Lion Lake Picnic Area Has Seasonal Closures

North Lion Lake Picnic Area on the Hungry Horse District of the Flathead National Forest will close for the season on Wednesday, November 1. The South Lion Lake Picnic Area will remain open, but there will be no trash pickup or outhouse maintenance. Forest visitors will need to pack their garbage out.

Anyone planning a fall camping, hiking, biking or other recreational outing on the forest is encouraged to contact a local Forest Service Office for information on seasonal services and access. Forest users are also reminded that fall hunting season is underway and to anticipate hunting activity across the forest. All forest users are encouraged to wear hunter orange or other brightly colored clothing when recreating on the forest this fall.
