B&B Holding Enterprises, Inc. (B&B Holding), South Eastern Health Management Associates, Inc. (SEHMA), Medicare Home Health Services, Inc. (Medcare), Home Health Services of South Florida, Inc. d/b/a USA Home Health, Inc. (USA Home Health), Special Care, Inc. (Special Care), and Wilfred Braceras (Braceras) hereby enter into this Corporate Integrity Agreement (CIA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS). The CIA is intended to promote compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements) by B&B Holding, B&B Medical, SEHMA, Medcare, USA Home Health, Special Care, and any other entity in which Braceras has an “ownership or control interest,” as defined in 42 U.S.C. § 1320a-3(a)(3), that provides home health services to Federal health care program beneficiaries (individually and collectively, the “SEHMA Home Health Entities”). Contemporaneously with this CIA, the SEHMA Home Health Entities are entering into a Settlement Agreement with the United States, and this CIA is incorporated by reference into the Settlement Agreement.

II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by the SEHMA Home Health Entities under this CIA shall be five years from the effective date of this CIA, unless otherwise specified. The effective date shall be the date on which the final signatory of this CIA executes this CIA (Effective Date). Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a "Reporting Period."

B. Sections VII, VIII, IX, X, and XI shall expire no later than 120 days after OIG's receipt of: (1) the SEHMA Home Health Entities' final annual report; or (2) any additional materials submitted by the SEHMA Home Health Entities pursuant to OIG's request, whichever is later.

C. The scope of this CIA shall be governed by the following definitions:

1. "Covered Persons" includes:

- a. all owners, officers, directors, and employees of the SEHMA Home Health Entities; and
- b. all contractors, subcontractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of the SEHMA Home Health Entities.

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours per year, except that any such individuals shall become "Covered Persons" at the point when they work more than 160 hours during the calendar year.

2. "Relevant Covered Persons" includes all individuals involved directly or in a supervisory role in the preparation or submission of claims on behalf of the SEHMA Home Health Entities for reimbursement from any Federal health care program.

III. CORPORATE INTEGRITY OBLIGATIONS

The SEHMA Home Health Entities shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Officer and Committee.

1. *Compliance Officer.* Within 90 days after the Effective Date, the SEHMA Home Health Entities shall appoint an individual to serve as their Compliance Officer and shall maintain a Compliance Officer for the term of the CIA. The Compliance Officer shall be responsible for developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with Federal health care program requirements. The Compliance Officer shall be a member of senior management of SEHMA, shall make periodic (at least quarterly) reports regarding compliance matters directly to the Board of Directors of SEHMA, and shall be authorized to report on such matters to the Board of Directors at any time. The Compliance Officer shall not be or be subordinate to the General Counsel or Chief Financial Officer for any of the SEHMA Home Health Entities. The Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by the SEHMA Home Health Entities as well as for any reporting obligations created under this CIA.

The SEHMA Home Health Entities shall report to OIG, in writing, any changes in the identity or position description of the Compliance Officer, or any actions or changes that would affect the Compliance Officer's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

2. *Compliance Committee.* Within 90 days after the Effective Date, the SEHMA Home Health Entities shall appoint a Compliance Committee. The Compliance Committee shall, at a minimum, include the Compliance Officer and other members of senior management of the SEHMA Home Health Entities necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The Compliance Committee shall include, at a minimum, the Medical Director, Administrator, Director of Patient Care, Director of Admissions, and Billing Supervisor at each of the following: (i) Medicare; (ii) USA Home Health; (iii) Special Care; and (iv) any other SEHMA Home Health Entity. The Compliance Officer shall chair the Compliance Committee and the Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in

the analysis of the organization's risk areas and shall oversee monitoring of internal and external audits and investigations).

The SEHMA Home Health Entities shall report to OIG, in writing, any changes in the composition of the Compliance Committee, or any actions or changes that would affect the Compliance Committee's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

B. Written Standards.

1. *Code of Conduct.* Within 90 days after the Effective Date, the SEHMA Home Health Entities shall develop, implement, and distribute a written Code of Conduct to all Covered Persons. The SEHMA Home Health Entities shall make the promotion of, and adherence to, the Code of Conduct an element in evaluating the performance of all employees. The Code of Conduct shall, at a minimum, set forth:

- a. the SEHMA Home Health Entities' commitment to full compliance with all Federal health care program requirements, including its commitment to prepare and submit accurate claims consistent with such requirements;
- b. the SEHMA Home Health Entities's requirement that all of their Covered Persons shall be expected to comply with all Federal health care program requirements and with the SEHMA Home Health Entities' own Policies and Procedures as implemented pursuant to this Section III.B (including the requirements of this CIA);
- c. the requirement that all of the SEHMA Home Health Entities' Covered Persons shall be expected to report to the Compliance Officer or other appropriate individual designated by the SEHMA Home Health Entities suspected violations of any Federal health care program requirements or of the SEHMA Home Health Entities' own Policies and Procedures;
- d. the possible consequences to both the SEHMA Home Health Entities and Covered Persons of failure to comply with

Federal health care program requirements and with the SEHMA Home Health Entities' own Policies and Procedures and the failure to report such noncompliance; and

- e. the right of all individuals to use the Disclosure Program described in Section III.E, and the SEHMA Home Health Entities' commitment to nonretaliation and to maintain, as appropriate, confidentiality and anonymity with respect to such disclosures.

Within 90 days after the Effective Date, each Covered Person shall certify, in writing, that he or she has received, read, understood, and shall abide by the SEHMA Home Health Entities' Code of Conduct. New Covered Persons shall receive the Code of Conduct and shall complete the required certification within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later.

The SEHMA Home Health Entities shall periodically review the Code of Conduct to determine if revisions are appropriate and shall make any necessary revisions based on such review. Any revised Code of Conduct shall be distributed within 30 days after any revisions are finalized. Each Covered Person shall certify, in writing, that he or she has received, read, understood, and shall abide by the revised Code of Conduct within 30 days after the distribution of the revised Code of Conduct.

2. *Policies and Procedures.* Within 90 days after the Effective Date, the SEHMA Home Health Entities shall implement written Policies and Procedures regarding the operation of the SEHMA Home Health Entities's compliance program and its compliance with Federal health care program requirements. At a minimum, the Policies and Procedures shall address:

- a. the subjects relating to the Code of Conduct identified in Section III.B.1;
- b. the preparation of true and accurate claims for reimbursement submitted to the Federal health care programs for home health items and services;
- c. compliance with Federal health care program requirements prohibiting kickback arrangements and the establishment of

certain self-referral arrangements; including but not limited to, the anti-kickback statute found at 42 U.S.C. § 1320a-7b(b) and the Ethics in Patient Referrals Act (the “Stark Law”) found at 42 U.S.C. § 1395nn.

