Canyon Creek Road Off North Fork Road Closed Temporarily

The Canyon Creek Road, Flathead National Forest Road #316, will be temporarily closed due to construction work beginning Monday, May 19.

The road will be closed from the junction of the road with the North Fork Road to the Canyon Creek snowmobile parking lot. This is located approximately seven miles north of Columbia Falls.

Construction activities will include creating a double lane, additional gravel and paving. It is anticipated the temporary closure will be in effect for approximately two months.

For more information please contact the Flathead National Forest at 387-3800.
