Kraft Creek Road to be Temporarily Closed

Flathead National Forest Road #561, Kraft Creek Road, southwest of Condon, Montana, will be temporarily closed beginning Friday, July 22 for approximately three to four weeks due to a large culvert replacement. The closure will be located at mile post 8.65 and will be signed. The road will be closed to through traffic and should not impact private land owners in the area.

During the road closure there will be no access to the Glacier Lake Trail System, although access will remain for the Hemlock Trail System.

Another closure on the Kraft Creek Road is anticipated during July at mile post 2.87. This will be a day closure for additional culvert work.

Please contact the Swan Lake District at 837-7500 for more information.
