

delivery contracts (including requirements contracts) are established with commercial firms to provide supplies and services at stated prices for given periods of time. Similar systems of schedule-type contracting are used for military items managed by the Department of Defense. These systems are not included in the Federal Supply Schedule program covered by this subpart.

(b) The GSA schedule contracting office issues publications, entitled Federal Supply Schedules, containing the information necessary for placing delivery orders with schedule contractors. Ordering offices issue delivery orders directly to the schedule contractors for the required supplies and services. Ordering offices may request copies of schedules by completing GSA Form 457, FSS Publications Mailing List Application, and mailing it to the GSA Centralized Mailing List Service (7CAFL), P.O. Box 6477, Fort Worth, TX 76115. Copies of GSA Form 457 also may be obtained from this address.

(c) GSA offers an on-line shopping service called "GSA Advantage!" that enables ordering offices to search product specific information (*i.e.*, national stock number, part number, common name), review delivery options, place orders directly with contractors (or ask GSA to place orders on the agency's behalf), and pay contractors for orders using the Governmentwide commercial purchase card (or pay GSA). Ordering offices may access the "GSA Advantage!" shopping service by connecting to the Internet and using a web browser to connect to the Acquisition Reform Network (<http://www.ar.net.gov>) or the GSA, Federal Supply Service (FSS) Home Page (<http://www.fss.gsa.gov>). For more information or assistance, contact GSA at Internet e-mail address: gsa.advantage@gsa.gov.

(d) For administrative convenience, an ordering office contracting officer may add items not on the Federal Supply Schedule (also referred to as open market items) to a Federal Supply Schedule blanket purchase agreement (BPA) or an individual task or delivery order only if—

(1) All applicable acquisition regulations pertaining to the purchase of the items not on the Federal Supply Sched-

ule have been followed (*e.g.*, publicizing (Part 5), competition requirements (Part 6), acquisition of commercial items (Part 12), contracting methods (Parts 13, 14, and 15), and small business programs (Part 19));

(2) The ordering office contracting officer has determined the price for the items not on the Federal Supply Schedule is fair and reasonable;

(3) The items are clearly labeled on the order as items not on the Federal Supply Schedule; and

(4) All clauses applicable to items not on the Federal Supply Schedule are included in the order.

8.402 Applicability.

Procedures in this subpart apply to orders placed against Federal Supply Schedules. Occasionally, GSA may establish special ordering procedures. The affected Federal Supply Schedules will outline these procedures.

8.402—8.403-4 [Reserved]

8.404 Using schedules.

(a) *General.* (1) Parts 13 and 19 do not apply to orders placed against Federal Supply Schedules, except for the provision at 13.303-2(c)(3). Orders placed against a Multiple Award Schedule (MAS), using the procedures in this subpart, are considered to be issued using full and open competition (see 6.102(d)(3)).

(i) Ordering offices need not seek further competition, synopsise the requirement, make a separate determination of fair and reasonable pricing, or consider small business programs.

(ii) GSA has already determined the prices of items under schedule contracts to be fair and reasonable. By placing an order against a schedule using the procedures in this section, the ordering office has concluded that the order represents the best value and results in the lowest overall cost alternative (considering price, special features, administrative costs, etc.) to meet the Government's needs.
