

236.272 Prequalification of sources.

(a) Prequalification procedures may be used when necessary to ensure timely and efficient performance of critical construction projects. Prequalification—

(1) Results in a list of sources determined to be qualified to perform a specific construction contract; and

(2) Limits offerors to those with proven competence to perform in the required manner.

(b) The head of the contracting activity must—

(1) Authorize the use of prequalification by determining, in writing, that a construction project is of an urgency or complexity that requires prequalification; and

(2) Approve the prequalification procedures.

(c) For small businesses, the prequalification procedures must require the qualifying authority to—

(1) Request a preliminary recommendation from the appropriate Small Business Administration regional office, if the qualifying authority believes a small business is not responsible;

(2) Permit the small business to submit a bid or proposal if the preliminary recommendation is that the small business is responsible; and

(3) Follow the procedures in FAR 19.6, if the small business is in line for award and is found nonresponsible.

236.273 Network analysis systems.

Use head of the contracting activity approved procedures for preparing and using network analysis systems, whether contractor prepared, or Government prepared.

236.274 Construction in foreign countries.

(a) In accordance with Section 112 of Pub. L. 105-45 and similar sections in subsequent military construction appropriations acts, military construction contracts funded with military construction appropriations, that are estimated to exceed \$1,000,000 and are to be performed in the United States territories and possessions in the Pacific and on Kwajalein Atoll, or in countries bordering the Arabian Gulf,

shall be awarded only to United States firms, unless—

(1) The lowest responsive and responsible offer of a United States firm exceeds the lowest responsive and responsible offer of a foreign firm by more than 20 percent; or

(2) The contract is for military construction on Kwajalein Atoll and the lowest responsive and responsible offer is submitted by a Marshallese firm.

(b) When a technical working agreement with a foreign government is required for a construction contract—

(1) Consider inviting the Army Office of the Chief of Engineers, or the Naval Facilities Engineering Command to participate in the negotiations.

(2) The agreement should, as feasible and where not otherwise provided for in other agreements, cover all elements necessary for the construction that are required by laws, regulations, and customs of the United States and the foreign government, including—

(i) Acquisition of all necessary rights;

(ii) Expeditious, duty-free importation of labor, material, and equipment;

(iii) Payment of taxes applicable to contractors, personnel, materials, and equipment;

(iv) Applicability of workers' compensation and other labor laws to citizens of the U.S., the host country, and other countries;

(v) Provision of utility services;

(vi) Disposition of surplus materials and equipment;

(vii) Handling of claims and litigation; and

(viii) Resolution of any foreseeable problems that can be appropriately included in the agreement.

Subpart 236.5—Contract Clauses**236.570 Additional provisions and clauses.**

(a) Use the following clauses in all fixed-price construction solicitations and contracts—

(1) 252.236-7000, Modification Proposals-Price Breakdown; and

Department of Defense

236.602-1

(2) 252.236-7001, Contract Drawings and Specifications.

(b) Use the following provisions and clauses in fixed-price construction contracts and solicitations as applicable—

(1) 252.236-7002, Obstruction of Navigable Waterways, when the contract will involve work near or on navigable waterways.

(2) When the head of the contracting activity has approved use of a separate bid item for mobilization and preparatory work, use either—

(i) 252.236-7003, Payment for Mobilization and Preparatory Work. Use this clause for major construction contracts that require—

(A) Major or special items of plant and equipment; or

(B) Large stockpiles of material which are in excess of the type, kind, and quantity which would be normal for a contractor qualified to undertake the work; or

(ii) 252.236-7004, Payment for Mobilization and Demobilization. Use this clause for contracts involving major mobilization expense, or plant equipment and material (other than the situations covered in paragraph (b)(2)(i) of this section) made necessary by the location or nature of the work.

(A) Generally, allocate 60 percent of the lump sum price in paragraph (a) of the clause to the cost of mobilization.

(B) Vary this percentage to reflect the circumstances of the particular contract, but in no event should mobilization exceed 80 percent of the payment item.

(3) 252.236-7005, Airfield Safety Precautions, when construction will be performed on or near airfields.

(4) 252.236-7006, Cost Limitation, if the solicitation's bid schedule contains one or more items subject to statutory cost limitations, and if a waiver has not been granted (FAR 36.205).

(5) 252.236-7007, Additive or Deductive Items, if the procedures in 236.303-70 are being used.

(6) 252.236-7008, Contract Prices—Bidding Schedule, if the contract will contain only unit prices for some items.

(c) Use the following provisions in solicitations for military construction contracts that are funded with military construction appropriations and are estimated to exceed \$1,000,000:

(1) 252.236-7010, Overseas Military Construction—Preference for United States Firms, when contract performance will be in a United States territory or possession in the Pacific or in a country bordering the Arabian Gulf.

(2) 252.236-7012, Military Construction on Kwajalein Atoll—Evaluation Preference, when contract performance will be on Kwajalein Atoll.

(d) Also see 246.710(4) for an additional clause applicable to construction contracts to be performed in Germany.

236.602 Selection of firms for architect-engineer contracts.

236.602-1 Selection criteria.

(a)(i) Establish the evaluation criteria before making the public announcement required by FAR 5.205(c) and include the criteria and their relative order of importance in the announcement. The evaluation criteria should be project specific. Use the information in the DD Form 1391, FY ___ Military Construction Project Data, when available, and other pertinent project data in preparing the evaluation criteria.

(4) Use performance evaluation data from the central data base identified in 236.201.
