

CORPORATE INTEGRITY AGREEMENT
BETWEEN THE
OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
WALGREEN CO.

I. PREAMBLE

Walgreen Co. hereby enters into this Corporate Integrity Agreement (CIA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to enhance Walgreen Co.'s compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). The terms of this CIA shall be applicable to any division, subsidiary, or affiliate of Walgreen Co. that conducts retail or mail order pharmacy operations (collectively, "Walgreens"). Contemporaneously with this CIA, Walgreen Co. is entering into a Settlement Agreement with the United States.

Prior to the execution of this CIA, Walgreens established a voluntary corporate compliance program. Walgreens agrees to operate its compliance program in a manner that meets the requirements of this CIA during the term of this CIA. Walgreens may modify the compliance program as appropriate, but at a minimum, Walgreens shall ensure that the compliance program meets the requirements of this CIA.

II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by Walgreens under this CIA shall be five years from the effective date of this CIA, unless otherwise specified. The effective date shall be the date on which the final signatory of this CIA executes this CIA (Effective Date). Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a "Reporting Period."

B. Sections VII, VIII, IX, X, and XI shall expire no later than 120 days after OIG's receipt of: (1) Walgreens's final annual report; or (2) any additional materials submitted by Walgreens pursuant to OIG's request, whichever is later.

C. The scope of this CIA shall be governed by the following definitions:

1. "Covered Persons" includes:
 - a. all officers and directors of Walgreen Co. with responsibilities relating to, or oversight for, the furnishing of pharmaceutical items or services to Federal health care program beneficiaries or the preparation or submission of claims for pharmaceutical items or services to any Federal health care program; and
 - b. all employees, contractors, subcontractors, and agents of Walgreens or a subsidiary, division, or affiliate of Walgreens who are engaged to furnish pharmaceutical items or services to Federal health care program beneficiaries or to prepare or submit claims for pharmaceutical items or services to any Federal health care program.

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours per year, except that any such individuals shall become "Covered Persons" at the point when they work more than 160 hours during the calendar year. In addition, notwithstanding the above, this term does not include electronic clearinghouses engaged by Walgreens to process and submit claim information to Federal health care program payors.

2. "Relevant Covered Persons" includes: all officers, directors, and other Covered Persons who are involved in corporate-level purchasing, pricing, or dispensing decisions that affect reimbursement from Federal health care programs.
3. "Therapeutic Interchange" includes: the substitution of a drug that has the same or similar therapeutic effects as the drug originally prescribed based on appropriate authorization of the prescriber. It does not refer to the substitution of a chemically identical generic drug in the same

dosage and form as the branded drug originally prescribed, which generally does not require authorization of the prescriber under state law.

4. "Therapeutic Interchange Program" includes: a company-wide effort to implement a particular therapeutic interchange for retail store or mail order customers, including beneficiaries of Federal health care programs. A Therapeutic Interchange Program does not include any program specifically approved by a third party payer or a pharmacy benefit manager with respect to prescriptions dispensed to the beneficiaries of that third party payer or pharmacy benefit manager.

III. CORPORATE INTEGRITY OBLIGATIONS

Walgreens has established and shall maintain a Compliance Program that includes the following elements:

A. Compliance Officer and Committee.

1. *Compliance Officer.* Prior to the Effective Date of this CIA, Walgreens appointed an individual to serve as its Compliance Officer, and Walgreens shall maintain a Compliance Officer for the term of this CIA. The Compliance Officer is responsible for developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with applicable Federal health care program requirements. The Compliance Officer shall be a member of senior management of Walgreens, shall make periodic (at least quarterly) reports regarding Federal health care program compliance matters directly to the Audit Committee of the Board of Directors of Walgreens, and shall be authorized to report on such matters to the Audit Committee of the Board of Directors at any time. The Compliance Officer shall not be or be subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer shall continue to be responsible for monitoring the day-to-day Federal health care program compliance activities engaged in by Walgreens as well as for any reporting obligations created under this CIA.

Walgreens shall report to OIG, in writing, any changes in the identity or position description of the Compliance Officer, or any actions or changes that would affect the

Compliance Officer's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

2. *Compliance Committee.* Prior to the Effective Date of this CIA, Walgreens appointed a Compliance Committee. The Compliance Committee shall, at a minimum, include the Compliance Officer and other members of upper management necessary to meet the requirements of this CIA (e.g., management personnel of relevant departments, such as accounting, audit, human resources, store operations, and third party operations). The Compliance Officer shall continue to chair the Compliance Committee and the Committee shall continue to support the Compliance Officer in fulfilling his/her responsibilities (e.g., assist in the analysis of the organization's risk areas and oversee monitoring of internal and external audits and investigations related to Federal health care programs). The Compliance Committee shall make at least annual reports to the Audit Committee of the Board of Directors of Walgreens.

