with particular subcontractors. No separate justification and approval during the acquisition process is required.

### 225.871-6 Disposal of property.

Dispose of property that is jointly acquired by the members of a cooperative project under the procedures established in the agreement or in a manner consistent with the terms of the agreement.

### 225.871-7 Congressional notification.

(a) Congress must be notified whenever DoD determines to award a prime contract or subcontract to a particular contractor if the determination was not part of the certification made under Section 27(f) of the Arms Export Control Act before finalizing the cooperative agreement.

(1) Departments and agencies must provide a proposed Congressional notice to the Director of Defense Procurement, Office of the Under Secretary of Defense (Acquisition, Technology, and Logistics), in sufficient time to forward to Congress before the time of contract award.

(2) The proposed notice shall include the reason why the authority to designate a particular contractor or subcontractor should be used.

(b) Congressional notification is also required each time a statutory waiver is exercised under 225.871-4, if such information was not provided in the certification to Congress before finalizing the cooperative agreement. Exercise of the waiver means a contract award or modification which provides for a statutory exception.

### 225.872 Contracting with qualifying country sources.

#### 225.872-1 General.

(a) As a result of memoranda of understanding and other international agreements, the DoD has determined it inconsistent with the public interest to apply restrictions of the Buy American Act/Balance of Payments Program to the acquisition of defense equipment which is mined, produced, or manufactured in any of the following countries

(referred to in this part as “qualifying countries”)—

Australia  
Belgium  
Canada  
Denmark  
Egypt  
Federal Republic of Germany  
France  
Greece  
Israel  
Italy  
Luxembourg  
Netherlands  
Norway  
Portugal  
Spain  
Switzerland  
Turkey  
United Kingdom of Great Britain and Northern Ireland

(b) Individual acquisitions for products of the following qualifying countries may, on a purchase-by-purchase basis, be exempted from application of the Buy American Act and Balance of Payments Program as inconsistent with the public interest—

Austria  
Finland  
Sweden

(c) The determination in paragraph (a) of this subsection does not limit the authority of the cognizant Secretary to restrict acquisitions to domestic sources or reject an otherwise acceptable offer from a qualifying country source in instances where considered necessary for national defense reasons.

#### 225.872-2 Applicability.

(a) This section applies to all acquisitions of supplies except where restricted by—

(1) Provision of U.S. National Disclosure Policy (NDP), DOD Directive 5230.11, Disclosure of Classified Military Information to Foreign Governments and International Organizations;

(2) U.S. defense mobilization base requirements purchased under the authority of FAR 6.302-3(a)(2)(i) except for quantities in excess of that required to maintain the defense mobilization base. This restriction does not apply to Canadian planned producers—

### 225.872-3

(i) Review individual solicitations to determine whether this restriction applies.

(ii) Information concerning restricted items may be obtained from the Deputy Under Secretary of Defense (Industrial Affairs);

(3) Other U.S. laws or regulations (e.g., the annual defense appropriations act); and

(4) U.S. industrial security requirements.

(b) This section does not apply to construction contracts.

#### 225.872-3 Solicitation procedures.

(a) Include qualifying country sources on bidders mailing lists and comparable source lists upon their request (see FAR 14.205).

(b) Except for items developed under the U.S./Canadian Development Sharing Program, use the criteria for soliciting and making awards under FAR part 19 for small business concerns without regard to whether there are potential qualifying country sources for the end product. Do not consider an offer of a qualifying country end product if the solicitation is identified for the exclusive participation of small business firms.

(c) Send solicitations directly to qualifying country sources. Solicit Canadian sources through the Canadian Commercial Corporation in accordance with 225.870.

(d) Use international air mail if solicitation destinations are outside the United States and security classification permits such use (see FAR 14.202 and FAR 14.203).

(e) If unusual technical or security requirements preclude the acquisition of otherwise acceptable defense equipment from qualifying country sources, review the need for such requirements. Do not impose unusual technical or security requirements solely for the purpose of precluding the acquisition of defense equipment from qualifying countries.

(f) Do not automatically exclude qualifying country sources from submitting offers because their supplies

### 48 CFR Ch. 2 (10-1-02 Edition)

have not been tested and evaluated by the department/agency.

(1) Consider the adequacy of qualifying country service testing on a case-by-case basis. Departments or agencies that must limit solicitations to sources whose items have been service tested and evaluated by the department/agency shall consider supplies from qualifying country sources that have been tested and accepted by the qualifying country for service use.

(2) The department/agency may perform a confirmatory test, if necessary.

(3) Apply U.S. test and evaluation standards, policies, and procedures when the department/agency decides that confirmatory tests of qualifying country end products are necessary.

(4) Where it appears that these provisions might adversely delay service programs, obtain the concurrence of the DoD Acquisition Executive, Under Secretary of Defense (Acquisition, Technology, and Logistics), before excluding the qualifying country source from consideration.

(g) Permit industry representatives from a qualifying country to attend symposia, program briefings, prebid conferences (see FAR 14.207 and 15.201(c)), and similar meetings that address U.S. defense equipment needs and requirements. When practical, structure these meetings to allow attendance by representatives of qualifying country concerns.

#### 225.872-4 Evaluation of offers.

(a) Qualifying country sources competing for DoD requirements must be responsive to the terms and conditions of DoD solicitations.

(b) Evaluate offers of end products from the qualifying country sources in 225.872-1(a) without application of the 50 percent Buy American Act or Balance of Payments Program evaluation factor, in accordance with 225.304 and 225.502.

(c) Evaluate offers of end products from the qualifying country sources in 225.872-1(b) without application of the 50 percent Buy American Act or Balance of Payments Program evaluation factor. If the offer, as evaluated, is low