- d. each of the risk areas identified in the OIG’s Compliance Program Guidance for Home Health Agencies, as applicable to the operations of the SEHMA Home Health Entities. See 63 Federal Register 42409 (August 7, 1998).

Within 90 days after the Effective Date, the relevant portions of the Policies and Procedures shall be distributed to all individuals whose job functions relate to those Policies and Procedures. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

At least annually (and more frequently, if appropriate), the SEHMA Home Health Entities shall assess and update as necessary the Policies and Procedures. Within 30 days after the effective date of any revisions, the relevant portions of any such revised Policies and Procedures shall be distributed to all individuals whose job functions relate to those Policies and Procedures.

C. Training and Education.

1. *General Training.* Within 90 days after the Effective Date, the SEHMA Home Health Entities shall provide at least two hours of General Training to each Covered Person. This training, at a minimum, shall explain the SEHMA Home Health Entities’:

- a. CIA requirements; and
- b. the SEHMA Home Health Entities’s Compliance Program (including the Code of Conduct and the Policies and Procedures as they pertain to general compliance issues).

New Covered Persons shall receive the General Training described above within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later. After receiving the initial General Training described above, each Covered Person shall receive at least one hour of General Training annually.

2. *Specific Training.* Within 90 days after the Effective Date, each Relevant Covered Person shall receive at least five hours of Specific Training in addition to the General Training required above. This Specific Training shall include a discussion of:

- a. the Federal health care program requirements regarding the accurate coding and submission of claims;
- b. policies, procedures, and other requirements applicable to the documentation of medical records;
- c. the personal obligation of each individual involved in the claims submission process to ensure that such claims are accurate;
- d. applicable reimbursement statutes, regulations, and program requirements and directives;
- e. the legal sanctions for violations of the Federal health care program requirements; and
- f. examples of proper and improper claims submission practices.

Relevant Covered Persons shall receive this training within 30 days after the beginning of their employment or becoming Relevant Covered Persons, or within 90 days after the Effective Date, whichever is later. An employee of the SEHMA Home Health Entities who has completed the Specific Training shall review a new Relevant Covered Person's work, to the extent that the work relates to the delivery of patient care items or services and/or the preparation or submission of claims for reimbursement from any Federal health care program, until such time as the new Relevant Covered Person completes his or her Specific Training.

After receiving the initial Specific Training described in this Section, each Relevant Covered Person shall receive at least three hours of Specific Training annually.

3. *Certification.* Each individual who is required to attend training shall certify, in writing, or in electronic form, if applicable, that he or she has received the required training. The certification shall specify the type of training received and the date

received. The Compliance Officer (or designee) shall retain the certifications, along with all course materials. These shall be made available to OIG, upon request.

4. *Qualifications of Trainer.* Persons providing the training shall be knowledgeable about the subject area.

5. *Update of Training.* The SEHMA Home Health Entities shall annually review the training, and, where appropriate, update the training to reflect changes in Federal health care program requirements, any issues discovered during internal audits or the IRO Claims Review, Unallowable Cost Review, and any other relevant information.

6. *Computer-based Training.* The SEHMA Home Health Entities may provide the training required under this CIA through appropriate computer-based training approaches. If the SEHMA Home Health Entities choose to provide computer-based training, they shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

D. Review Procedures.

1. *General Description.*

a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, the SEHMA Home Health Entities shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform reviews to assist the SEHMA Home Health Entities in assessing and evaluating their billing and coding practices, and certain other obligations pursuant to this Agreement and the Settlement Agreement. The applicable requirements relating to the IRO are outlined in Appendix A to this Agreement, which is incorporated by reference.

Each IRO engaged by the SEHMA Home Health Entities shall have expertise in the billing, coding, reporting, and other requirements of the home health industry and in the general requirements of the Federal health care program(s) from which the SEHMA Home Health Entities seek reimbursement. Each IRO shall assess, along

with the SEHMA Home Health Entities, whether it can perform the IRO review in a professionally independent and/or objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or other engagements that may exist.

The IRO(s) review shall evaluate and analyze Medicare's and USA Home Health's coding, billing, and claims submission to the Federal health care programs and the reimbursement received (Claims Review), and shall analyze whether the SEHMA Home Health Entities sought payment for certain unallowable costs (Unallowable Cost Review).

b. *Frequency of Claims Review.* The Claims Review shall be performed annually and shall cover each of the Reporting Periods. The IRO(s) shall perform all components of each annual Claims Review.

c. *Frequency of Unallowable Cost Review.* If applicable, the IRO shall perform the Unallowable Cost Review for the first Reporting Period.

d. *Retention of Records.* The IRO and the SEHMA Home Health Entities shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and the SEHMA Home Health Entities) related to the reviews.

2. Claims Review. The Claims Review shall include Discovery Samples and, if necessary, one or more Full Samples. The applicable definitions, procedures, and reporting requirements are outlined in Appendix B to this Agreement, which is incorporated by reference.

a. *Discovery Samples.* Each Claims Review shall include at least three Discovery Samples. The IRO shall randomly select and review a sample of 50 Paid Claims submitted by or on behalf of each of the following entities: (i) Medicare; (ii) USA Home Health; and (iii) any other SEHMA Home Health Entity that submits claims to the

Medicare program during the relevant Reporting Period (Discovery Samples).

The Paid Claims shall be reviewed based on the supporting documentation available at Medicare, USA Home Health, or any other SEHMA Home Health Entity, or under their control, and applicable billing and coding regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed.

- i. If the Error Rate (as defined in Appendix B) for each of the Discovery Samples is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, the SEHMA Home Health Entities should, as appropriate, further analyze any errors identified in the Discovery Sample. The SEHMA Home Health Entities recognize that OIG or another HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Paid Claims included, or errors identified, in the Discovery Samples or any other segment of the universe.)
 - ii. If any of the Discovery Samples indicates that the Error Rate is 5% or greater, the IRO shall perform a Full Sample and a Systems Review, as described below, for the entity whose claims produced the Error Rate.
- b. *Full Sample.* If necessary, as determined by procedures set forth in Section III.F.2.a, the IRO shall perform an additional sample of Paid Claims using commonly accepted sampling methods and in accordance with Appendix B. The Full Sample shall be designed to: (i) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate; and (ii) conform with the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Paid Claims shall be reviewed based on supporting documentation available at Medicare or USA Home Health, or under their control, and applicable billing and coding

regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, the SEHMA Home Health Entities may use the Items sampled as part of the any Discovery Sample, and the corresponding findings for the 50 Items, as part of a Full Sample, if: (i) statistically appropriate and (ii) the SEHMA Home Health Entities select the Full Sample Items using the seed number generated by the Discovery Sample. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from the SEHMA Home Health Entities to the appropriate Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

c. *Systems Review.* If the any of the SEHMA Home Health Entities' Discovery Samples identifies an Error Rate of 5% or greater, the SEHMA Home Health Entities's IRO shall also conduct a Systems Review. Specifically, for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall perform a "walk through" of the system(s) and process(es), that generated the claim to identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

d. *Repayment of Identified Overpayments.* In accordance with Section III.I.1 of this Agreement, the SEHMA Home Health Entities shall repay within 30 days any Overpayment(s) identified in the Discovery Samples or any Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. The SEHMA Home Health Entities shall make available to OIG any and all documentation and the associated documentation that reflects the refund of the Overpayment(s) to the payor.

