(b) *Responsible official or agent.* The certificate of eligibility required to be submitted under this section must be signed and dated by a responsible official of the importer or by the importer’s authorized agent having knowledge of the relevant facts.

(c) *Language.* The certificate of eligibility must be completed either in the English or Spanish language. If the certificate is completed in Spanish, the importer must also provide to the port director, upon request, a written English translation of the certificate;

(d) *Applicability of certificate of eligibility.* A certificate of eligibility may be applicable to:

(1) A single importation of a good into the United States, including a single shipment that results in the filing of one or more entries and a series of shipments that results in the filing of one entry; or

(2) Multiple importations of identical goods into the United States that occur within a specified blanket period, not exceeding 12 months, set out in the certification. For purposes of this paragraph, “identical goods” means goods that are the same in all respects relevant to the production that qualifies the goods for preferential tariff treatment under an applicable TPL.

§ 10.423 Certificate of eligibility not required.

(a) *General.* Except as otherwise provided in paragraph (b) of this section, an importer will not be required to submit a certificate of eligibility for:

(1) A non-commercial importation of a good; or

(2) A commercial importation of a good whose value does not exceed U.S. \$2,500, or the equivalent amount in Chilean currency.

(b) *Exception.* If the port director determines that an importation described in paragraph (a) of this section may reasonably be considered to have been carried out or planned for the purpose of evading compliance with the rules and procedures governing TPL claims for preference under the US-CFTA, the port director will notify the importer in writing that for that importation the importer must submit to CBP a valid certificate of eligibility. The importer must submit such a certificate within 30 calendar days from the date of the written notice. Failure to timely submit the certificate will result in denial of the claim for preferential tariff treatment.
