

- (ii) Required-when-applicable solicitation provisions;
- (iii) Optional solicitation provisions;
- (iv) Required contract clauses;
- (v) Required-when-applicable contract clauses; and
- (vi) Optional contract clauses.

(2) For each provision or clause listed, the matrix provides information on—

- (i) Whether incorporation by reference is or is not authorized (see 52.102);
- (ii) The section of the Uniform Contract Format (UCF) in which it is to be located, if it is used in an acquisition that is subject to the UCF;
- (iii) Its number;
- (iv) The citation of the FAR text that prescribes its use; and
- (v) Its title.

(3) Since the matrix does not provide sufficient information to determine the applicability of a provision or clause in the “required-when-applicable” and “optional” categories, contracting officers shall refer to the FAR text (cited in the matrix) that prescribes its use.

(4) The FAR matrix may be reproduced at agency levels, and at subordinate levels, for the purpose of supplementing it with agency-developed provisions and clauses. The resulting consolidated matrices may be included in agency acquisition regulations.

(f) *Dates.* Since they are subject to revision from time to time, all provisions, clauses, and alternates are dated; e.g., (DEC 1983). To avoid questions concerning which version of any provision, clause, or alternate is operative in any given solicitation or contract, its date shall be included whether it is incorporated by reference or in full text.

[48 FR 42478, Sept. 19, 1983; 48 FR 43273, Sept. 22, 1983, as amended at 55 FR 3887, Feb. 5, 1990; 62 FR 40237, July 25, 1997; 62 FR 64927, Dec. 9, 1997; 65 FR 36016, June 6, 2000; 66 FR 2134, Jan. 10, 2001]

#### **52.102 Incorporating provisions and clauses.**

(a) Provisions and clauses should be incorporated by reference to the maximum practical extent, rather than being incorporated in full text, even if they—

(1) Are used with one or more alternates or on an optional basis;

(2) Are prescribed on a “substantially as follows” or “substantially the same as” basis, provided they are used verbatim;

(3) Require modification or the insertion by the Government of fill-in material (see 52.104); or

(4) Require completion by the offeror or prospective contractor. This instruction also applies to provisions completed as annual representations and certifications.

(b) Except for provisions and clauses prescribed in 52.107, any provision or clause that can be accessed electronically by the offeror or prospective contractor may be incorporated by reference in solicitations and/or contracts. However, the contracting officer, upon request, shall provide the full text of any provision or clause incorporated by reference.

(c) Agency approved provisions and clauses prescribed in agency acquisition regulations, and provisions and clauses not authorized by subpart 52.3 to be incorporated by reference, need not be incorporated in full text, provided the contracting officer includes in the solicitation and contract a statement that—

(1) Identifies all provisions and clauses that require completion by the offeror or prospective contractor;

(2) Specifies that the provisions and clauses must be completed by the offeror or prospective contractor and must be submitted with the quotation or offer; and

(3) Identifies to the offeror or prospective contractor at least one electronic address where the full text may be accessed.

(d) An agency may develop a group listing of provisions and clauses that apply to a specific category of contracts. An agency group listing may be incorporated by reference in solicitations and/or contracts in lieu of citing the provisions and clauses individually, provided the group listing is made available electronically to offerors and prospective contractors.

(e) A provision or clause that is not available electronically to offerors and

## Federal Acquisition Regulation

## 52.104

prospective contractors shall be incorporated in solicitations and/or contracts in full text if it is—

(1) A FAR provision or clause that otherwise is not authorized to be incorporated by reference (see subpart 52.3); or

(2) A provision or clause prescribed for use in an agency acquisition regulation.

(f) Provisions or clauses may not be incorporated by reference by being listed in the—

(1) Provision at 52.252-3, Alterations in Solicitations; or

(2) Clause at 52.252-4, Alterations in Contract.

[62 FR 64927, Dec. 9, 1997]

### **52.103 Identification of provisions and clauses.**

(a) Whenever any FAR provision or clause is used without deviation in a solicitation or contract, whether it is incorporated by reference or in full text, it shall be identified by number, title, and date. This identification shall also be used if the FAR provision or clause is used with an authorized deviation, except that the contracting officer shall then insert “(DEVIATION)” after the date. Solicited firms and contractors will be advised of the meaning of this insertion through the use of the (1) provision at 52.252-5, Authorized Deviations in Provisions, or (2) clause at 52.252-6, Authorized Deviations in Clauses. The above mentioned provision and clause are prescribed in 52.107 (e) and (f).

(b) Any provision or clause that supplements the FAR whether it is incorporated by reference or in full text shall be clearly identified by number, title, date, and name of the regulation. When a supplemental provision or clause is used with an authorized deviation, insert “(DEVIATION)” after the name of the regulation.

(c) A provision or clause of the type described in 52.101(b)(2)(i)(C) shall be identified by the title, date, and the name of the agency or suborganization within the agency that developed it.

(d) Except for provisions or clauses covered by 52.103(c), the following hypothetical examples illustrate how a provision or clause that supplements the FAR shall be identified when it is

incorporated in solicitations and/or contracts by reference or in full text:

(1) If part 14 (Sealed Bidding) of the X Agency Acquisition Regulation, published in the FEDERAL REGISTER and codified as Chapter 99 in 48 CFR, prescribes the use of a provision entitled “Bid Envelopes,” dated October 1983, and that provision is sequentially the first provision or clause appearing in Section 52.214 of the X Agency Acquisition Regulation, then the identification of that provision shall be “9952.214-70—Bid Envelopes (OCT 1983).”

(2) Assume that Y, a major organizational element of the X Agency, is authorized to issue the Y Acquisition Regulation, which is not published in the FEDERAL REGISTER and codified in 48 CFR. If part 36 (Construction and Architect-Engineer Contracts) of the Y Acquisition Regulation prescribes the use of a clause entitled “Refrigerated Display Cases,” dated March 1983, pertaining to a specialized type of construction work, and that clause is sequentially the second provision or clause appearing in Section 52.236 of the Y Acquisition Regulation, then the identification of that clause shall be “52.236-71—Refrigerated Display Cases (MAR 1983)—Y Acquisition Regulation.”

[48 FR 42478, Sept. 19, 1983, as amended at 52 FR 9039, Mar. 20, 1987]

### **52.104 Procedures for modifying and completing provisions and clauses.**

(a) The contracting officer must not modify provisions and clauses unless the FAR authorizes their modification. For example—

(1) “The contracting officer may use a period shorter than 60 days (but not less than 30 days) in paragraph (x) of the clause”; or

(2) “The contracting officer may substitute the words ‘task order’ for the word ‘Schedule’ wherever that word appears in the clause.”

(b) When modifying provisions or clauses incorporated by reference, insert the changed wording directly below the title of the provision or clause identifying to the lowest level necessary (e.g., paragraph, sentence, word), to clearly indicate what is being modified.