3. Claims Review Report. The IRO shall prepare a report based upon the Claims Review performed (Claims Review Report). Information to be included in the Claims Review Report is described in Appendix B.

4. Unallowable Cost Review. The IRO shall conduct a review of the SEHMA Home Health Entities' compliance with the unallowable cost provisions of the Settlement Agreement. The IRO shall determine whether the SEHMA Home Health Entities have complied with their obligations not to charge to, or otherwise seek payment from, Federal or State payors for unallowable costs (as defined in the Settlement Agreement) and their obligation to identify to applicable Federal or State payors any unallowable costs included in payments previously sought from the United States, or any State Medicaid program. This unallowable cost analysis shall include, but not be limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by the SEHMA Home Health Entities or any affiliates. To the extent that such cost reports, cost statements, information reports, or payment requests, even if already settled, have been adjusted to account for the effect of the inclusion of the unallowable costs, the IRO shall determine if such adjustments were proper. In making this determination, the IRO may need to review cost reports and/or financial statements from the year in which the Settlement Agreement was executed, as well as from previous years.

5. Unallowable Cost Review Report. The IRO shall prepare a report based upon the Unallowable Cost Review performed. The Unallowable Cost Review Report shall include the IRO's findings and supporting rationale regarding the Unallowable Cost Review and whether the SEHMA Home Health Entities have complied with their obligation not to charge to, or otherwise seek payment from, Federal or State payors for unallowable costs (as defined in the Settlement Agreement) and their obligation to identify to applicable Federal or State payors any unallowable costs included in payments previously sought from such payor.

6. Validation Review. In the event OIG has reason to believe that: (a) the SEHMA Home Health Entities' Claims Review or Unallowable Cost Review fails to conform to the requirements of this Agreement; or (b) the IRO's findings or Claims Review results or Unallowable Cost Review results are inaccurate, OIG may, at its sole discretion, conduct its own

review to determine whether the Claims Review or Unallowable Cost Review complied with the requirements of the Agreement and/or the findings or Claims Review results or Unallowable Cost Review results are inaccurate (Validation Review). the SEHMA Home Health Entities shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of Reports submitted as part of the SEHMA Home Health Entities' final Annual Report must be initiated no later than one year after the SEHMA Home Health Entities' final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify the SEHMA Home Health Entities of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, the SEHMA Home Health Entities may request a meeting with OIG to: (a) discuss the results of any Claims Review or Unallowable Cost Review submissions or findings; (b) present any additional information to clarify the results of the Claims Review or Unallowable Cost Review or to correct the inaccuracy of the Claims Review or Unallowable Cost Review; and/or (c) propose alternatives to the proposed Validation Review. The SEHMA Home Health Entities agree to provide any additional information as may be requested by OIG under this Section in an expedited manner. OIG will attempt in good faith to resolve any Claims Review or Unallowable Cost Review issues with the SEHMA Home Health Entities prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

7. Independence/Objectivity Certification. The IRO shall include in its report(s) to the SEHMA Home Health Entities a certification or sworn affidavit that it has evaluated its professional independence and/or objectivity, as appropriate to the nature of the engagement, with regard to the Claims Review or Unallowable Cost Review and that it has concluded that it is, in fact, independent and/or objective.

E. Disclosure Program.

Within 90 days after the Effective Date, the SEHMA Home Health Entities shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance

telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual's chain of command, any identified issues or questions associated with the SEHMA Home Health Entities' policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. The SEHMA Home Health Entities shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, the SEHMA Home Health Entities shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log, which shall include a record and summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews. The disclosure log shall be made available to OIG, upon request.

F. Ineligible Persons.

1. *Definitions.* For purposes of this CIA:

- a. an "Ineligible Person" shall include an individual or entity who:
 - i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or
 - ii. has been convicted of a criminal offense that falls within

the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

b. "Exclusion Lists" include:

i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://oig.hhs.gov>); and

ii. the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://epls.arnet.gov>).

c. "Screened Persons" include prospective and current owners, officers, directors, employees, contractors, and agents of the SEHMA Home Health Entities.

2. *Screening Requirements.* The SEHMA Home Health Entities shall ensure that all Screened Persons are not Ineligible Persons, by implementing the following screening requirements.

a. The SEHMA Home Health Entities shall screen all Screened Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such persons to disclose whether they are an Ineligible Person.

b. The SEHMA Home Health Entities shall screen all Screened Persons against the Exclusion Lists within 90 days after the Effective Date and on an annual basis thereafter.

c. The SEHMA Home Health Entities shall implement a policy requiring all Screened Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Nothing in this Section affects the responsibility of (or liability for) the SEHMA Home Health Entities to refrain from billing Federal health care programs for items or services furnished, ordered, or prescribed by an Ineligible Person.

3. *Removal Requirement.* If the SEHMA Home Health Entities have actual notice that a Screened Person has become an Ineligible Person, the SEHMA Home Health Entities shall remove such person from responsibility for, or involvement with, the SEHMA Home Health Entities' business operations related to the Federal health care programs and shall remove such person from any position for which the person's compensation or the items or services furnished, ordered, or prescribed by the person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the person is reinstated into participation in the Federal health care programs.

4. *Pending Charges and Proposed Exclusions.* If the SEHMA Home Health Entities have actual notice that a Screened Person is charged with a criminal offense that falls within the ambit of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during his or her employment or contract term, the SEHMA Home Health Entities shall take all appropriate actions to ensure that the responsibilities of that person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or the accuracy of any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings.

Within 30 days after discovery, the SEHMA Home Health Entities shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to the SEHMA Home Health Entities conducted or brought by a governmental entity or its agents involving an allegation that the SEHMA Home Health Entities have committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. The SEHMA Home Health Entities shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceedings, if any.