Walgreens shall report to OIG, in writing, any changes in the composition of the Compliance Committee, or any actions or changes that would adversely affect the Compliance Committee's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

3. *Audit Committee of the Board of Directors.* Walgreens's Board of Directors shall maintain during the term of the CIA an Audit Committee comprised of independent directors of Walgreens (hereinafter "Board Committee"). The Board Committee is responsible for review and oversight of matters related to compliance with the requirements of Federal health care programs and the obligations of this CIA. The Board Committee shall, at a minimum, meet at least quarterly and shall review and oversee Walgreens's Compliance Program, including but not limited to the performance of the Compliance Officer and Compliance Committee. Walgreens shall report to OIG, in writing, any changes in the composition of the Board Committee, or any actions or changes that would affect the Board Committee's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

B. Written Standards.

1. *Code of Conduct.* Prior to the Effective Date of this CIA, Walgreens developed, implemented, and distributed a written Code of Conduct, known as the Pharmacy Code of Conduct, to all Covered Persons. To the extent that Walgreens

conducts performance evaluations of Covered Persons, Walgreens shall make the promotion of, and adherence to, the Code of Conduct an element in evaluating the performance of all employees. To the extent that Covered Persons do not receive performance evaluations, Walgreens shall notify such Covered Persons that violations of the Code of Conduct may result in disciplinary action, including termination of employment. The Code of Conduct, at a minimum, shall continue to set forth:

- a. Walgreens's commitment to full compliance with all applicable Federal health care program requirements, including its commitment to prepare and submit accurate claims consistent with such requirements;
- b. Walgreens's requirement that all of its Covered Persons shall be expected to comply with all applicable Federal health care program requirements and with Walgreens's own Policies and Procedures as implemented pursuant to this Section III.B (including the requirements of this CIA);
- c. the requirement that all of Walgreens's Covered Persons shall be expected to report to the Compliance Officer or other appropriate individual designated by Walgreens suspected violations of any Federal health care program requirements or of Walgreens's own Policies and Procedures;
- d. the possible consequences to both Walgreens and Covered Persons of failure to comply with Federal health care program requirements and with Walgreens's own Policies and Procedures and the failure to report such noncompliance; and
- e. the right of all individuals to use the Disclosure Program described in Section III.E, and Walgreens's commitment to non-retaliation and to maintaining, as appropriate, confidentiality and anonymity with respect to such disclosures.

Within 150 days after the Effective Date, each Covered Person shall certify, in writing or electronically, that he or she has received, read, understood, and shall abide by Walgreens' Code of Conduct. New Covered Persons shall receive the Code of Conduct

and shall complete the required certification within 30 days after becoming a Covered Person or within 150 days after the Effective Date, whichever is later, unless the employment of such new Covered Person terminates in less than 30 days.

Walgreens shall continue to periodically review the Code of Conduct to determine if revisions are appropriate and shall make any necessary revisions based on such review. To the extent Walgreens makes any material changes to the Code of Conduct, any revised Code of Conduct shall be distributed and made available to Covered Persons within 60 days after such revisions are finalized, and each Covered Person shall certify, in writing or in electronic form, if applicable, that he or she has received, read, understood, and shall abide by the revised Code of Conduct within 45 days after the distribution of the revised Code of Conduct.

2. *Policies and Procedures.* To the extent not already implemented, within 120 days after the Effective Date, Walgreens shall implement written Policies and Procedures regarding the operation of Walgreens's compliance program and its compliance with Federal health care program requirements. In addition, within 120 days after the Effective Date, Walgreens shall implement written Policies and Procedures reasonably designed to ensure that all Therapeutic Interchange Programs are developed and implemented by Walgreens consistent with the requirements of this CIA, Federal health care program requirements related to making a Therapeutic Interchange, and the requirements under applicable state and federal laws for obtaining prior authorization from the prescriber before making a therapeutic interchange of a drug. At a minimum, the Policies and Procedures shall address:

- a. the subjects relating to the Code of Conduct identified in Section III.B.1;
- b. the proper and accurate preparation and submission of claims to Federal health care programs;
- c. the proper and accurate reimbursement of drugs by the Federal health care programs, including the Maximum Allowable Cost (MAC) programs maintained by states in which Walgreens does business, and the Federal Upper Limit (FUL) program maintained by CMS;

- d. the proper and accurate documentation of medical and prescription records;
- e. the proper and accurate dispensing of prescription drugs, including federal and state law requirements relating to prior authorization;
- f. establishment of a centralized process for developing Therapeutic Interchange Programs that will consider the relative therapeutic or pharmaceutical attributes of the drugs subject to the Therapeutic Interchange and, secondarily, the relative prices to payors of the drugs subject to the Therapeutic Interchange;
- g. establishment of a centralized process for obtaining approval from senior management for Therapeutic Interchange Programs before they are implemented; and
- h. establishment of a centralized process for developing materials supporting Therapeutic Interchange Programs which are accurate, not misleading, and include relevant information regarding the basis for the Therapeutic Interchange.

Within 150 days after the Effective Date, the relevant portions of the Policies and Procedures shall be made available to all Covered Persons whose job functions relate to those Policies and Procedures. Distribution may include publishing such Policies and Procedures on Walgreens's intranet or other internal website available to all Covered Persons. To the extent that Walgreens uses such an electronic method of distribution, it must notify the Covered Persons that the Policies and Procedures will be distributed in such a manner and it must track the distribution to ensure that all appropriate Covered Persons received the Policies and Procedures. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

At least annually (and more frequently, if appropriate), Walgreens shall assess and update as necessary the Policies and Procedures. Within 30 days after the effective date of any revisions, the relevant portions of any such revised Policies and Procedures shall be made available to all individuals whose job functions relate to those Policies and Procedures.

