

Subpart 17.5—Interagency Acquisitions Under the Economy Act

SOURCE: 60 FR 49721, Sept. 26, 1995, unless otherwise noted.

17.500 Scope of subpart.

(a) This subpart prescribes policies and procedures applicable to interagency acquisitions under the Economy Act (31 U.S.C. 1535). The Economy Act also provides authority for placement of orders between major organizational units within an agency; procedures for such intra-agency transactions are addressed in agency regulations.

(b) The Economy Act applies when more specific statutory authority does not exist. Examples of interagency acquisitions to which the Economy Act does not apply include—

(1) Acquisitions from required or optional sources of supplies prescribed in Part 8, which have separate statutory authority (*e.g.*, Federal Supply Schedule contracts); and

(2) Acquisitions using Government-wide acquisition contracts.

17.501 Definition.

Interagency acquisition, as used in this subpart, means a procedure by which an agency needing supplies or services (the requesting agency) obtains them from another agency (the servicing agency).

[60 FR 49721, Sept. 26, 1995, as amended at 66 FR 2129, Jan. 10, 2001]

17.502 General.

(a) The Economy Act authorizes agencies to enter into mutual agreements to obtain supplies or services by interagency acquisition.

(b) The Economy Act may not be used by an agency to circumvent conditions and limitations imposed on the use of funds.

(c) Acquisitions under the Economy Act are not exempt from the requirements of subpart 7.3, Contractor Versus Government Performance.

(d) The Economy Act may not be used to make acquisitions conflicting with any other agency's authority or responsibility (for example, that of the Administrator of General Services under the Federal Property and Administrative Services Act).

17.503 Determinations and findings requirements.

(a) Each Economy Act order shall be supported by a Determination and Finding (D&F). The D&F shall state that—

(1) Use of an interagency acquisition is in the best interest of the Government; and

(2) The supplies or services cannot be obtained as conveniently or economically by contracting directly with a private source.

(b) If the Economy Act order requires contract action by the servicing agency, the D&F must also include a statement that at least one of the following circumstances applies:

(1) The acquisition will appropriately be made under an existing contract of the servicing agency, entered into before placement of the order, to meet the requirements of the servicing agency for the same or similar supplies or services;

(2) The servicing agency has capabilities or expertise to enter into a contract for such supplies or services which is not available within the requesting agency; or

(3) The servicing agency is specifically authorized by law or regulation to purchase such supplies or services on behalf of other agencies.

(c) The D&F shall be approved by a contracting officer of the requesting agency with authority to contract for the supplies or services to be ordered, or by another official designated by the agency head, except that, if the servicing agency is not covered by the Federal Acquisition Regulation, approval of the D&F may not be delegated below the senior procurement executive of the requesting agency.
