(f) Customs services not within prescribed hours. Where there is a regularly recurring need for Customs services outside the hours prescribed in paragraphs (a) through (e) of this section and the volume and duration of the required services are uniformly such as to require, of themselves or in immediately consecutive combination with other essential Customs activities of the port, the full time of one or more Customs employees, the necessary number of regular tours of duty to furnish such services on all days of the year except Sundays and national holidays may be established with the approval of the Commissioner of Customs.

(g) Customs services furnished private interests. Other than as specified in this section. Customs services shall be furnished private interests only in accordance with the provisions of §24.16 of this chapter.
