### **Spring Road and Trail Restrictions in Krause Basin**

For grizzly bear security, as bears emerge from winter dens, motorized traffic including motorcycle and snowmobile use is not allowed within Krause Basin, west of the Jewel Basin Hiking Area, on the Flathead National Forest, from April 1 to June 30. This includes an area northwest of the Strawberry Lake Road #5390 and national forest lands southeast of Peter's Ridge.

This restriction includes the Krause Creek Road #5389, the Peter's Ridge Y-Road #5388Y, the Peter's Ridge Road #5388 and the Peter's Ridge Trail #37 to its junction with the Alpine Trail #7, all on national forest lands.

### **Closure Map**

For more information about these travel restrictions including maps, contact the Swan Lake Ranger District office at 837-7500.