H. Reporting.

1. *Overpayments.*

a. Definition of Overpayments. For purposes of this CIA, an “Overpayment” shall mean the amount of money the SEHMA Home Health Entities have received in excess of the amount due and payable under any Federal health care program requirements.

b. Reporting of Overpayments. If, at any time, the SEHMA Home Health Entities identify or learn of any Overpayment, the SEHMA Home Health Entities shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days after identification of the Overpayment, the SEHMA Home Health Entities shall repay the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified, within 30 days after identification, the SEHMA Home Health Entities shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies, and, for Medicare contractors, shall include the information contained on the Overpayment Refund Form, provided as Appendix C to this CIA. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

2. *Reportable Events.*

a. Definition of Reportable Event. For purposes of this CIA, a “Reportable Event” means anything that involves:

- i. a substantial Overpayment; or

- ii. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized.

A Reportable Event may be the result of an isolated event or a series of occurrences.

b. Reporting of Reportable Events. If the SEHMA Home Health Entities determine (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, the SEHMA Home Health Entities shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists. The report to OIG shall include the following information:

- i. If the Reportable Event results in an Overpayment, the report to OIG shall be made at the same time as the notification to the payor required in Section III.H.1, and shall include all of the information on the Overpayment Refund Form, as well as:

- (A) the payor's name, address, and contact person to whom the Overpayment was sent; and

- (B) the date of the check and identification number (or electronic transaction number) by which the Overpayment was repaid/refunded;

- ii. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;

- iii. a description of the SEHMA Home Health Entities' actions taken to correct the Reportable Event; and

- iv. any further steps the SEHMA Home Health Entities plan to take to address the Reportable Event and prevent it from recurring.

IV. NEW BUSINESS UNITS OR LOCATIONS

In the event that, after the Effective Date, the SEHMA Home Health Entities change locations or sell, close, purchase, or establish a new business unit or location related to the furnishing of items or services that may be reimbursed by Federal health care programs, the SEHMA Home Health Entities shall notify OIG of this fact as soon as possible, but no later than within 30 days after the date of change of location, sale, closure, purchase, or establishment. This notification shall include the address of the new business unit or location, phone number, fax number, Medicare Provider number, provider identification number and/or supplier number, and the corresponding contractor's name and address that has issued each Medicare number. Each new business unit or location shall be subject to all the requirements of this CIA.

V. IMPLEMENTATION AND ANNUAL REPORTS

A. Implementation Report. Within 120 days after the Effective Date, the SEHMA Home Health Entities shall submit a written report to OIG summarizing the status of its implementation of the requirements of this CIA (Implementation Report). The Implementation Report shall, at a minimum, include:

1. the name, address, phone number, and position description of the Compliance Officer required by Section III.A, and a summary of other noncompliance job responsibilities the Compliance Officer may have;
2. the names and positions of the members of the Compliance Committee required by Section III.A;
3. a copy of the SEHMA Home Health Entities' Code of Conduct required by Section III.B.1;
4. a copy of all Policies and Procedures required by Section III.B.2;

5. the number of individuals required to complete the Code of Conduct certification required by Section III.B.1, the percentage of individuals who have completed such certification, and an explanation of any exceptions (the documentation supporting this information shall be available to OIG, upon request);
6. the following information regarding each type of training required by Section III.C:
 - a. a description of such training, including a summary of the topics covered, the length of sessions and a schedule of training sessions;

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify the SEHMA Home Health Entities prior to any release by OIG of information submitted by the SEHMA Home Health Entities pursuant to its obligations under this CIA and identified upon submission by the SEHMA Home Health Entities as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, the SEHMA Home Health Entities shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

The SEHMA Home Health Entities are expected to fully and timely comply with all of their CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, the SEHMA Home Health Entities and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of

the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day the SEHMA Home Health Entities fail to establish and implement any of the following obligations as described in Section III:

- a. a Compliance Officer;
- b. a Compliance Committee;
- c. a written Code of Conduct;
- d. written Policies and Procedures;
- e. the training of Covered Persons;
- f. a Disclosure Program;
- g. Ineligible Persons screening and removal requirements; and
- h. Notification of Government investigations or legal proceedings.

2. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day the SEHMA Home Health Entities fail to engage an IRO, as required in Section III.D and Appendix A.

3. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day the SEHMA Home Health Entities fail to submit the Implementation Report or the Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day the SEHMA Home Health Entities fail to submit the annual Claims Review Report or Unallowable Cost Review Report in accordance with the requirements of Section III.D and Appendix B.

5. A Stipulated Penalty of \$1,500 for each day the SEHMA Home Health Entities fail to grant access to the information or documentation as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date the SEHMA Home Health Entities fail to grant access.)

6. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of the SEHMA Home Health Entities as part of its Implementation Report, Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of \$1,000 for each day the SEHMA Home Health Entities fail to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to the SEHMA Home Health Entities, stating the specific grounds for its determination that the SEHMA Home Health Entities have failed to comply fully and adequately with the CIA obligation(s) at issue and steps the SEHMA Home Health Entities shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the SEHMA Home Health Entities receive this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions. The SEHMA Home Health Entities may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after the SEHMA Home Health Entities fail to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after the SEHMA Home Health Entities receive OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that the SEHMA Home Health Entities have failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify the SEHMA Home Health Entities of: (a) the SEHMA Home Health Entities' failure to comply; and (b) OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").

2. *Response to Demand Letter.* Within 10 days after the receipt of the Demand Letter, the SEHMA Home Health Entities shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event the SEHMA Home Health Entities elect to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until the SEHMA Home Health Entities cure, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to OIG at the address set forth in Section VI.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that the SEHMA Home Health Entities have materially breached this CIA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA.

1. *Definition of Material Breach.* A material breach of this CIA means:

- a. a failure by the SEHMA Home Health Entities to report a Reportable Event, take corrective action, and make the appropriate refunds, as required in Section III.H;

- b. a repeated or flagrant violation of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
- d. a failure to engage and use an IRO in accordance with Section III.D.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this CIA by the SEHMA Home Health Entities constitutes an independent basis for the SEHMA Home Health Entities' exclusion from participation in the Federal health care programs. Upon a determination by OIG that the SEHMA Home Health Entities have materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify the SEHMA Home Health Entities of: (a) the SEHMA Home Health Entities' material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. *Opportunity to Cure.* The SEHMA Home Health Entities shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

- a. All SEHMA Home Health Entities are in compliance with the obligations of the CIA cited by OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) the SEHMA Home Health Entities have begun to take action to cure the material breach; (ii) the SEHMA Home Health Entities are pursuing such action with due diligence; and (iii) the SEHMA Home Health Entities have provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30-day period, the SEHMA

Home Health Entities fail to satisfy the requirements of Section X.D.3, OIG may exclude the SEHMA Home Health Entities from participation in the Federal health care programs. OIG shall notify the SEHMA Home Health Entities in writing of its determination to exclude the SEHMA Home Health Entities (this letter shall be referred to hereinafter as the "Exclusion Letter"). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the SEHMA Home Health Entities' receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and nonprocurement programs. Reinstatement to program participation is not automatic. After the end of the period of exclusion, the SEHMA Home Health Entities may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. *Review Rights.* Upon OIG's delivery to the SEHMA Home Health Entities of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, the SEHMA Home Health Entities shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. §§ 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether the SEHMA Home Health Entities were in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. The SEHMA Home Health Entities shall have the burden of proving their full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders the SEHMA

