This Agreement applies to any entity that Rose or Northern Edge own or in which Rose or Northern Edge have a control interest, as defined in 42 U.S.C. § 1320a-3(a)(3), and Rose's and Northern Edge's and any such entity's Covered Persons as defined in Section II.C. Contemporaneously with this Agreement, Rose and Northern Edge are entering into a Settlement Agreement with the United States.

II. TERM OF THE AGREEMENT

A. The date on which the final signatory of this Agreement executes this Agreement shall be known as the Effective Date. The period of compliance obligations assumed by Rose and Northern Edge under this Agreement shall be five years from the Effective Date of this Agreement. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a "Reporting Period."

B. Sections VII, VIII, IX, X, and XI shall expire no later than 120 days from OIG's receipt of: (1) Rose's and Northern Edge's final Annual Report; or (2) any additional materials submitted by Rose and Northern Edge pursuant to OIG's request, whichever is later.

III. INTEGRITY OBLIGATIONS

Rose and Northern Edge shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Contact

Within 30 days after the Effective Date, Rose and Northern Edge shall designate a person to be responsible for compliance activities (Compliance Contact). Rose and Northern Edge shall maintain a Compliance Contact for the term of this Agreement. The Compliance Contact shall be responsible for: (1) developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this Agreement and with Federal health care program requirements; (2) monitoring Rose's and Northern Edge's day-to-day compliance activities; and (3) meeting all reporting obligations created under this Agreement.

Rose and Northern Edge shall report to OIG, in writing, any changes in the identity or job responsibilities of the Compliance Contact, or any actions or changes that would affect the Compliance Contact's ability to perform the duties necessary to meet the obligations in this Agreement, within 15 days after such change. The name, address, phone number, and a description of any other job responsibilities performed by the Compliance Contact shall be included in the Implementation Report.

B. Posting of Notice

Within the 90 days after the Effective Date, Rose and Northern Edge shall post in a prominent place accessible to all patients and Covered Persons a notice detailing Rose's and Northern Edge's commitment to comply with all Federal health care program requirements in the conduct of Rose's and Northern Edge's business.

This notice shall include the following information: (i) a means (e.g., telephone number or address) by which billing concerns and other issues may be reported anonymously; (ii) Rose's and Northern Edge's commitment to maintain the confidentiality of the report; and (iii) notification that reporting concerns and issues will not result in retribution or retaliation by Rose and Northern Edge.

This notice shall also include the HHS OIG Fraud Hotline telephone number (1-800-HHS-TIPS) as a confidential means by which suspected fraud or abuse in the Federal health care programs may be reported.

A copy of this notice shall be included in the Implementation Report.

C. Written Policies and Procedures

Within 90 days after the Effective Date, Rose and Northern Edge shall develop, implement, and distribute written Policies and Procedures to all Covered Persons. In addition, Rose and Northern Edge shall make the promotion of, and adherence to, the written Policies and Procedures an element in evaluating the performance of all employees. The written Policies and Procedures shall, at a minimum, set forth:

2. the expectation that all of Rose's and Northern Edge's Covered Persons shall be expected to comply with all Federal health care program requirements and with Rose's and Northern Edge's own written Policies

and Procedures as implemented pursuant to this Section III.C (including the requirements of this Agreement);

3. the responsibility and requirement that all Covered Persons report suspected violations of any Federal health care program requirements or of Rose's and Northern Edge's own Policies and Procedures to the Compliance Contact and Rose's and Northern Edge's commitment to maintain confidentiality and anonymity, as appropriate, and not to retaliate with respect to such disclosures;
4. the possible consequences to Rose and Northern Edge and Covered Persons of failure to comply with Federal health care program requirements or with Rose's and Northern Edge's written Policies and Procedures and the failure to report such noncompliance;
5. Rose's and Northern Edge's commitment to remain current with all Federal health care program requirements by obtaining and reviewing program memoranda, newsletters, and any other correspondence from the carrier related to Federal health care program requirements;
6. the proper procedures for the accurate preparation and submission of claims in accordance with Federal health care program requirements;
7. the proper documentation of services and billing information; and
8. the proper coding of procedures performed by Rose and Northern Edge.

Within 90 days after the Effective Date, each Covered Person shall certify in writing that he or she has received, read, understood, and shall abide by Rose's and Northern Edge's written Policies and Procedures. New Covered Persons shall receive and review the written Policies and Procedures and shall complete the required certification within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later.

At least annually (and more frequently if appropriate), Rose and Northern Edge shall assess and update, as necessary, the Policies and Procedures. Within 30 days after the effective date of any revisions, the relevant portions of any such revised Policies and Procedures shall be distributed to all Covered Persons.

Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

Copies of the written Policies and Procedures shall be included in the Implementation Report. Copies of any written Policies and Procedures that are subsequently revised shall be included in the next Annual Report along with a summary of any change or amendment to each Policy and Procedure required by this Section and the reason for each change.

D. Training and Certification

Within 90 days after the Effective Date and during each subsequent Reporting Period, Rose and Covered Persons shall receive at least three hours of training from an individual or entity, other than Rose, Northern Edge, or another Covered Person. Persons providing the training shall be knowledgeable about the subject area of billing and coding procedures used in physical medicine and rehabilitation and may be received from a variety of sources (e.g., CME classes, hospitals, associations, carriers).

New Covered Persons shall receive the training described above within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later. The training for new Covered Persons may either be provided internally by a Covered Person who has completed the required annual training or externally by a qualified individual or entity. A new Covered Person shall work under the direct supervision of a Covered Person who has received such training, to the extent that the work relates to the delivery of patient care items or services and/or the preparation or submission of claims for reimbursement from any Federal health care program, until such time as the new Covered Person completes the training.

At a minimum, the initial, annual, and new employee training sessions shall include the following topics:

1. the requirements of Rose's and Northern Edge's Agreement;
2. an overview of Rose's and Northern Edge's compliance program;
3. the accurate coding and submission of claims for services rendered and/or items provided to Federal health care program beneficiaries;

4. applicable reimbursement statutes, regulations, and program requirements and directives;
5. the written Policies and Procedures developed pursuant to Section III.C, above;
6. the policies, procedures, and other requirements applicable to the documentation of medical records;
7. the personal obligation of each individual involved in the coding and claims submission process to ensure that such claims are accurate;
8. the legal sanctions for the submission of improper claims or violations of the Federal health care program requirements; and
9. examples of proper and improper coding and claim submission practices.

Each Covered Person shall annually certify, in writing or in electronic format if the training is computerized, that he or she has received the required training. The certification shall specify the date the training was received. The Compliance Contact shall retain the certifications, along with all training materials. Rose and Northern Edge shall annually review the training, and, where appropriate, update the training to reflect changes in Federal health care program requirements, any issues discovered during the IRO Claims Review, and any other relevant information.

Rose and Northern Edge may provide the training required under this Agreement through appropriate computer-based training approaches. If Rose and Northern Edge choose to provide computer-based training, Rose and Northern Edge shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

The training materials shall be provided in the Implementation Report, and to the extent the training is revised, shall also be included in the Annual Reports. The certifications shall be made available to OIG, upon request.

E. Review Procedures

1. General Description.

a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, Rose and Northern Edge shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform reviews to assist Rose and Northern Edge in assessing and evaluating Rose’s and Northern Edge’s billing and coding practices and certain other obligations pursuant to this Agreement and the Settlement Agreement.

Each IRO engaged by Rose and Northern Edge shall have expertise in the billing, coding, reporting, and other requirements of physical medicine and rehabilitation and in the general requirements of the Federal health care program(s) from which Rose and Northern Edge seek reimbursement. Each IRO shall assess, along with Rose and Northern Edge, whether it can perform the IRO review(s) in a professionally independent and objective fashion, as appropriate to the nature of the engagement; taking into account any other business relationships or other engagements that may exist.

The IRO(s) review shall evaluate and analyze Rose’s and Northern Edge’s coding, billing, and claims submission to the Federal health care programs and the reimbursement received (“Claims Review”). If Rose and Northern Edge or an entity in which Rose or Northern Edge have an ownership or control interest (as defined in 42 U.S.C. §1320a-3(a)(3)) submits cost reports, Rose and Northern Edge shall engage an IRO to analyze whether Rose and Northern Edge sought payment for certain unallowable costs (“Unallowable Cost Review”). The applicable requirements relating to the IRO are outlined in Appendix A to this Agreement, which is incorporated by reference.

b. *Frequency of Claims Review.* The Claims Review shall be performed annually and shall cover each of the Reporting Periods. The IRO(s) shall perform all components of each annual Claims Review.

c. *Frequency of Unallowable Cost Review.* If applicable, the IRO shall perform the Unallowable Cost Review for the first Reporting Period. If

not applicable, Rose and Northern Edge shall sign a certification, as required by Section III.E.4 below, stating that Rose and Northern Edge do not currently and have not submitted a cost report since this Agreement was executed.

d. *Retention of Records.* The IRO and Rose and Northern Edge shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Rose and Northern Edge related to the reviews).

