52.205–52.206 [Reserved]

52.207–1 Notice of Cost Comparison (Sealed-Bid).

As prescribed in 7.305(a), insert the following provision:

NOTICE OF COST COMPARISON (SEALED-BID)
(FEB 1993)

(a) This solicitation is part of a Government cost comparison to determine whether accomplishing the specified work under contract or by Government performance is more economical. If Government performance is determined to be more economical, this solicitation will be canceled and no contract will be awarded.

(b) The Government's cost estimate for performance by the Government will be based on the work statement in this solicitation and will be submitted by designated agency personnel to the Contracting Officer in a sealed envelope not later than the time set for bid opening. At the public bid opening, the Contracting Officer will open the bids and the envelope containing the cost estimate for Government performance and announce the result. This announcement will be based on an initial comparison of the cost of Government performance with the cost of contract performance, as indicated on the cost comparison form.

(c) The abstract of bids, completed cost comparison form, and detailed data supporting the cost estimate for Government performance will be made available to interested parties for review for a period of _____ [insert a number from 15 to 30, depending on the complexity of the matter (see 7.306(a)(1)(iv))] working days, beginning with the date the documents are available to interested parties. The Government will not make a final determination either for contract or Government performance during this period. During this period, directly affected parties may file with the Contracting Officer written requests, based on specific objections, for administrative review of the cost-comparison result under the agency appeals procedure. The appeals procedure shall be used only to resolve questions concerning the calculation of the cost comparison and will not apply to decisions regarding selection of one bidder in preference to another. Agency determinations under the appeals procedure shall be final.

(d) After evaluation of bids and resolution of any requests under the appeals procedure, the Contracting Officer will either award a contract or cancel this solicitation. The

completed cost comparison analysis will be made available to interested parties.

(e) A cost estimate for Government performance is considered a bid for purposes of this solicitation's Late Modifications of Bids or Withdrawal of Bids provision, and a late modification that displaces an otherwise low cost estimate for Government performance shall not be considered.

52.207–2 Notice of Cost Comparison (Negotiated).

As prescribed in 7.305(b), insert the following provision:

NOTICE OF COST COMPARISON (NEGOTIATED)
(FEB 1993)

(a) This solicitation is part of a Government cost comparison to determine whether accomplishing the specified work under contract or by Government performance is more economical. If Government performance is determined to be more economical, this solicitation will be canceled and no contract will be awarded.

(b) The Government's cost estimate for performance by the Government will be based on the work statement in this solicitation and will be submitted by designated agency personnel to the Contracting Officer in a sealed envelope not later than the time set for receipt of initial proposals.

(c) After completion of proposal evaluation, negotiation, and selection of the most advantageous proposal, the Contracting Officer, in the presence of the preparer of the cost estimate for Government performance, will open the sealed cost estimate envelope. These officials will make a cost comparison before public announcement. Depending on whether the cost comparison result favors performance under contract or Government performance, the procedure in either subparagraph (1) or (2) following applies:

(1) If the result of the cost comparison favors performance under contract and administrative approval is obtained, the Contracting Officer will award a contract and publicly reveal the completed cost comparison form showing the cost estimate for Government performance, its detailed supporting data, and the Contractor's name. However, this award is conditioned on the offer remaining the more economical alternative after (i) completion of a public review period of _____ [insert a numeral from 15 to 30, depending upon the complexity of the matter (see 7.306(b)(3))] working days beginning with the

date this information is available to interested parties and (ii) resolution of any requests for review under the agency appeals procedure (see paragraph (d) below). The Government assumes no liability for costs incurred during the periods specified in (i) and (ii). The Contracting Officer will then either notify the Contractor in writing that it may proceed with performance of the contract or will cancel the contract at no cost to the Government.

(2) If the result of the cost comparison favors Government performance, the Contracting Officer will publicly disclose this result, the completed cost comparison form and its detailed supporting data, and the price of the offer most advantageous to the Government. After (i) completion of a public review period of [insert a numeral from 15 to 30, depending upon the complexity of the matter (see 7.306(b)(3))] working days beginning with the date this information is available to interested parties and (ii) resolution of any requests for review under the agency appeals procedure (see paragraph (d) below), the Contracting Officer will either cancel this solicitation or award a contract, as appropriate.

(d) During the public review period, directly affected parties may file with the Contracting Officer written requests, based on specific objections, for administrative review of the cost comparison result under the agency appeals procedure. The appeals procedure shall be used only to resolve questions concerning the calculation of the cost comparison and will not apply to questions concerning award to one offeror in preference to another. Agency determinations under the appeals procedure shall be final.

(e) A cost estimate for Government performance is considered a proposal for purposes of this solicitation's Late Submissions, Modifications, and Withdrawal of Proposals or Quotations provision, and a late modification that displaces an otherwise low cost estimate for Government performance shall not be considered.

52.207-3 Right of First Refusal of Employment.

As prescribed in 7.305(c), insert the following clause:

(NOV 1991)**

(a) The Contractor shall give Government employees who have been or will be adversely affected or separated as a result of award of this contract the right of first refusal for employment openings under the

(b) Within 10 days after contract award, the Contracting Officer will provide to the Contractor a list of all Government employees who have been or will be adversely affected or separated as a result of award of this contract.

(c) The Contractor shall report to the Contracting Officer the names of individuals identified on the list who are hired within 90 days after contract performance begins. This report shall be forwarded within 120 days after contract performance begins.