Home Health Entities to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless the SEHMA Home Health Entities request review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be:

- a. whether the SEHMA Home Health Entities were in material breach of this CIA;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30-day period, but that: (i) the SEHMA Home Health Entities had begun to take action to cure the material breach within that period; (ii) the SEHMA Home Health Entities have pursued and is pursuing such action with due diligence; and (iii) the SEHMA Home Health Entities provided to OIG within that period a reasonable timetable for curing the material breach and the SEHMA Home Health Entities have followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for the SEHMA Home Health Entities, only after a DAB decision in favor of OIG. The SEHMA Home Health Entities' election of their contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude the SEHMA Home Health Entities upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that the SEHMA Home Health Entities may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. The SEHMA Home Health Entities shall waive their right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in

favor of the SEHMA Home Health Entities, the SEHMA Home Health Entities shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this CIA.

XI. EFFECTIVE AND BINDING AGREEMENT

Consistent with the provisions in the Settlement Agreement pursuant to which this CIA is entered, and into which this CIA is incorporated, the SEHMA Home Health Entities and OIG agree as follows:

- A. This CIA shall be binding on the successors, assigns, and transferees of the SEHMA Home Health Entities;
- B. This CIA shall become final and binding on the date the final signature is obtained on the CIA;
- C. Any modifications to this CIA shall be made with the prior written consent of the parties to this CIA;
- D. OIG may agree to a suspension of the SEHMA Home Health Entities' obligations under the CIA in the event of the SEHMA Home Health Entities' cessation of participation in Federal health care programs. If the SEHMA Home Health Entities withdraw from participation in Federal health care programs and are relieved of their CIA obligations by OIG, the SEHMA Home Health Entities shall notify OIG at least 30 days in advance of the SEHMA Home Health Entities' intent to reapply as a participating provider or supplier with any Federal health care program. Upon receipt of such notification, OIG shall evaluate whether the CIA should be reactivated or modified.
- E. The undersigned SEHMA Home Health Entities signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatory represents that he is signing this CIA in his official capacity and that he is authorized to execute this CIA.

APPENDIX A INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement.

The SEHMA Home Health Entities shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and/or objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify the SEHMA Home Health Entities if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, the SEHMA Home Health Entities may continue to engage the IRO.

If the SEHMA Home Health Entities engage a new IRO during the term of the CIA, this IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, the SEHMA Home Health Entities shall submit the information identified in Section V.A.8 to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify the SEHMA Home Health Entities if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, the SEHMA Home Health Entities may continue to engage the IRO.

B. IRO Qualifications.

The IRO shall:

1. assign individuals to conduct the Claims Review and Unallowable Cost Review engagements who have expertise in the billing, coding, reporting, and other requirements of the home health industry and in the general requirements of the Federal health care program(s) from which the SEHMA Home Health Entities seek reimbursement;
2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;
3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification (e.g., CCA, CCS, CCS-P, CPC, RRA, etc.) and who have maintained this certification (e.g., completed applicable continuing education requirements); and

4. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities.

The IRO shall:

1. perform each Claim Review and Unallowable Cost Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare rules and reimbursement guidelines in making assessments in the Claims Review;

3. if in doubt of the application of a particular Medicare policy or regulation, request clarification from the appropriate authority (e.g., fiscal intermediary or carrier);

4. respond to all OIG inquiries in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B.

D. IRO Independence/Objectivity.

The IRO must perform the Claims Review in a professionally independent and/or objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or engagements that may exist between the IRO and the SEHMA Home Health Entities.

E. IRO Removal/Termination.

1. *Provider.* If the SEHMA Home Health Entities terminate their IRO during the course of the engagement, the SEHMA Home Health Entities must submit a notice explaining its reasons to OIG no later than 30 days after termination. The SEHMA Home Health Entities must engage a new IRO in accordance with Paragraph A of this Appendix.

2. *OIG Removal of IRO.* In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and/or objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require the SEHMA Home Health Entities to engage a new IRO in accordance with Paragraph A of this Appendix.

Prior to requiring the SEHMA Home Health Entities to engage a new IRO, OIG shall notify the SEHMA Home Health Entities of its intent to do so and provide a written explanation of why OIG believes such a step is necessary. To resolve any concerns raised by OIG, the SEHMA Home Health Entities may request a meeting with OIG to discuss any aspect of the IRO's qualifications, independence or performance of its responsibilities and to present additional information regarding these matters. The SEHMA Home Health Entities shall provide any additional information as may be requested by OIG under this Paragraph in an expedited manner. OIG will attempt in good faith to resolve any differences regarding the IRO with the SEHMA Home Health Entities prior to requiring the SEHMA Home Health Entities to terminate the IRO. However, the final determination as to whether or not to require the SEHMA Home Health Entities to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B CLAIMS REVIEW

A. Claims Review.

1. *Definitions.* For the purposes of the Claims Review, the following definitions shall be used:

- d. **Population:** For the first Reporting Period, the Population shall be defined as all Items for which a code or line item has been submitted by or on behalf of the relevant SEHMA Home Health Entity and for which the relevant SEHMA Home Health Entity has received reimbursement from Medicare (*i.e.*, Paid Claim) during the 12-month period covered by the first Claims Review.

For the remaining Reporting Periods, the Population shall be defined as all Items for which the relevant SEHMA Home Health Entity has received reimbursement from Medicare (*i.e.*, Paid Claim) during the 12-month period covered by the Claims Review.

To be included in the Population, an Item must have resulted in at least one Paid Claim.

- e. **Error Rate:** The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Items in the sample.

2. *Other Requirements.*

a. Paid Claims without Supporting Documentation. For the purpose of appraising Items included in the Claims Review, any Paid Claim for which the SEHMA Home Health Entities cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by the SEHMA Home Health Entities for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

b. Replacement Sampling. Considering the Population shall consist only of Paid Claims and that Items with missing documentation cannot be replaced, there is no need to utilize alternate or replacement sampling units.

c. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims associated with the Items selected in each first sample (or first sample for each strata, if applicable) shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

B. Claims Review Report. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. *Claims Review Methodology.*

a. Sampling Unit. A description of the Item as that term is utilized for the Claims Review.

b. Claims Review Population. A description of the Population subject to the Claims Review.

c. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.

d. Sampling Frame. A description of the sampling frame, which is the totality of Items from which the Discovery Sample and, if any, Full Sample has been selected and an explanation of the methodology used to identify

the sampling frame. In most circumstances, the sampling frame will be identical to the Population.

e. Source of Data. A description of the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

f. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.