2. Claims Review. The Claims Review shall include a Discovery Sample and, if necessary, a Full Sample. The applicable definitions, procedures, and reporting requirements are outlined in Appendix B to this Agreement, which is incorporated by reference.

a. *Discovery Sample.* The IRO shall randomly select and review a sample of 50 Medicare and Medicaid Paid Claims submitted by or on behalf of Rose and Northern Edge (Discovery Sample).

The Paid Claims shall be reviewed based on the supporting documentation available at Rose's and Northern Edge's office or under Rose's and Northern Edge's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed.

i. If the Error Rate (as defined in Appendix B) for the Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, Rose and Northern Edge should, as appropriate, further analyze any errors identified in the Discovery Sample. Rose and Northern Edge recognize that OIG or other HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority, may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

ii. If the Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall perform a Full Sample and a Systems Review, as described below.

b. *Full Sample.* If necessary, as determined by procedures set forth in Section III.E.2.a, the IRO shall perform an additional sample of Paid Claims using commonly accepted sampling methods and in accordance with Appendix B. The Full Sample shall be designed to: (i) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate; and (ii) conform with the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Paid Claims shall be reviewed based on supporting documentation available at Rose's and Northern Edge's office or under Rose's and Northern Edge's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, Rose and Northern Edge may use the Items sampled as part of the Discovery Sample, and the corresponding findings for those 50 Items, as part of Rose's and Northern Edge's Full Sample, if: (i) statistically appropriate and (ii) Rose and Northern Edge select the Full Sample Items using the seed number generated by the Discovery Sample. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from Rose and Northern Edge to the appropriate Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

c. *Systems Review.* If Rose's and Northern Edge's Discovery Sample identifies an Error Rate of 5% or greater, Rose's and Northern Edge's IRO shall also conduct a Systems Review. Specifically, for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall perform a "walk through" of the system(s) and process(es) that generated the claim to identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

d. *Repayment of Identified Overpayments.* In accordance with Section III.H.1, Rose and Northern Edge shall repay within 30 days any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. Rose and Northern Edge shall make available to OIG any and all documentation and the associated documentation that reflects the refund of the Overpayment(s) to the payor.

3. Claims Review Report. The IRO shall prepare a report based upon the Claims Review performed (Claims Review Report). Information to be included in the Claims Review Report is described in Attachment 1 to Appendix B.

4. Unallowable Cost Review.

- a. Unless Section III.E.4.b, below, applies, the IRO shall conduct a review of Rose's and Northern Edge's compliance with the unallowable cost provisions of the Settlement Agreement. The IRO shall determine whether Rose and Northern Edge has complied with Rose's and Northern Edge's obligations not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs (as defined in the Settlement Agreement) and Rose's and Northern Edge's obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from the United States, or any state Medicaid program. This unallowable cost analysis shall include, but not be limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by Rose and Northern Edge or any affiliates. To the extent that such cost reports, cost statements, information reports, or payment requests, even if already settled, have been adjusted to account for the effect of the inclusion of the unallowable costs, the IRO shall determine if such adjustments were proper. In making this determination, the IRO may need to review cost reports and/or financial statements from the year in which the Settlement Agreement was executed, as well as from previous years.
- b. If Rose and Northern Edge execute and submit to the OIG in the first Annual Report a certification that neither Rose and Northern Edge nor any entity in which Rose or Northern Edge have any ownership or control interest has ever submitted any cost report or other submission to a

Federal health care program seeking reimbursement based on costs, then no Unallowable Cost Review will be required under this Agreement.

5. Unallowable Cost Review Report. If applicable, the IRO shall prepare a report based upon the Unallowable Cost Review performed. The Unallowable Cost Review Report shall include the IRO's findings and supporting rationale regarding the Unallowable Costs Review and whether Rose and Northern Edge have complied with Rose's and Northern Edge's obligation not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs (as defined in the Settlement Agreement) and Rose's and Northern Edge's obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from such payor.

6. Validation Review. In the event OIG has reason to believe that:
(a) Rose's and Northern Edge's Claims Review (or, if applicable, Unallowable Cost Review) fails to conform to the requirements of this Agreement; or (b) the IRO's findings or Claims Review results (or Unallowable Cost Review results) are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review (or Unallowable Cost Review) complied with the requirements of the Agreement and/or the findings or Claims Review results (or other results) are inaccurate ("Validation Review"). Rose and Northern Edge shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents so long as it is initiated within one year after Rose's and Northern Edge's final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify Rose and Northern Edge of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, Rose and Northern Edge may request a meeting with OIG to: (a) discuss the results of any Claims Review (or Unallowable Cost Review) submissions or findings; (b) present any additional or relevant information to clarify the results of the Claims Review (or Unallowable Cost Review) to correct the inaccuracy of the Claims Review (or Unallowable Cost Review); and/or (c) propose alternatives to the proposed Validation Review. Rose and Northern Edge agree to provide any additional information requested by OIG under this Section in an expedited manner. OIG will attempt in good faith to resolve any Claims Review (or Unallowable Cost Review) issues with Rose and Northern Edge prior to conducting a Validation Review. However, the final determination as to whether

