

I immediately sent this SCAM to Susan Wornick and as you can see she asked that we send it to the Federal Trade Commission. Here it is

wow .. you are the second person I've heard from today on this. I am not sure what it is but suspect they want you to respond to cancel ..at which time they'll request your credit card info to "verify" the account. Then they'll scam you. Contact the Federal Trade Commission at FTC.org.