2. *Statistical Sampling Documentation.*

a. The number of Items appraised in the Discovery Sample and, if applicable, in the Full Sample.

b. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

c. A copy of the statistical software printout(s) estimating how many Items are to be included in the Full Sample, if applicable.

d. A description or identification of the statistical sampling software package used to select the sample and determine the Full Sample size, if applicable.

3. *Claims Review Findings.*

a. Narrative Results.

i. A description of the SEHMA Home Health Entities’ billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

ii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding

the Claims Review, including the results of the Discovery Sample, and the results of the Full Sample (if any).

b. Quantitative Results.

- i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by the SEHMA Home Health Entities (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.
- ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to the SEHMA Home Health Entities.
- iii. Total dollar amount of all Overpayments in the sample.
- iv. Total dollar amount of paid Items included in the sample and the net Overpayment associated with the sample.
- v. Error Rate in the sample.
- vi. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim appraised: beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount. (See Attachment 1 to this Appendix.)

4. *Systems Review.* Observations, findings, and recommendations on possible improvements to the system(s) and process(es) that generated the Overpayment(s).

5. *Credentials.* The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review; and (2) performed the Claims Review.

The SEHMA Home Health Entities hereby enter into this Addendum to the CIA to amend the CIA. Contemporaneously with this Addendum to the CIA, B&B Holdings Enterprises, Inc., MedCare, and Wilfred Braceras are entering into a Civil Monetary Penalties Settlement Agreement with the OIG to settle claims involving conduct that involved Wilfred Braceras and MedCare Home Health Services, Inc. This Addendum to the CIA sets forth additional corporate integrity obligations for the SEHMA Home Health Entities. All other sections of the SEHMA Home Health Entities' CIA will remain unchanged and in effect, unless specifically amended herein or upon the prior written consent of the OIG and the SEHMA Home Health Entities.

II. TERMS AND SCOPE OF THE ADDENDUM TO THE CIA

- A. The period of compliance obligations assumed by the SEHMA Home Health Entities under this Addendum shall be contemporaneous with the period of compliance assumed under the SEHMA Home Health Entities' CIA. The effective date of this Addendum to the CIA shall be the date on

which the final signatory of this Addendum to the CIA executes this Addendum to the CIA (Effective Date). For purposes of this Addendum to the CIA, each one-year period beginning with the one-year period commencing February 25, 2008, shall be referred to as a "Reporting Period" or an "Audit Year."

B. Sections III, VI, VII, VIII, IX, X, and XI of the CIA are hereby incorporated into this Addendum to the CIA by reference and Sections III, VI, VII, IX, X, and XI shall expire as to this Addendum to the CIA no later than 120 days after OIG's receipt of: (1) the SEHMA Home Health Entities' final annual report pursuant to this Addendum to the CIA; or (2) any additional materials submitted pursuant to OIG's request, whichever is later.

C. Section II.C. of the CIA is hereby incorporated into this Addendum by reference, and is hereby amended by adding the following terms:

1. "Arrangements" shall mean every arrangement or transaction that:

a. involves, directly or indirectly, the offer, payment, solicitation, or receipt of anything of value; and is between the SEHMA Home Health Entities and any actual or potential source of health care business or referrals to the SEHMA Home Health Entities or any actual or potential recipient of health care business or referrals from the SEHMA Home Health Entities. The term "source" shall mean any physician, contractor, vendor, or agent and the term "health care business or referrals" shall be read to include referring, recommending, arranging for, ordering, leasing, or purchasing of any good, facility, item, or service for which payment may be made in whole or in part by a Federal health care program; or

b. is between the SEHMA Home Health Entities and a physician (or a physician's immediate family member (as defined at 42 C.F.R. § 411.351)) who makes a referral (as defined at 42 U.S.C. § 1395nn(h)(5)) to the SEHMA Home Health Entities for designated health services (as defined at 42 U.S.C. § 1395nn(h)(6)).

2. "Arrangements Covered Persons" includes each Covered Person involved with the development, approval, management, or review of Arrangements on behalf of the SEHMA Home Health Entities.

- D. Nothing in this Addendum shall be construed to modify the regulatory and/or statutory provisions that relate to the Anti-Kickback Statute and Stark Law.

III. CORPORATE INTEGRITY OBLIGATIONS

The SEHMA Home Health Entities shall establish and maintain a Compliance Program that includes the following elements:

A. Written Standards.

Section III.B.3 of the CIA (*Policies and Procedures*) is hereby incorporated into this Addendum by reference and is amended by the addition of the following provisions: To the extent not already completed before the Effective Date of this Addendum to the CIA, but no later than 90 days after the Effective Date of this Addendum to the CIA, the SEHMA Home Health Entities shall implement written Policies and Procedures regarding the operation of the SEHMA Home Health Entities' compliance program and its compliance with Federal health care program requirements. Such Policies and Procedures shall address:

- a. 42 U.S.C. § 1320a-7b(b) (Anti-Kickback Statute) and 42 U.S.C. § 1395nn (Stark Law), and the regulations and other guidance documents related to these statutes, and business or financial arrangements or contracts that generate unlawful Federal health care program business in violation of the Anti-Kickback Statute or the Stark Law; and
- b. the requirements set forth in Section C of this Addendum to the CIA (Compliance with the Anti-Kickback Statute and Stark Law), including but not limited to the Arrangements Database, the internal review and approval process, and the tracking of remuneration to and from sources of health care business or referrals.

To the extent not already completed before the Effective Date of this Addendum to the CIA, but no later than 90 days after the Effective Date of this Addendum to the CIA, the relevant portions of the Policies and Procedures shall be distributed to all individuals whose job functions relate to those Policies and Procedures. Distribution may include publishing such Policies and Procedures on the SEHMA Home Health Entities' intranet or other internal web site available to all employees. If the SEHMA Home Health Entities use such an electronic method of distribution, it must notify the

individuals receiving the Policies and Procedures that the Policies and Procedures will be distributed in such a manner and it must monitor the distribution to ensure that all appropriate individuals received the Policies and Procedures. Appropriate and knowledgeable staff shall be available to explain the policies and procedures.

At least annually (and more frequently, if appropriate), The SEHMA Home Health Entities shall assess and update, as necessary, the Policies and Procedures. The relevant portions of any such revised Policies and Procedures shall be distributed to all Covered Persons and Covered Contractors whose job functions relate to those Policies and Procedures within 90 days of such revisions.