or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

7. Independence/Objectivity Certification. The IRO shall include in its report(s) to Rose and Northern Edge a certification or sworn affidavit that it has evaluated its professional independence and objectivity, as appropriate to the nature of the engagement, with regard to the Claims Review (or Unallowable Cost Review) and that it has concluded that it is, in fact, independent and objective.

F. Ineligible Persons

1. Definitions. For purposes of this Agreement:

- a. An “Ineligible Person” shall include an individual or entity who: (i) is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or (ii) has been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.
- b. “Exclusion Lists” include: (i) the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://oig.hhs.gov>); and (ii) the General Services Administration’s List of Parties Excluded from Federal Programs (available through the Internet at <http://epls.arnet.gov>).
- c. “Screened Persons” include prospective and current owners, officers, directors, associates, employees, contractors, and agents of Rose and Northern Edge.

2. Screening Requirements. Rose and Northern Edge shall ensure that all Screened Persons are not Ineligible Persons, by implementing the following screening requirements.

- a. Rose and Northern Edge shall screen all Screened Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require Screened Persons to disclose whether they are Ineligible Persons.

b. Rose and Northern Edge shall screen all Screened Persons against the Exclusion Lists within 90 days after the Effective Date and on an annual basis thereafter.

c. Rose and Northern Edge shall implement a policy requiring all Screened Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Rose and Northern Edge shall maintain documentation demonstrating that: (1) Rose and Northern Edge have checked the Exclusion Lists (e.g., print screens from search results) and determined that such individuals or entities are not Ineligible Persons; and (2) Rose and Northern Edge have required individuals and entities to disclose if they are an Ineligible Person (e.g., employment applications).

Nothing in this Section affects the responsibility or liability of Rose and Northern Edge to refrain from billing Federal health care programs for services of the Ineligible Person.

3. Removal Requirement. If Rose and Northern Edge have notice that a Screened Person has become an Ineligible Person, Rose and Northern Edge shall remove such Screened Person from responsibility for, or involvement with, Rose's and Northern Edge's business operations related to the Federal health care programs and shall remove such Screened Person from any position for which the Screened Person's compensation or the items or services rendered, ordered, or prescribed by the Screened Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Screened Person is reinstated into participation in the Federal health care programs.

4. Pending Charges and Proposed Exclusions. If Rose and Northern Edge have notice that a Screened Person is charged with a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), or a Screened Person is proposed for exclusion during his, her, or its employment, involvement or contract term, Rose and Northern Edge shall take all appropriate actions to ensure that the responsibilities of that Screened Person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or the accuracy of any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings

Within 30 days after discovery, Rose and Northern Edge shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Rose and Northern Edge conducted or brought by a governmental entity or its agents involving an allegation that Rose and Northern Edge have committed a crime or have engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Rose and Northern Edge shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the proceedings, if any.

H. Reporting

1. Overpayments

a. *Definition of Overpayments.* For purposes of this Agreement, an “Overpayment” shall mean the amount of money Rose and Northern Edge have received in excess of the amount due and payable under any Federal health care program requirements.

b. *Reporting of Overpayments.* If, at any time, Rose and Northern Edge identify or learn of any Overpayment, Rose and Northern Edge shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days after identification of the Overpayment, Rose and Northern Edge shall repay the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified within 30 days after identification, Rose and Northern Edge shall notify the payor at that time of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies, and for Medicare contractors shall include the information contained on the Overpayment Refund Form, provided as Appendix C to

this Agreement. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

2. Reportable Events.

a. *Definition of Reportable Event.* For purposes of this Agreement, a “Reportable Event” means anything that involves:

- i. a substantial Overpayment; or
- ii. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized.

