FOREST SUPERVISORS' ORDER

NATIONAL FOREST SYSTEM ROADS AND TRAILS

In the

NORTH BELTS TRAVEL AREA

Pursuant to Title 36 Code of the Federal Regulations 261.50 (a) and (b), the following restrictions are in effect on the Helena National Forest within the North Belts and Dry Range Area (see Attachment "A", North Belts Travel Plan Modified Alternative 6 Map and Attachment "B" Roads and Trails) on lands that are administered by the Helena National Forest in Lewis and Clark, Broadwater and Meagher Counties in Montana. These restrictions are in addition to those enumerated in Subpart A, Part 261, Title 36, Code of Federal Regulations, and become effective when signed and will remain in effect until rescinded.

The reasons for these travel restrictions are identified in the North Belts Travel Plan Record of Decision (ROD). In summary, the decision provides a mix of motorized and nonmotorized recreation. It also provides for a more easily understood travel map and protects forest resources.

36 CFR 261.54 – National Forest System Roads

- (a) Using any type vehicle prohibited by the order

For the purpose of this order, it is prohibited to use any type of motorized vehicle on National Forest System roads (classified roads), except on Designated Routes as identified on Attachment A, North Belts Travel Restriction Map, and Attachment B, List of Designated Roads, hereby made part of this order.

- 1 No new permanent routes are created by this activity
- 2 No damage to existing vegetation, soil, or water resource occurs,
- 3 Travel off-route does not cross streams, and
- 4 Travel off-route does not traverse riparian or wet areas

ATTACHMENT C – WINTER MOTORIZED USE AREA RESTRICTIONS

To maintain integrity of winter game ranges for wildlife and for enforcement manageability, the following generally described areas prohibit snowmobile and wheeled vehicle travel in the North Belts Travel Plan area except on designated routes.

NOTE: Descriptions are described to the closest quarter quarter section. Actual boundaries were drawn to approximate ridgelines, drainage bottoms, roads or other features that could be easily recognizable on the ground.

Restrictions North of Beaver Creek

All of the federal lands within the Travel Plan area north of Beaver Creek are prohibited from motorized use during 12/2-5/15 except on designated routes.