C. Training and Education.

Walgreens represents that it provides training on a regular basis concerning a variety of topics to its employees. The training required by this CIA need not be separate and distinct from the regular training provided by Walgreens, but instead may be integrated fully into such regular training provided, however, that the training satisfies the requirements set forth in this CIA. The Compliance Officer shall be responsible for determining how many of the hours of regular training shall be credited toward the General and Specific Training requirements set forth in this Section III.C.

1. *General Training.* Within 150 days after the Effective Date, Walgreens shall provide at least one hour of General Training to each Covered Person. This training, at a minimum, shall explain Walgreens's:

- a. CIA requirements; and
- b. Compliance Program (including the Code of Conduct and the Policies and Procedures as they pertain to general compliance issues).

New Covered Persons shall receive the General Training described above within 30 days after becoming a Covered Person or within 150 days after the Effective Date, whichever is later, unless the employment of such new Covered Person terminates after less than 30 days. After receiving the initial General Training described above, each Covered Person shall receive at least one hour of General Training annually.

2. *Specific Training.* Within 150 days after the Effective Date, each Relevant Covered Person shall receive at least two hours of Specific Training. This Specific Training shall include a discussion of:

- a. the applicable statutes, regulations, and program requirements and directives of the Federal health care programs relating to reimbursement, including MAC programs and the FUL program maintained by CMS;

- b. the requirements under applicable state and federal laws for obtaining prior authorization from the prescriber before making a Therapeutic Interchange of a drug;
- c. applicable claims submission and reimbursement statutes, regulations, and program requirements and directives related to drug coverage under Federal health care programs;
- d. the legal sanctions for violations of the Federal health care program requirements; and
- e. examples of proper and improper implementation of therapeutic interchange programs and related claims submission practices.

New Relevant Covered Persons shall receive this training within 30 days after the beginning of their employment or becoming Relevant Covered Persons, unless the employment of such new Relevant Covered Person terminates after less than 30 days. After receiving the initial Specific Training described in this Section, each Relevant Covered Person shall receive at least one hour of Specific Training annually.

3. *Certification.* Each individual who is required to receive training shall certify, in writing, or in electronic form, if applicable, that he or she has received the required training. The certification shall specify the type of training received and the date received. The Compliance Officer (or designee) shall retain the certifications, along with all course materials. These shall be made available to OIG, upon request.

4. *Qualifications of Trainer.* Persons providing the training shall be knowledgeable about the subject area.

5. *Update of Training.* Walgreens shall annually review the training, and, where appropriate, update the training to reflect changes in Federal health care program requirements, any issues relevant to Federal health care program compliance discovered during internal audits or the Government Reimbursement Review, and any other relevant information.

6. *Computer-based Training.* Walgreens may provide the training required under this CIA through appropriate computer-based training approaches. In that event, all applicable references to “hours” in this Section shall mean “normative hours” as that term

is used in the computer-based training industry. If Walgreens chooses to provide computer-based training, it shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

D. Review Procedures.

1. *General Description.*

a. *Engagement of Independent Review Organization.* Within 120 days after the Effective Date, Walgreens shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform reviews to assist Walgreens in assessing and evaluating its reimbursement from, and compliance with the requirements of, the Federal health care program requirements (Government Reimbursement Review). Each IRO shall assess, along with Walgreens, whether it can perform the Government Reimbursement Review in a professionally independent and objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or other engagements that may exist. The applicable requirements relating to the IRO are outlined in Appendix A to this Agreement, which is incorporated by reference.

b. *Frequency of Government Reimbursement Review.* The Government Reimbursement Review shall be performed annually and shall cover each of the Reporting Periods. The IRO(s) shall perform all components of each annual Government Reimbursement Review.

c. *Retention of Records.* The IRO and Walgreens shall retain and make available to OIG, upon request, all work papers, supporting documentation, all correspondence, and all draft reports (those exchanged between the IRO and Walgreens) related to the reviews.

2. *Government Reimbursement Review.* The IRO shall perform a review to assess Walgreens's reimbursement from the Federal health care programs. The review shall be performed as follows:

a. *Selection of State.* Within 90 days of the end of each Reporting Period, the IRO shall provide OIG with its recommendation for one state to be reviewed. The state recommended by the IRO shall be a state that maintained a MAC program and in which Walgreens did business during the Reporting Period. Within 30 days after OIG receives the IRO's recommendation, OIG shall notify the IRO if its recommendation is acceptable. If OIG determines that the IRO's recommendation is acceptable, the state recommended by the IRO shall be reviewed. Absent notification from OIG that the IRO's selection is unacceptable, the IRO shall review the state it recommended. The state selected pursuant to this process for each Reporting Period shall be referred to herein as the "Selected State."