A Reportable Event may be the result of an isolated event or a series of occurrences.

b. *Reporting of Reportable Event.* If Rose and Northern Edge determine (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Rose and Northern Edge shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists. The report to OIG shall include the following information:

- i. If the Reportable Event results in an Overpayment, the report to OIG shall be made at the same time as the notification to the payor required in Section III.H.1, and shall include all of the information on the Overpayment Refund Form, as well as:

(A) the payor’s name, address, and contact person to whom the Overpayment was sent; and

(B) the date of the check and identification number (or electronic transaction number) by which the Overpayment was repaid/refunded;

- ii. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;
- iii. a description of Rose's and Northern Edge's actions taken to correct the Reportable Event; and
- iv. any further steps Rose and Northern Edge plan to take to address the Reportable Event and prevent it from recurring.

I. Third Party Billing

Current Contract with Third Party Biller. If Rose and Northern Edge presently contract with a third party billing company to submit claims to the Federal health care programs, Rose and Northern Edge represent that Rose and Northern Edge do not have an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in the third party billing company and are not employed by, and do not act as a consultant to, the third party billing company. If Rose and Northern Edge intend to obtain an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in, or become employed by, or become a consultant to, any third party billing company during the term of this Agreement, Rose and Northern Edge shall notify OIG 30 days prior to any such proposed involvement.

Within 90 days after the Effective Date, Rose and Northern Edge shall obtain (and provide to OIG in the Implementation Report) a certification from the third party billing company that the company: (i) is presently in compliance with all Federal health care program requirements as they relate to the submission of claims to Federal health care programs; (ii) has a policy of not employing any person who is excluded, debarred, suspended, or otherwise ineligible to participate in Medicare or other Federal health care programs to perform any duties related directly or indirectly to the preparation or submission of claims to Federal health care programs; and (iii) provides the required training in accordance with Section III.D of the Agreement for those employees involved in the preparation and submission of claims to Federal health care programs.

If Rose and Northern Edge contract with a new third party billing company during the term of this Agreement, Rose and Northern Edge shall, within 30 days of entering into such contract, obtain and send to OIG the certification described in this Section III.I.

IV. NEW BUSINESS UNITS OR LOCATIONS

In the event that, after the Effective Date, Rose and Northern Edge change locations or sell, close, purchase, or establish a new business unit or location related to the furnishing of items or services that may be reimbursed by Federal health care programs, Rose and Northern Edge shall notify OIG of this fact as soon as possible, but no later than 30 days after the date of change of location, sale, closure, purchase, or establishment. This notification shall include the address of the new business unit or location, phone number, fax number, Medicare Provider number, provider identification number, and/or supplier number, and the corresponding contractor's name and address that issued each number. Each new business unit or location and all Covered Persons at each new business unit or location shall be subject to the applicable requirements in this Agreement.

Prior to Rose becoming an employee or Rose and Northern Edge becoming contractors with another party related to the furnishing of items or services that may be reimbursed by Federal health care programs, Rose and Northern Edge shall notify that party of this Agreement. This notification shall include a copy of the Agreement, a statement indicating the remaining term of the Agreement, and a summary of Rose's and Northern Edge's obligations under the Agreement. In addition, Rose and Northern Edge shall notify OIG of such relationship in Rose's and Northern Edge's next Annual Report.

V. REPORTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine or request copies of Rose's and Northern Edge's books, records, and other documents and supporting materials and/or conduct on-site reviews of any of Rose's and Northern Edge's locations for the purpose of verifying and evaluating: (a) Rose's and Northern Edge's compliance with the terms of this Agreement; and (b) Rose's and Northern Edge's compliance with the requirements of the Federal health care programs in which Rose and Northern Edge participate. The documentation described above shall be made available by Rose and Northern Edge to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, or reproduction. Part 5, OIG shall make a reasonable effort to notify Rose and Northern Edge prior to any release by OIG of information submitted by Rose and Northern Edge pursuant to Rose's and Northern Edge's obligations under this Agreement and identified upon submission by Rose and Northern Edge as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Rose and Northern Edge shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

Rose and Northern Edge are expected to fully and timely comply with all of Rose's and Northern Edge's Agreement obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, Rose and Northern Edge and OIG hereby agree that failure to comply with certain obligations set forth in this Agreement (unless a timely written request for an extension has been requested and approved in accordance with Section B below) may lead to the imposition of the following monetary penalties (hereinafter referred to as "Stipulated Penalties") in accordance with the following provisions.

