

## YouthBuild Orientation Meeting

January 28-31, 2008

Dallas, Texas

### CAREER VOYAGERS CASE STUDIES

1. James is enrolled in his first year at YouthBuild. He is meeting with his counselor and would like to understand what are his options if he pursues a career in construction. Using the Career Voyagers website how would you guide James?
2. Belinda is completing the YouthBuild program. She is meeting with her counselor on Apprenticeship opportunities after her graduation. Using the Career Voyagers website how would you guide Belinda?
3. Maxwell would like to continue on to community college after completion of his high school diploma. His parents would like a better understanding of his career options but only read Spanish. How could Maxwell use Career Voyagers to inform his parents on his higher education choices?
4. Maria approaches her GED teacher. She is enjoying the GED classes but does not feel construction is the career she wants to pursue. Using the career compass how would you assist Maria and understanding other fields she may be interest?