b. *Selection of Drugs.* At least 90 days before the end of each Reporting Period, the IRO shall provide OIG with its recommendation for three Drug Entities to be reviewed in accordance with this Section III.D. For purposes of this CIA, the term "Drug Entity" shall mean the generic version of a molecular compound of which one or more dosage forms or strengths are approved for prescription use by the U.S. Food and Drug Administration, and for which at least one available form or strength is listed on the MAC list for the Selected State or the FUL list. In choosing the three Drug Entities, the IRO shall request that Walgreens identify any Drug Entity that Walgreens stocks in its warehouses or distribution centers and for which Walgreens's acquisition costs or purchase volumes have changed significantly during the Reporting Period. The IRO will also review any new contracts related to the purchase of Drug Entities entered into by Walgreens and any Drug Entities that were the subject of any Therapeutic Interchange Program(s) during the Reporting Period, prior versions of such contracts, and correspondence related to the negotiation of the new contracts. Based on its review of this information, the IRO shall select the three Drug Entities to be reviewed. The IRO shall not at any time communicate to OIG any information that identifies Walgreens' acquisition costs of particular prescription medications or other confidential proprietary information of Walgreens. Within 30 days after OIG receives the IRO's recommendation, OIG shall notify the IRO if its recommendation is acceptable. If OIG determines that the IRO's recommendations are acceptable, the drugs recommended by the IRO shall be reviewed in accordance with this Section III.D. Absent notification from OIG that the IRO's recommendations are unacceptable, the IRO shall review the

recommended drugs. Each drug selected pursuant to this process for each Reporting Period shall be referred to herein as a “Selected Drug.”

c. *Review.* The IRO shall analyze Walgreens’s reimbursement from the Selected State’s Medicaid Program for each available strength and dosage form of each Selected Drug during the Reporting Period. The IRO shall determine whether there was a significant change in the number of claims submitted by Walgreens for each available strength and dosage form of each Selected Drug. If such a significant change occurred, the IRO shall determine if the change reflects a Therapeutic Interchange Program with respect to any of the Selected Drugs. In making this determination, the IRO may use appropriate sampling techniques and shall review information under Walgreens’s control, including but not limited to claims submission and reimbursement data, dispensing policies, Therapeutic Interchange Programs, claims submission policies, as well as the FUL program and the Selected State’s Medicaid policies and procedures (including the MAC list). The IRO shall specifically determine whether any Therapeutic Interchange Program had the effect of avoiding the Selected State’s MAC list, the FUL program, or otherwise improperly maximizing reimbursement from the Selected State’s Medicaid Program. If the IRO so determines, the IRO shall perform a root cause analysis to determine how the Therapeutic Interchange Program occurred based on information available to Walgreens, interviews with relevant personnel, Walgreens policies and procedures, supporting documentation regarding relevant prescriptions, and purchasing records. The IRO shall recommend corrective action in order to prevent further Therapeutic Interchange Programs based on improperly avoiding the MAC lists or the FUL program, or otherwise improperly maximizing reimbursement from the Medicaid Program. If the IRO determines that the Therapeutic Interchange Program did not occur for the purpose of avoiding a Selected State’s MAC list or the FUL program, or otherwise improperly to maximize reimbursement from the Medicaid program, the IRO shall set forth the basis for its conclusion in its report.

3. *Government Reimbursement Review Report.* The IRO shall prepare a report based upon each Government Reimbursement Review performed (Government Reimbursement Review Report). Information to be included in the Government Reimbursement Review Report is described in Appendix B.

4. *Validation Review.* In the event OIG has reason to believe that: (a) Walgreens’s Government Reimbursement Review fails to conform to the requirements of this CIA; or (b) the IRO’s findings or Government Reimbursement Review results are

inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Government Reimbursement Review complied with the requirements of this CIA and/or the findings or Government Reimbursement Review results are inaccurate (Validation Review). Walgreens shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of Reports submitted as part of Walgreens's final Annual Report must be initiated no later than one year after Walgreens's final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify Walgreens of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, Walgreens may request a meeting with OIG to: (a) discuss the results of any Government Reimbursement Review submissions or findings; (b) present any additional information to clarify the results of the Government Reimbursement Review or to correct the inaccuracy of the Government Reimbursement Review; and/or (c) propose alternatives to the proposed Validation Review. Walgreens agrees to provide any additional information as may be requested by OIG under this Section in an expedited manner. OIG will attempt in good faith to resolve any Government Reimbursement Review issues with Walgreens prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

5. *Independence/Objectivity Certification.* The IRO shall include in its report(s) to Walgreens a certification or sworn affidavit that it has evaluated its professional independence and objectivity, as appropriate to the nature of the engagement, with regard to the Government Reimbursement Review and that it has concluded that it is, in fact, independent and objective.

E. Disclosure Program.

Prior to the Effective Date of this CIA, Walgreens established a Disclosure Program that includes, among other things, a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual's chain of command, any identified issues or questions associated with Walgreens's policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Walgreens shall continue to appropriately publicize the existence of the disclosure mechanism (e.g., via posting on

Walgreens's intranet or other internal website available to all Covered Persons, or by posting the information in prominent common areas).

The Disclosure Program shall continue to emphasize a nonretribution, nonretaliation policy, and shall continue to include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure with respect to a Federal health care program, the Compliance Officer (or designee) shall attempt to gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every such disclosure to ensure that he or she has obtained all of the information reasonably available and necessary to determine whether a further review should be conducted. For any such disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Walgreens shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log, which shall include a record and summary of each disclosure with respect to a Federal health care program received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews. The disclosure log shall be made available to OIG upon request.

F. Ineligible Persons.

1. *Definitions.* For purposes of this CIA:

- a. an "Ineligible Person" shall include any individual or entity who:
 - i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or
 - ii. has been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

b. "Exclusion Lists" include:

i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://oig.hhs.gov>); and

ii. the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://epls.arnet.gov>).

c. "Screened Persons" shall include officers, directors, and employees of Walgreens, and contractors and agents of Walgreens who are Covered Persons.