1. A Stipulated Penalty of \$750 (which shall begin to accrue on the day after the date the obligation became due) for each day Rose and Northern Edge fail to:
 - a. have a Compliance Contact in accordance with the requirements of Section III.A;
 - b. establish and/or post a notice in accordance with the requirements of Section III.B;
 - c. establish, implement, maintain, distribute, and/or update the written Policies and Procedures in accordance with the requirements of Section III.C;
 - d. establish and implement a training program in accordance with the requirements of Section III.D;

- e. obtain a certification from the third party biller, send the third party biller certification to OIG in accordance with the requirements of Section III.I, or notify OIG within 30 days prior to Rose and Northern Edge obtaining an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in, or becoming employed by, or becoming a consultant to, any third party billing company;
 - f. engage an IRO in accordance with the requirements of Section III.E.1.a and Appendix A;
 - g. submit the IRO's annual Claims Review Report and any other required Review in accordance with the requirements of Section III.E and Appendix B;
 - h. obtain and/or maintain the following documentation: Policies and Procedures certifications in accordance with the requirements of Section III.C; training certification(s) in accordance with the requirements of Section III.D; and/or documentation of screening and disclosure requirements in accordance with the requirements of Section III.F.2;
 - i. screen Screened Persons in accordance with the requirements of Section III.F; or require Screened Persons to disclose if they are debarred, excluded, suspended or are otherwise considered an Ineligible Person in accordance with the requirements of Section III.F; or
 - j. notify OIG of a Government investigation or legal proceeding, in accordance with the requirements of Section III.G.
2. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the day after the date the obligation became due) for each day Rose and Northern Edge fail to submit the Implementation Report or the Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.
3. A Stipulated Penalty of \$750 for each day Rose and Northern Edge fail to grant access to the information or documentation as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Rose and Northern Edge fail to grant access.)

4. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of Rose and Northern Edge as part of Rose's and Northern Edge's Implementation Report, Annual Reports, additional documentation to a Report (as requested by OIG), or as otherwise required by this Agreement.

5. A Stipulated Penalty of \$750 for each day Rose and Northern Edge fail to comply fully and adequately with any obligation of this Agreement. OIG shall provide notice (Notice) to Rose and Northern Edge stating the specific grounds for its determination that Rose and Northern Edge have failed to comply fully and adequately with the Agreement obligation(s) at issue and steps the Rose and Northern Edge shall take to comply with the Agreement. (This Stipulated Penalty shall begin to accrue 10 days after the date Rose and Northern Edge receive this Notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-4 of this Section.

B. Timely Written Requests for Extensions

Rose and Northern Edge may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or Report required by this Agreement. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or Report, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until one day after Rose and Northern Edge fail to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until three business days after Rose and Northern Edge receive OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. Demand Letter. Upon a finding that Rose and Northern Edge have failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Rose and Northern Edge of: (a) Rose's and Northern Edge's failure to comply; and (b)

OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").

2. Response to Demand Letter. Within 10 days of the receipt of the Demand Letter, Rose and Northern Edge shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) send in writing to OIG a request for a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Rose and Northern Edge elect to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Rose and Northern Edge cure, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this Agreement and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to OIG at the address set forth in Section VI.

4. Independence from Material Breach Determination. Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that Rose and Northern Edge have materially breached this Agreement, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this Agreement

1. Definition of Material Breach. A material breach of this Agreement means:
 - a. a failure by Rose and Northern Edge to report a Reportable Event, take corrective action and make the appropriate refunds, as required in Section III.H;
 - b. a repeated or flagrant violation of the obligations under this Agreement, including, but not limited to, the obligations addressed in Section X.A;

c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

d. a failure to engage and use an IRO in accordance with Section III.E.

2. Notice of Material Breach and Intent to Exclude. The parties agree that a material breach of this Agreement by Rose and Northern Edge constitutes an independent basis for Rose's and Northern Edge's exclusion from participation in the Federal health care programs. Upon a determination by OIG that Rose and Northern Edge have materially breached this Agreement and that exclusion is the appropriate remedy, OIG shall notify Rose and Northern Edge of: (a) Rose's and Northern Edge's material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. Opportunity to Cure. Rose and Northern Edge shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

a. Rose and Northern Edge are in compliance with the obligations of the Agreement cited by OIG as being the basis for the material breach;

b. the alleged material breach has been cured; or

c. the alleged material breach cannot be cured within the 30-day period, but that: (i) Rose and Northern Edge have begun to take action to cure the material breach; (ii) Rose and Northern Edge are pursuing such action with due diligence; and (iii) Rose and Northern Edge have provided to OIG a reasonable timetable for curing the material breach.

