. The paragraphs we herewith submit for insertion should remedy this oversight. The revised *Federal Register* notice should replace the copy of the notice submitted to you, which contained some typographical errors and omitted clarifying information about the federal Access Board.