2. *Screening Requirements.* Walgreens shall ensure that all Screened Persons are not Ineligible Persons, by implementing the following screening requirements.

a. Walgreens shall screen all new Screened Persons against the Exclusion Lists prior to hiring them or engaging their services and, as part of the hiring or contracting process, shall require such persons to disclose whether they are an Ineligible Person.

b. Walgreens shall screen all Covered Persons against the Exclusion Lists within 150 days of the Effective Date. Walgreens shall screen all Screened Persons against the Exclusion Lists before the end of the first Reporting Period and on an annual basis thereafter.

c. Walgreens shall implement a policy requiring all Screened Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Nothing in this Section affects the responsibility of (or liability for) Walgreens to refrain from billing Federal health care programs for items or services furnished, ordered, or prescribed by an Ineligible Person.

3. *Removal Requirement.* If Walgreens has actual notice that a Screened Person has become an Ineligible Person, Walgreens shall remove such person from responsibility for, or involvement with, Walgreens's business operations related to the Federal health care programs and shall remove such person from any position for which the person's compensation or the items or services furnished, ordered, or prescribed by the person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the person is reinstated into participation in the Federal health care programs.

4. *Pending Charges and Proposed Exclusions.* If Walgreens has actual notice that a Screened Person is charged with a criminal offense that falls within the ambit of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during his or her employment or contract term, Walgreens shall take all appropriate actions to ensure that the responsibilities of that person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or the accuracy of any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings.

Within 30 days after discovery, Walgreens shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Walgreens conducted or brought by a governmental entity or its agents involving an allegation that Walgreens has committed a crime or has engaged in fraudulent activities related to Federal health care programs. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Walgreens shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceedings, if any.

H. Reporting.

1. *Overpayments.*

a. Definition of Overpayments. For purposes of this CIA, an "Overpayment" shall mean the amount of money Walgreens has received in excess of the amount due and payable under any Federal health care program requirements.

b. Reporting of Overpayments. Except with respect to an investigation or legal proceeding as to which Walgreens has provided the notice required by Paragraph III.G, above, if, at any time, Walgreens identifies or learns of any Overpayment, Walgreens shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days after identification of the Overpayment, Walgreens shall tender repayment of the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified, within 30 days after identification, Walgreens shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor's policies. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

2. *Reportable Events*.

a. Definition of Reportable Event. For purposes of this CIA, a "Reportable Event" means anything that involves:

- i. a substantial Overpayment; or
- ii. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized.

A Reportable Event may be the result of an isolated event or a series of occurrences.

b. Reporting of Reportable Events. If Walgreens determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Walgreens shall notify OIG, in writing, within 60 days after making the determination that the Reportable Event exists. The report to OIG shall include the following information:

i. If the Reportable Event results in an Overpayment, the report to OIG shall be made at the same time as the notification to the payor required in Section III.I.1, and shall include all of the information on the Overpayment Refund Form, as well as:

(A) the payor's name, address, and contact person to whom the Overpayment was sent; and

(B) the date of the check and identification number (or electronic transaction number) by which the Overpayment was repaid/refunded;

ii. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;

iii. a description of Walgreens's actions taken to correct the Reportable Event; and

iv. any further steps Walgreens plans to take to address the Reportable Event and prevent it from recurring.

IV. NEW BUSINESS UNITS OR LOCATIONS

In the event that, after the Effective Date, Walgreens changes the location of its corporate headquarters or sells or purchases a retail or mail order pharmacy location, Walgreens shall notify OIG of this fact within 60 days after the date of change of location, sale, or purchase. This notification shall include the address of the new business

unit or location, Medicare and Medicaid provider numbers, and the corresponding contractor's name and address that has issued each Medicare number. Each newly established and purchased mail order and retail pharmacy location shall be subject to all the requirements of this CIA.

V. IMPLEMENTATION AND ANNUAL REPORTS

A. Implementation Report. Within 150 days after the Effective Date, Walgreens shall submit a written report to OIG summarizing the status of its implementation of the requirements of this CIA (Implementation Report). The Implementation Report shall, at a minimum, include:

1. the name, address, phone number, and position description of the Compliance Officer required by Section III.A, and a summary of other noncompliance job responsibilities the Compliance Officer may have;
2. the names and positions of the members of the Compliance Committee required by Section III.A.2 and the Board Committee required by Section III.A.3;
3. a copy of Walgreens's Code of Conduct required by Section III.B.1;
4. a copy of all Policies and Procedures required by Section III.B.2;
5. the number of individuals required to complete the Code of Conduct certification required by Section III.B.1, the percentage of individuals who have completed such certification, and an explanation of any exceptions (the documentation supporting this information shall be available to OIG, upon request);
6. the following information regarding each type of training required by Section III.C:
 - a. a description of such training, including a summary of the topics covered, the length of sessions and a schedule of training sessions;
 - b. the number of individuals required to be trained, percentage of individuals actually trained, and an explanation of any exceptions.

A copy of all training materials and the documentation supporting this information shall be available to OIG, upon request.