4. Exclusion Letter. If at the conclusion of the 30-day period, Rose and Northern Edge fail to satisfy the requirements of Section X.D.3, OIG may exclude Rose and Northern Edge from participation in the Federal health care programs. OIG shall notify Rose and Northern Edge in writing of its determination to exclude Rose and Northern Edge (this letter shall be referred to hereinafter as the "Exclusion Letter"). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Rose's and Northern Edge's receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal

procurement and nonprocurement programs. Reinstatement to program participation is not automatic. After the end of the period of exclusion, Rose and Northern Edge may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. Review Rights. Upon OIG's delivery to Rose and Northern Edge of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this Agreement, Rose and Northern Edge shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this Agreement. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after the receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this Agreement shall be: (a) whether Rose and Northern Edge were in full and timely compliance with the obligations of this Agreement for which OIG demands payment; and (b) the period of noncompliance. Rose and Northern Edge shall have the burden of proving Rose's and Northern Edge's full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this Agreement and orders Rose and Northern Edge to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Rose and Northern Edge request review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. Exclusion Review. Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this Agreement shall be:

- a. whether Rose and Northern Edge were in material breach of this Agreement;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30 day period, but that:
 - i. Rose and Northern Edge had begun to take action to cure the material breach within that period;
 - ii. Rose and Northern Edge have pursued and are pursuing such action with due diligence; and
 - iii. Rose and Northern Edge provided to OIG within that period a reasonable timetable for curing the material breach and Rose and Northern Edge have followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Rose and Northern Edge, only after a DAB decision in favor of OIG. Rose's and Northern Edge's election of Rose's and Northern Edge's contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude Rose and Northern Edge upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Rose and Northern Edge may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Rose and Northern Edge shall waive Rose's and Northern Edge's right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Rose and Northern Edge, Rose and Northern Edge shall be reinstated effective on the date of the original exclusion.

4. Finality of Decision. The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this Agreement agree that the DAB's decision (or

the ALJ's decision if not appealed) shall be considered final for all purposes under this Agreement.

XI. EFFECTIVE AND BINDING AGREEMENT

Consistent with the provisions in the Settlement Agreement pursuant to which this Agreement is entered, and into which this Agreement is incorporated, Rose and Northern Edge and OIG agree as follows:

- A. This Agreement shall be binding on the successors, assigns, and transferees of Rose and Northern Edge;
- B. This Agreement shall become final and binding on the date the final signature is obtained on the Agreement;
- C. Any modifications to this Agreement shall be made with the prior written consent of the parties to this Agreement;
- D. OIG may agree to a suspension of Rose's and Northern Edge's obligations under this Agreement in the event of Rose's and Northern Edge's cessation of participation in Federal health care programs. If Rose and Northern Edge withdraw from participation in Federal health care programs and are relieved of Rose's and Northern Edge's Agreement obligations by OIG, Rose and Northern Edge shall notify OIG 30 days in advance of Rose's and Northern Edge's intent to reapply as a participating provider or supplier with any Federal health care program. Upon receipt of such notification, OIG shall evaluate whether the Agreement shall be reactivated or modified;
- E. All requirements and remedies set forth in this Agreement are in addition to, and do not affect, (1) Rose's and Northern Edge's responsibility to follow all applicable Federal health care program requirements or (2) the Government's right to impose appropriate remedies for failure to follow applicable program requirements; and

F. The undersigned Rose and Northern Edge signatory represents and warrants that he is authorized to execute this Agreement. The undersigned OIG signatory represents that he is signing this Agreement in his official capacity and that he is authorized to execute this Agreement.

APPENDIX A INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement.

Rose and Northern Edge Institute of Rehabilitation, P.C. (Northern Edge) shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify Rose and Northern Edge if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Rose and Northern Edge may continue to engage the IRO.

If Rose and Northern Edge engage a new IRO during the term of the CIA, this IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, Rose and Northern Edge shall submit the information identified in Section V.A.8 to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify Rose and Northern Edge if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Rose and Northern Edge may continue to engage the IRO.

B. IRO Qualifications.

The IRO shall:

1. assign individuals to conduct the Claims Review and Unallowable Cost Review, if applicable, engagement who have expertise in the billing, coding, reporting, and other requirements of physical medicine and rehabilitation and in the general requirements of the Federal health care program(s) from which Rose and Northern Edge seek reimbursement;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification (e.g., CCA, CCS, CCS-P, CPC, RRA, etc.) and who have maintained this certification (e.g., completed applicable continuing education requirements); and

4. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities.

The IRO shall:

1. perform each Claim Review, and Unallowable Cost Review, if applicable, in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and Medicaid rules and reimbursement guidelines in making assessments in the Claims Review;

3. if in doubt of the application of a particular Medicare or Medicaid policy or regulation, request clarification from the appropriate authority (e.g., fiscal intermediary or carrier);

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B.

D. IRO Independence and Objectivity.

The IRO must perform the Claims Review in a professionally independent and objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or engagements that may exist between the IRO and Rose and Northern Edge.

