Temporary Closure on Kraft Creek Road

Flathead National Forest Road #561, Kraft Creek Road, southwest of Condon, MT, will be temporarily closed beginning Monday, August 31 through Friday, September 3, 2004, due to culvert replacements. The closures will be between mile posts 4.5 and 9.0. The road will be closed to through traffic and should not impact private landowners in the area.

During the road closure, there will be no access to the Glacier Lake Trail System and the Hemlock Lake Trail System.

A culvert replacement on East Frenchy Connection Road, Forest Road #561F, will also take place during this time and will be closed for approximately 4 hours.

Please contact the Swan Lake District at 837-7500 for more information.