7. a description of the Disclosure Program required by Section III.E;
8. the following information regarding the IRO(s): (a) identity, address, and phone number; (b) a copy of the engagement letter; (c) a summary and description of any and all current and prior engagements and agreements between Walgreens and the IRO; and (d) the proposed start and completion dates of the Government Reimbursement Review;
9. a certification from the IRO regarding its professional independence and objectivity with respect to Walgreens;
10. the proposed start and completion dates of the Government Reimbursement Review;
11. a description of the process by which Walgreens fulfills the requirements of Section III.F regarding Ineligible Persons;
12. the name, title, and responsibilities of any person who is determined to be an Ineligible Person under Section III.F; the actions taken in response to the screening and removal obligations set forth in Section III.F; and the actions taken to identify, quantify, and repay any overpayments to Federal health care programs relating to items or services furnished, ordered or prescribed by an Ineligible Person;
13. a list of all states in which Walgreens does business relating to the Federal health care programs; any names other than Walgreens under which Walgreens does business with Federal health care programs; and the name and address of each Medicare contractor to which Walgreens currently submits claims;
14. a description of Walgreens's corporate structure, including identification of any parent and sister companies, subsidiaries, and their respective lines of business; and
15. the certifications required by Section V.C.

B. Annual Reports. Walgreens shall submit to OIG annually a report with respect to the status of, and findings regarding, Walgreens's compliance activities for each of the Reporting Periods (Annual Report).

Each Annual Report shall include, at a minimum:

1. any change in the identity, position description, or other noncompliance job responsibilities of the Compliance Officer and any change in the membership of the Compliance Committee described in Section III.A.2 and the Board Committee described in Section III.A.3;
2. a summary of any significant changes or amendments to the Policies and Procedures required by Section III.B and the reasons for such changes (e.g., change in contractor policy) and copies of any compliance-related Policies and Procedures;
3. the number of individuals required to complete the Code of Conduct certification required by Section III.B.1, the percentage of individuals who have completed such certification, and an explanation of any exceptions (the documentation supporting this information shall be available to OIG, upon request);
4. the following information regarding each type of training required by Section III.C:
 - a. a description of such training, including a summary of the topics covered, the length of sessions and a schedule of training sessions;
 - b. the number of individuals required to be trained, percentage of individuals actually trained, and an explanation of any exceptions.

A copy of all training materials and the documentation supporting this information shall be available to OIG, upon request.

5. a complete copy of all reports prepared pursuant to Section III.D, along with a copy of the IRO's engagement letter (if applicable);
6. Walgreens's response and corrective action plan(s) related to any issues raised by the reports prepared pursuant to Section III.D;

7. summary and description of any and all current and prior engagements and agreements between Walgreens and the IRO, if different from what was submitted as part of the Implementation Report;

8. a certification from the IRO regarding its professional independence and objectivity with respect to Walgreens;

9. a summary of Reportable Events (as defined in Section III.H) identified during the Reporting Period and the status of any corrective and preventative action relating to all such Reportable Events;

10. a report of the aggregate Overpayments that have been returned to the Federal health care programs. Overpayment amounts shall be broken down into the following categories, if applicable: Medicare, Medicaid (report each applicable state separately, if applicable), and other Federal health care programs. Overpayment amounts that are routinely reconciled or adjusted pursuant to policies and procedures established by the payor do not need to be included in this aggregate Overpayment report;

11. a summary of the disclosures in the disclosure log required by Section III.E that relate to Federal health care programs;

12. any changes to the process by which Walgreens fulfills the requirements of Section III.F regarding Ineligible Persons;

13. the name, title, and responsibilities of any person who is determined to be an Ineligible Person under Section III.F; the actions taken by Walgreens in response to the screening and removal obligations set forth in Section III.F; and the actions taken to identify, quantify, and repay any overpayments to Federal health care programs relating to items or services furnished, ordered or prescribed by an Ineligible Person;

14. a summary describing any ongoing investigation or legal proceeding required to have been reported pursuant to Section III.G. The summary shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding;

15. a description of all changes to the following most recently provided lists: all states in which Walgreens does business relating to the Federal health care programs; any names other than Walgreens under which Walgreens does business with Federal health care programs; and the name and address of each Medicare contractor to which Walgreens currently submits claims; and

16. the certifications required by Section V.C.

The first Annual Report shall be received by OIG no later than 60 days after the end of the first Reporting Period. Subsequent Annual Reports shall be received by OIG no later than the anniversary date of the due date of the first Annual Report.

C. Certifications. The Implementation Report and Annual Reports shall include a certification by the Compliance Officer that:

1. to the best of his or her knowledge, except as otherwise described in the applicable report, Walgreens is in compliance with all of the requirements of this CIA;

2. he or she has reviewed the Report and has made reasonable inquiry regarding its content and believes that the information in the Report is accurate and truthful; and

3. Walgreens has complied with its obligations under the Settlement Agreement: (a) not to resubmit to any Federal health care program payors any previously denied claims related to the Covered Conduct addressed in the Settlement Agreement, and not to appeal any such denials of claims; (b) not to charge to or otherwise seek payment from federal or state payors for unallowable costs (as defined in the Settlement Agreement); and (c) if applicable, to identify and adjust any past charges or claims for unallowable costs.