E. IRO Removal/Termination.

1. *Provider.* If Rose and Northern Edge terminate Rose's and Northern Edge's IRO during the course of the engagement, Rose and Northern Edge must submit a notice explaining its reasons to OIG no later than 30 days after termination. Rose and Northern Edge must engage a new IRO in accordance with Paragraph A of this Appendix.

2. *OIG Removal of IRO.* In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require Rose and Northern Edge to engage a new IRO in accordance with Paragraph A of this Appendix.

Prior to requiring Rose and Northern Edge to engage a new IRO, OIG shall notify Rose and Northern Edge of its intent to do so and provide a written explanation of why OIG believes such a step is necessary. To resolve any concerns raised by OIG, Rose and Northern Edge may request a meeting with OIG to discuss any aspect of the IRO's qualifications, independence, or performance of its responsibilities and to present additional information regarding these matters. Rose and Northern Edge shall provide any additional information as may be requested by OIG under this Paragraph in an expedited manner. OIG will attempt in good faith to resolve any differences regarding the IRO with Rose and Northern Edge prior to requiring Rose and Northern Edge to terminate the IRO. However, the final determination as to whether or not to require Rose and Northern Edge to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B CLAIMS REVIEW

A. Claims Review.

1. *Definitions.* For the purposes of the Claims Review, the following definitions shall be used:

- a. Overpayment: The amount of money Rose and Northern Edge have received in excess of the amount due and payable under any Federal health care program requirements.
- b. Item: Any discrete unit that can be sampled (e.g., code, line item, beneficiary, patient encounter, etc.).
- c. Paid Claim: A code or line item submitted by Rose and Northern Edge and for which Rose and Northern Edge have received reimbursement from the Medicare or Medicaid program.
- d. Population: For the first Reporting Period, the Population shall be defined as all Items for which a code or line item has been submitted by or on behalf of Rose and Northern Edge and for which Rose and Northern Edge have received reimbursement from Medicare or Medicaid (i.e., Paid Claim) during the 12-month period covered by the first Claims Review.

For the remaining Reporting Periods, the Population shall be defined as all Items for which Rose and Northern Edge have received reimbursement from Medicare or Medicaid (i.e., Paid Claim) during the 12-month period covered by the Claims Review.

To be included in the Population, an Item must have resulted in at least one Paid Claim.

- e. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Items in the sample.

2. *Other Requirements.*

a. Paid Claims without Supporting Documentation. For the purpose of appraising Items included in the Claims Review, any Paid Claim for which Rose and Northern Edge cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by Rose and Northern Edge for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

b. Replacement Sampling. Considering the Population shall consist only of Paid Claims and that Items with missing documentation cannot be replaced, there is no need to utilize alternate or replacement sampling units.

c. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims associated with the Items selected in each first sample (or first sample for each strata, if applicable) shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

B. Claims Review Report. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. *Claims Review Methodology.*

a. Sampling Unit. A description of the Item as that term is utilized for the Claims Review.

b. Claims Review Population. A description of the Population subject to the Claims Review.

c. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.

d. Sampling Frame. A description of the sampling frame, which is the totality of Items from which the Discovery Sample and, if any, Full Sample has been selected and an explanation of the methodology used to identify

the sampling frame. In most circumstances, the sampling frame will be identical to the Population.

e. Source of Data. A description of the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

f. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.

2. *Statistical Sampling Documentation.*

a. The number of Items appraised in the Discovery Sample and, if applicable, in the Full Sample.

b. A copy of the printout of the random numbers generated by the "Random Numbers" function of the statistical sampling software used by the IRO.

c. A copy of the statistical software printout(s) estimating how many Items are to be included in the Full Sample, if applicable.

d. A description or identification of the statistical sampling software package used to select the sample and determine the Full Sample size, if applicable.

3. *Claims Review Findings.*

a. Narrative Results.

i. A description of Rose's and Northern Edge's billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

ii. A narrative explanation of the IRO's findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding

the Claims Review, including the results of the Discovery Sample, and the results of the Full Sample (if any).

b. Quantitative Results.

i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by Rose and Northern Edge (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.

ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to Rose and Northern Edge.

iii. Total dollar amount of all Overpayments in the sample.

iv. Total dollar amount of paid Items included in the sample and the net Overpayment associated with the sample.

v. Error Rate in the sample.

vi. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim appraised: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount. (See Attachment 1 to this Appendix.)

4. *Systems Review.* Observations, findings, and recommendations on possible improvements to the system(s) and process(es) that generated the Overpayment(s).

5. *Credentials.* The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review; and (2) performed the Claims Review.
