Good Creek Road Temporarily Closed for Repair Work

The Good Creek Road on the Flathead National Forest, Forest Road #60, will be temporarily closed Monday and Tuesday, June 19-20 for repair work.

The temporary closure will be on the Good Creek Road approximately nine miles from the intersection of Highway 93, north of Whitefish.

It is anticipated that the weight restrictions currently implemented on the Good Creek Road will be removed after the repair work.

For more information contact the Tally Lake District at 863-5400.
