NOTICE OF COST COMPARISON (SEALED-BID)
(FEB 1993)

If Government performance is determined to be more economical, this solicitation will be canceled and no contract will be awarded.

(b) The Government's cost estimate for performance by the Government will be based on the work statement in this solicitation and will be submitted by designated agency personnel to the Contracting Officer in a sealed envelope not later than the time set for bid opening. At the public bid opening, the Contracting Officer will open the bids and the envelope containing the cost estimate for Government performance and announce the result. This announcement will be based on an initial comparison of the cost of Government performance with the cost of contract performance, as indicated on the cost comparison form.

(c) The abstract of bids, completed cost comparison form, and detailed data supporting the cost estimate for Government performance will be made available to interested parties for review for a period of _____ [insert a number from 15 to 30, depending on the complexity of the matter (see 7.306(a)(1)(iv))] working days, beginning with the date the documents are available to interested parties. Agency determinations under the appeals procedure shall be final.
