Skyland Road Open

The Skyland Road, Forest Road #569, on the Flathead National Forest, will be open as of Friday, August 31. The road has been closed due to fire activity on the Skyland Fire. The Skyland Road accesses the Granite and Morrison Trailheads which lead to the north end of the Bob Marshall Wilderness Complex.

Forest Service Trail #740, Mule Ridge, will remain closed due to fire suppression and rehabilitation activities.

The inside of the Skyland Fire perimeter remains closed to public entry.

Please call the Hungry Horse-Glacier View District at 387-3800 for updated information regarding access on the district. For additional fire information, contact 1-866-831-7450.