- c. the personal obligation of each individual involved in the development, approval, management, or review of the SEHMA Home Health Entities' Arrangements to know the applicable legal requirements and the SEHMA Home Health Entities' Policies and Procedures;

d. the legal sanctions under the Anti-Kickback Statute and the Stark Law; and

e. examples of violations of the Anti-Kickback Statute and the Stark Law.

New Arrangements Covered Persons shall receive this training within 30 days after the beginning of their employment or becoming Arrangements Covered Persons, or within 30 days after the Effective Date of this Addendum, whichever is later. A SEHMA Home Health Entities' employee who has completed the Arrangements Training shall review a new Arrangements Covered Person's work until such time as the new Arrangements Covered Person completes his or her Arrangements Training.

After receiving the initial Arrangements Training described in this Section, each Arrangements Covered Person shall receive at least one hour of Arrangements Training in each subsequent Reporting Period.

The requirements set forth in Sections III.C.4 through III.C.8 of the CIA apply to the Arrangements Training set forth in Section III.B of this Addendum to the CIA.

C. Compliance with the Anti-Kickback Statute and Stark Law. Section III of the CIA is amended by the addition of this provision as Section III.J of the CIA.

1. *Arrangements Procedures.* To the extent not already completed before the Effective Date of this Addendum to the CIA, but no later than 90 days after the Effective Date, the SEHMA Home Health Entities shall create procedures reasonably designed to ensure that each existing and new or renewed Arrangement does not violate the Anti-Kickback Statute and/or the Stark Law or the regulations, directives, and guidance related to these statutes (Arrangements Procedures). These procedures shall include the following:

a. creating and maintaining a database of all existing and new or renewed Arrangements that shall contain the information specified in Appendix F (Arrangements Database);

c. tracking service and activity logs to ensure that parties to the Arrangement are performing the services required under the applicable Arrangement(s) (if applicable);

d. monitoring the use of leased space, medical supplies, medical devices, equipment, or other patient care items to ensure that such use is consistent with the terms of the applicable Arrangement(s) (if applicable);

e. establishing and implementing a written review and approval process for all Arrangements, including but not limited to a legal review of Arrangements by counsel with expertise in the Anti-Kickback Statute and Stark Law and appropriate documentation of all internal controls, the purpose of which is to ensure that all new and existing or renewed Arrangements do not violate the Anti-Kickback Statute and Stark Law;

f. requiring the Compliance Officer to review the Arrangements Database, internal review and approval process, and other Arrangements Procedures on at least a quarterly basis and to provide a report on the results of such review to the Compliance Committee; and

g. implementing effective responses when suspected violations of the Anti-Kickback Statute and Stark Law are discovered, including disclosing Reportable Events and quantifying and repaying Overpayments pursuant to Section III.H of the CIA (Reporting) when appropriate.

2. *New or Renewed Arrangements.* Prior to entering into new Arrangements or renewing existing Arrangements, in addition to complying with the Arrangements Procedures set forth above, The SEHMA Home Health Entities shall comply with the following requirements (Arrangements Requirements):

a. Ensure that each Arrangement is set forth in writing, signed by the SEHMA Home Health Entities and the other parties to the Arrangement, and is tracked in the Arrangements Database;

b. Include in the written agreement a requirement that all individuals who meet the definition of Covered Persons shall comply with the SEHMA Home Health Entities' Compliance Program, including the training related to the Anti-Kickback Statute and the Stark Law. Additionally, the SEHMA Home Health Entities shall provide each party to the Arrangement with a copy of its Code of

Conduct and Stark Law and Anti-Kickback Statute Policies and Procedures; and

c. Include in the written agreement a certification by the parties to the Arrangement that the parties shall not violate the Anti-Kickback Statute and the Stark Law with respect to the performance of the Arrangement Review.

3. *Records Retention and Access.* The SEHMA Home Health Entities shall retain and make available to OIG, upon request, the Arrangements Database and all supporting documentation of the Arrangements subject to this Section and, to the extent available, all non-privileged communications related to the Arrangements and the actual performance of the duties under the Arrangements.

D. Review Procedures for Arrangements. Section III of the CIA is amended by the addition of this provision as Section III.K of the CIA.

1. *General Description.*

a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, the SEHMA Home Health Entities shall engage an individual or entity (or entities), such as an accounting, auditing, law, or consulting firm (hereinafter "Independent Review Organization" or "IRO"), to perform a review to assist the SEHMA Home Health Entities in assessing its compliance with the obligations pursuant to Section III.C of this Addendum to the CIA (Arrangements Review).

Each IRO shall assess, along with the SEHMA Home Health Entities, whether it can perform the IRO review in a professionally independent and/or objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or other engagements that may exist. The engagement of the IRO for the Arrangements Review shall not be deemed to create an attorney-client relationship between the SEHMA Home Health Entities and the IRO. The other applicable requirements relating to the IRO(s) are outlined in Appendix G to this Addendum, which is incorporated by reference.

b. *Frequency of Arrangements Review.* The Arrangements Review shall be performed annually and shall cover each of the Reporting

Periods. The IRO(s) shall perform all components of each annual Arrangements Review.

d. *Retention of Records.* The IRO and the SEHMA Home Health Entities shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and the SEHMA Home Health Entities) related to the reviews.

e. *Responsibilities and Liabilities.* Nothing in this Section III.J affects the SEHMA Home Health Entities' responsibilities or liabilities under any criminal, civil, or administrative laws or regulations applicable to any Federal health care program including, but not limited to, the Anti-Kickback Statute and/or the Stark Law.

2. *Arrangements Review.* The IRO shall perform a review to assess whether the SEHMA Home Health Entities are complying with the Arrangements Procedures and Arrangements Requirements required by Sections III.C.1 and III.C.2 of this Addendum to the CIA. The IRO shall randomly select a sample of 50 the SEHMA Home Health Entities Arrangements that were entered into or renewed during the Reporting Period. The IRO shall assess whether the SEHMA Home Health Entities has implemented the Arrangements Procedures and, for each selected Arrangement, the IRO shall assess whether the SEHMA Home Health Entities have complied with the Arrangements Procedures and Arrangements Requirements specifically with respect to that Arrangement. The IRO's assessment shall include, but is not limited to (a) verifying that the Arrangement is listed in the Arrangements Database; (b) verifying that the Arrangement was subject to the internal review and approval process (including both a legal and business review) and obtained the necessary approvals and that such review and approval is appropriately documented; (c) verifying that the remuneration related to the Arrangement is properly tracked; (d) verifying that the service and activity logs are properly completed and reviewed (if applicable); (e) verifying that leased space, medical supplies, medical devices, and equipment, and other patient care items are properly monitored (if applicable); (f) verifying that the Compliance Officer is reviewing the Focus Arrangements Database, internal review and approval process, and other Arrangements Procedures on a quarterly basis and reporting the results of such review to the Compliance Committee; (g) verifying that effective responses are being implemented when violations of the Anti-Kickback Statute and Stark Law are discovered; and (h) verifying that the SEHMA Home Health Entities has met the requirements of Section III.C.2 of this Addendum to the CIA.