D. Designation of Information. Walgreens shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Walgreens shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

VI. NOTIFICATIONS AND SUBMISSION OF REPORTS

Unless otherwise stated in writing after the Effective Date, all notifications and reports required under this CIA shall be submitted to the following entities:

OIG:

Administrative and Civil Remedies Branch
Office of Counsel to the Inspector General
Office of Inspector General
U.S. Department of Health and Human Services
Cohen Building, Room 5527
330 Independence Avenue, S.W.
Washington, DC 20201
Telephone: 202-619-2078
Facsimile: 202-205-0604

Walgreens:

Chet Young, Compliance Officer
C/o Corporate and Regulatory Law Department
Walgreen Co.
104 Wilmot Road
Deerfield, IL 60015
Telephone: 847-315-4330
Facsimile: 847-315-4660

Unless otherwise specified, all notifications and reports required by this CIA may be made by certified mail, overnight mail, hand delivery, or other means, provided that there is proof that such notification was received. For purposes of this requirement, internal facsimile confirmation sheets do not constitute proof of receipt. The OIG will attempt in good faith to provide copies of notifications and reports to counsel for Walgreens, Frederick Robinson, Fulbright & Jaworski, L.L.P., 801 Pennsylvania Avenue, N.W., Washington, D.C. 20004 (Phone: 202-662-4534, Facsimile: 202-662-4643).

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine or request copies of

Walgreens's books, records, and other documents and supporting materials and/or conduct on-site reviews of any of Walgreens's locations relevant to the verification and evaluation of: (a) Walgreens's compliance with the terms of this CIA; and (b) Walgreens's compliance with the requirements of the Federal health care programs in which it participates. The documentation described above shall be made available by Walgreens to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of Walgreens's employees, contractors, or agents who consent to be interviewed at the individual's place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. Walgreens shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG's request. Walgreens's employees may elect to be interviewed with or without a representative of Walgreens present.

VIII. DOCUMENT AND RECORD RETENTION

Walgreens shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs, or to compliance with this CIA, for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Walgreens prior to any release by OIG of information submitted by Walgreens pursuant to its obligations under this CIA and identified upon submission by Walgreens as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Walgreens shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

Walgreens is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, Walgreens and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary

penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Walgreens fails to establish and implement any of the following obligations as described in Section III:

- a. a Compliance Officer;
- b. a Compliance Committee;
- c. a written Code of Conduct;
- d. written Policies and Procedures;
- e. the training of Covered Persons;
- f. a Disclosure Program;
- g. Ineligible Persons screening and removal requirements; and
- h. Notification of Government investigations or legal proceedings.

2. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Walgreens fails to engage an IRO, as required in Section III.D and Appendix A.

3. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Walgreens fails to submit the Implementation Report or the Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Walgreens fails to submit the annual Government Reimbursement Review Report in accordance with the requirements of Section III.D and Appendix B.

5. A Stipulated Penalty of \$1,500 for each day Walgreens fails to grant access to the information or documentation as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Walgreens fails to grant access.)

6. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of Walgreens as part of its Implementation Report, Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of \$1,000 for each day Walgreens fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to Walgreens, stating the specific grounds for its determination that Walgreens has failed to comply fully and adequately with the CIA obligation(s) at issue and steps Walgreens shall take to comply with this CIA. (This Stipulated Penalty shall begin to accrue ten (10) days after Walgreens receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions. Walgreens may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Walgreens fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Walgreens receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that Walgreens has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Walgreens of: (a) Walgreens's failure to

comply; and (b) OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").

2. *Response to Demand Letter.* Within ten days after the receipt of the Demand Letter, Walgreens shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Walgreens elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Walgreens cures, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by wire transfer or certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to OIG at the address set forth in Section VI.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that Walgreens has materially breached this CIA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA.

1. *Definition of Material Breach.* A material breach of this CIA means:

- a. a failure by Walgreens to report a Reportable Event, take corrective action, and make the appropriate refunds, as required in Section III.H;
- b. a repeated or flagrant violation of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

d. a failure to engage and use an IRO in accordance with Section III.D.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this CIA by Walgreens constitutes an independent basis for Walgreens's exclusion from participation in the Federal health care programs. Upon a determination by OIG that Walgreens has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify Walgreens of: (a) Walgreens's material breach and OIG's specific grounds for its determination that Walgreens has materially breached this CIA; and (b) OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. *Opportunity to Cure.* Walgreens shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

- a. Walgreens is in compliance with the obligations of the CIA cited by OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) Walgreens has begun to take action to cure the material breach; (ii) Walgreens is pursuing such action with due diligence; and (iii) Walgreens has provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30-day period, Walgreens fails to satisfy the requirements of Section X.D.3, OIG may exclude Walgreens from participation in the Federal health care programs. OIG shall notify Walgreens in writing of its determination to exclude Walgreens (this letter shall be referred to hereinafter as the "Exclusion Letter"). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Walgreens's receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and nonprocurement programs. Reinstatement to program

participation is not automatic. After the end of the period of exclusion, Walgreens may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. *Review Rights.* Upon OIG's delivery to Walgreens of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Walgreens shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Walgreens was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. Walgreens shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Walgreens to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Walgreens requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be:

- a. whether Walgreens was in material breach of this CIA;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30-day period, but that: (i) Walgreens had begun to take action to cure the material breach within that period; (ii) Walgreens has pursued and is pursuing such action with due diligence; and (iii) Walgreens provided to OIG within that period a reasonable timetable for curing the material breach and Walgreens has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Walgreens, only after a DAB decision in favor of OIG. Walgreens's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude Walgreens upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Walgreens may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Walgreens shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Walgreens, Walgreens shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this CIA.

