Flathead National Forest Hot Shot Employees Injured

This afternoon at approximately 1pm, two employees of the Flathead National Forest Hot Shot Fire Crew were injured during a lightning storm while working a prescribed fire on the Tally Lake Ranger District, west of Whitefish. One employee, a 25-year-old female, was transported by ALERT to Kalispell Regional Medical Center and is listed in stable condition. The other employee, a 29-year-old male, was transported by ambulance to North Valley Hospital and is listed in stable condition.