3. *Arrangements Review Report.* The IRO shall prepare a report based upon the Focus Arrangements Review performed (Focus Arrangements Review Report). The Arrangements Review Report shall include the IRO's findings with respect to (a) whether the SEHMA Home Health Entities has generally implemented the Arrangements Procedures described in Section III.C.1 of this Addendum to the CIA; and (b) specific findings as to whether the SEHMA Home Health Entities has complied with the Arrangements Procedures and Arrangements Requirements with respect to each of the randomly selected Arrangements reviewed by the IRO. In addition, the Arrangements Review Report shall include any observations, findings and recommendations on possible improvements to The SEHMA Home Health Entities' policies, procedures, and systems in place to ensure that all Arrangements do not violate the Anti-Kickback Statute and Stark Law.

4. *Unallowable Cost Review.* If applicable, the IRO shall conduct a review of The SEHMA Home Health Entities' compliance with the unallowable cost provisions of the Settlement Agreement. The IRO shall determine whether the SEHMA Home Health Entities has complied with its obligations not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs and its obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from the United States, or any state Medicaid program. This unallowable cost analysis shall include, but not be limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by the SEHMA Home Health Entities or any affiliates. To the extent that such cost reports, cost statements, information reports, or payment requests, even if already settled, have been adjusted to account for the effect of the inclusion of the unallowable costs, the IRO shall determine if such adjustments were proper. In making this determination, the IRO may need to review cost reports and/or financial statements from the year in which the Settlement Agreement was executed, as well as from previous years.

5. *Unallowable Cost Review Report.* If applicable, the IRO shall prepare a report based upon the Unallowable Cost Review performed. The Unallowable Cost Review Report shall include the IRO's findings and supporting rationale regarding the Unallowable Costs Review and whether the SEHMA Home Health Entities has complied with its obligation not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs (as defined in the Settlement Agreement) and its obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from such payor.

6. *Validation Review.* In the event OIG has reason to believe that: (a) The SEHMA Home Health Entities's Arrangements Review or Unallowable Cost Review fails to conform to the requirements of this Agreement; or (b) the IRO's findings or

Arrangements Review or Unallowable Cost Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Arrangements Review or Unallowable Cost Review complied with the requirements of the Agreement and/or the findings or Arrangements Review or Unallowable Cost Review results are inaccurate (Validation Review). The SEHMA Home Health Entities shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of Reports submitted as part of the SEHMA Home Health Entities' final Annual Report must be initiated no later than one year after the SEHMA Home Health Entities' final submission (as described in Section II of the Addendum to the CIA) is received by OIG.

Before initiating a Validation Review, OIG shall notify the SEHMA Home Health Entities of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, the SEHMA Home Health Entities may request a meeting with OIG to: (a) discuss the results of any Focus Arrangements Review or Unallowable Cost Review submissions or findings; (b) present any additional information to clarify the results of the Focus Arrangements Review or Unallowable Cost Review or to correct the inaccuracy of the Arrangements Review or Unallowable Cost Review; and/or (c) propose alternatives to the proposed Validation Review. The SEHMA Home Health Entities agrees to provide any additional information as may be requested by OIG under this Section in an expedited manner. OIG will attempt in good faith to resolve any Arrangements Review or Unallowable Cost Review issues with The SEHMA Home Health Entities prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

7. *Independence and Objectivity Certification.* The IRO shall include in its report(s) to the SEHMA Home Health Entities a certification or sworn affidavit that it has evaluated its professional independence and objectivity, as appropriate to the nature of the engagement, with regard to the Arrangements Review and, if applicable, the Unallowable Cost Review and that it has concluded that it is, in fact, independent and objective.

The SEHMA Home Health Entities shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and/or objective fashion, as set forth in Paragraph D. Within 30 days after the OIG receives written notice of the identity of the selected IRO, the OIG will notify the SEHMA Home Health Entities if the IRO is unacceptable. Absent notification from the OIG that the IRO is unacceptable, the SEHMA Home Health Entities may continue to engage the IRO.

If The SEHMA Home Health Entities engages a new IRO during the term of the CIA, this IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, the SEHMA Home Health Entities shall submit the information identified in Section IV.A.5 of this Addendum to the CIA to the OIG within 30 days of engagement of the IRO. Within 30 days after the OIG receives written notice of the identity of the selected IRO, the OIG will notify the SEHMA Home Health Entities if the IRO is unacceptable. Absent notification from the OIG that the IRO is unacceptable, The SEHMA Home Health Entities may continue to engage the IRO.

B. IRO Qualifications.

The IRO shall:

1. assign individuals to conduct the Arrangements Review and, if applicable, the Unallowable Cost Review engagement who have expertise in the subject matter of the review(s) the IRO is being engaged to perform and in the general requirements of the Federal health care program(s) from which the SEHMA Home Health Entities seeks reimbursement; and

2. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities.

The IRO shall:

1. perform each Arrangements Review in accordance with the specific requirements of the CIA;

3. prepare timely, clear, well-written reports that include all the information required by the CIA.

D. IRO Independence/Objectivity.

The IRO must perform the Arrangements Review in a professionally independent and objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or engagements that may exist between the IRO and the SEHMA Home Health Entities.

E. IRO Removal/Termination.

1. *The SEHMA Home Health Entities.* If the SEHMA Home Health Entities terminates its IRO during the course of the engagement, the SEHMA Home Health Entities must submit a notice explaining its reasons to the OIG no later than 30 days after termination. The SEHMA Home Health Entities must engage a new IRO in accordance with Paragraph A of this Appendix.

2. *OIG Removal of IRO.* In the event the OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and/or objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, the OIG may, at its sole discretion, require the SEHMA Home Health Entities to engage a new IRO in accordance with Paragraph A of this Appendix.

Prior to requiring the SEHMA Home Health Entities to engage a new IRO, the OIG shall notify the SEHMA Home Health Entities of its intent to do so and provide a written explanation of why the OIG believes such a step is necessary. To resolve any concerns raised by the OIG, the SEHMA Home Health Entities may request a meeting

with the OIG to discuss any aspect of the IRO's qualifications, independence, or performance of its responsibilities and to present additional information regarding these matters. The SEHMA Home Health Entities shall provide any additional information as may be requested by the OIG under this Paragraph in an expedited manner. The OIG will attempt in good faith to resolve any differences regarding the IRO with the SEHMA Home Health Entities prior to requiring the SEHMA Home Health Entities to terminate the IRO. However, the final determination as to whether or not to require the SEHMA Home Health Entities to engage a new IRO shall be made at the sole discretion of the OIG.