XI. EFFECTIVE AND BINDING AGREEMENT

Consistent with the provisions in the Settlement Agreements pursuant to which this CIA is entered, Walgreens and OIG agree as follows:

A. This CIA shall be binding on and shall inure to the benefit of the successors, assigns, and transferees of Walgreens.

B. This CIA shall become final and binding on the date the final signature is obtained on this CIA.

C. Any modifications to this CIA shall be made with the prior written consent of the parties to this CIA.

D. OIG may agree to a suspension of Walgreens's obligations under this CIA in the event of Walgreens's cessation of participation in Federal health care programs. If Walgreens withdraws from participation in Federal health care programs and is relieved of its CIA obligations by OIG, Walgreens shall notify OIG at least 30 days in advance of Walgreens's intent to reapply as a participating provider or supplier with any Federal health care program. Upon receipt of such notification, OIG shall evaluate whether this CIA should be reactivated or modified.

E. The undersigned Walgreens signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatory represents that he is signing this CIA in his official capacity and that he is authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which shall constitute an original and all of which taken together shall constitute one and the same Agreement. Facsimile of signatures shall constitute acceptable binding signatures for purposes of this CIA.

APPENDIX A INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement.

Walgreens shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify Walgreens if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Walgreens may continue to engage the IRO.

If Walgreens engages a new IRO during the term of the CIA, this IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, Walgreens shall submit the information identified in Section V.A.8 to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify Walgreens if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Walgreens may continue to engage the IRO.

B. IRO Qualifications.

The IRO shall:

1. assign individuals to conduct the Government Reimbursement Review who have expertise in (a) the billing, reporting, and other requirements of pharmaceutical reimbursement; (b) the general requirements of the Federal health care program(s) from which Walgreens seeks reimbursement; and (c) the laws applicable to therapeutic interchanges, including but not limited to applicable Medicare and Medicaid rules and regulations and state and local pharmacy laws;

2. assign individuals to design and select the Government Reimbursement Review sample who are knowledgeable about the appropriate statistical sampling techniques; and

3. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities.

The IRO shall:

1. perform each Government Reimbursement Review in accordance with the specific requirements of the CIA;
2. follow all applicable Medicare and Medicaid rules and guidelines in the Government Reimbursement Review;
3. if in doubt of the application of a particular Medicare or Medicaid policy or regulation, request clarification from the appropriate authority;
4. respond to all OIG inquires in a prompt, objective, and factual manner; and
5. prepare timely, clear, well-written reports that include all the information required by Appendix B.

D. IRO Independence/Objectivity.

The IRO must perform the Government Reimbursement Review in a professionally independent and objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or engagements that may exist between the IRO and Walgreens.

E. IRO Removal/Termination.

1. *Provider.* If Walgreens terminates its IRO during the course of the engagement, Walgreens must submit a notice explaining its reasons to OIG no later than 30 days after termination. Walgreens must engage a new IRO in accordance with Paragraph A of this Appendix.

2. *OIG Removal of IRO.* In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require Walgreens to engage a new IRO in accordance with Paragraph A of this Appendix.

Prior to requiring Walgreens to engage a new IRO, OIG shall notify Walgreens of its intent to do so and provide a written explanation of why OIG believes such a step is necessary. To resolve any concerns raised by OIG, Walgreens may request a meeting with OIG to discuss any aspect of the IRO's qualifications, independence or performance of its responsibilities and to present additional information regarding these matters.

Walgreens shall provide any additional information as may be requested by OIG under this Paragraph in an expedited manner. OIG will attempt in good faith to resolve any differences regarding the IRO with Walgreens prior to requiring Walgreens to terminate the IRO. However, the final determination as to whether or not to require Walgreens to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B
GOVERNMENT REIMBURSEMENT REVIEW REPORT

Government Reimbursement Review Report. The following information shall be included in the Government Reimbursement Review Report.

1. *Government Reimbursement Review Methodology.*

- a. Government Reimbursement Review Objective. A clear statement of the objective intended to be achieved by the Government Reimbursement Review.
- b. Source of Data. A description of the specific documentation relied upon by the IRO when performing the Government Reimbursement Review.
- c. Review Protocol. A narrative description of how the Government Reimbursement Review was conducted and what was evaluated.

2. *Government Reimbursement Review Findings.*

a. Narrative Results.

- i. A narrative explanation of the IRO's findings and supporting rationale (including patterns noted, etc.) regarding the Government Reimbursement Review.
- ii. If applicable, a narrative description of the results of the IRO's root cause analysis of any discrepancies, including any reimbursement for strengths or forms of the Selected Drugs not listed on the MAC list for the Selected State or the FUL list.
- iii. If applicable, a narrative description of the IRO's conclusion as to whether any discrepancies resulted from a likely violation of state or Federal laws or regulations.

b. Quantitative Results.

- i. Total dollar amount of all payments to Walgreens for each Selected Drug by the Selected State.
- ii. Total dollar value of any discrepancy with respect to each Selected Drug, and the percentage of total payments for each Selected Drug the Discrepancy represents.

4. *Systems Review.* Observations, findings, and recommendations on possible improvements to the system(s) and process(es) that generated any discrepancies.

5. *Credentials.* The names and credentials of the individuals who: (1) designed the review methodology utilized for the Government Reimbursement Review; and (2) performed the Government Reimbursement Review.
