The description should be sufficient to relate it to the invoice description and to the description of the article in the international Harmonized System. Include the invoice number as shown on the commercial invoice or, if the invoice number is not known, include another unique reference number such as the shipping order number;

(7) Blocks 6 through 10 must be completed only when the block in question calls for information that is relevant to the preference group identified in block 4;

**§ 10.225 Filing of claim for preferential treatment.**

(a) *Declaration.* In connection with a claim for preferential treatment for a textile or apparel article described in §10.223, the importer must make a written declaration that the article qualifies for that treatment. The inclusion on the entry summary, or equivalent documentation, of the subheading within Chapter 98 of the HTSUS under which the article is classified will constitute the written declaration. Except in any of the circumstances described in §10.226(d)(1), the declaration required under this paragraph must be based on a Certificate of Origin that has been completed and properly executed in accordance with §10.224 and that covers the article being imported.

(b) *Corrected declaration.* If, after making the declaration required under paragraph (a) of this section, the importer has reason to believe that a Certificate of Origin on which a declaration was based contains information that is not correct, the importer must within 30 calendar days after the date of discovery of the error make a corrected declaration and pay any duties

that may be due. A corrected declaration will be effected by submission of a letter or other written statement to the Customs port where the declaration was originally filed.

**§ 10.226 Maintenance of records and submission of Certificate by importer.**

(a) *Maintenance of records.* Each importer claiming preferential treatment for an article under § 10.225 must maintain in the United States, in accordance with the provisions of part 163 of this chapter, all records relating to the importation of the article. Those records must include the original Certificate of Origin referred to in § 10.225(a) and any other relevant documents or other records as specified in § 163.1(a) of this chapter.

(b) *Submission of Certificate.* An importer who claims preferential treatment on a textile or apparel article under § 10.225(a) must provide, at the request of the port director, a copy of the Certificate of Origin pertaining to the article. A Certificate of Origin submitted to Customs under this paragraph:

(1) Must be in writing or must be transmitted electronically pursuant to any electronic data interchange system authorized by Customs for that purpose;

(2) Must be signed by the exporter or by the exporter's authorized agent having knowledge of the relevant facts;

(3) Must be completed either in the English language or in the language of the country from which the article is exported. If the Certificate is completed in a language other than English, the importer must provide to Customs upon request a written English translation of the Certificate; and

(4) May be applicable to:

(i) A single importation of an article into the United States, including a single shipment that results in the filing of one or more entries and a series of shipments that results in the filing of one entry; or

(ii) Multiple importations of identical articles into the United States

that occur within a specified blanket period, not to exceed 12 months, set out in the Certificate by the exporter. For purposes of this paragraph and § 10.224(c)(15), "identical articles" means articles that are the same in all material respects, including physical characteristics, quality, and reputation.

(c) *Correction and nonacceptance of Certificate.* If the port director determines that a Certificate of Origin is illegible or defective or has not been completed in accordance with paragraph (b) of this section, the importer will be given a period of not less than five working days to submit a corrected Certificate. A Certificate will not be accepted in connection with subsequent importations during a period referred to in paragraph (b)(4)(ii) of this section if the port director determined that a previously imported identical article covered by the Certificate did not qualify for preferential treatment.

(d) *Certificate not required—(1) General.* Except as otherwise provided in paragraph (d)(2) of this section, an importer is not required to have a Certificate of Origin in his possession for:

(i) An importation of an article for which the port director has in writing waived the requirement for a Certificate of Origin because the port director is otherwise satisfied that the article qualifies for preferential treatment;

(ii) A non-commercial importation of an article; or

(iii) A commercial importation of an article whose value does not exceed US \$2,500, provided that, unless waived by the port director, the producer, exporter, importer or authorized agent includes on, or attaches to, the invoice or other document accompanying the shipment the following signed statement:

I hereby certify that the article covered by this shipment qualifies for preferential treatment under the CBTPA.
